Woman This Is War Gender Slavery And The Evangelical Caste System:

Woman This Is War! Gender, Slavery & the Evangelical Caste System Jocelyn Andersen, 2010-07 Complementarianism also called complementarity teaches that all men are born into a leadership caste and all women are born into a follower caste This caste system follows them from the moment they exit the womb throughout all eternity The doctrine suppresses the autonomy of adult Christian women and has been embraced with few exceptions by virtually every Christian denomination despite unmistakable parallels between complementarian dogma and the adverse effects of the paradigm on men women and children and that of institutionalized slavery in previous centuries caveat lots of Black History up through the Civil Rights Movement Woman this is War quotes well known evangelical pastors who compare Christian marriage to a war of dominance between wives and husbands a war they claim that husbands must win Gender biased English translation theology along with male centered Bible commentary and translation practices are used in forbidding women to preach pastor or serve as elders and deacons in most churches This hinders the work of the gospel In most churches where women are not forbidden to preach they are told to submit to their husbands at home Gender biased English translation theology has interfered with understanding the scriptures pitted men and women against each other and eroded the happiness of women and men All of this is wrong The book contains rare insights into Christian initiatives in the movements for women s rights that have either deliberately or inadvertently been keep out of Christian literature These observations bring a new perspective along with freedom and hope The doctrine of female submission to male headship in the church and home is refuted using scripture to support equality between women and men Woman this is WAR is a treasure trove of information on gender equality from biblical historical and Christian perspectives *Methodism and the Southern Mind, 1770-1810* Cynthia Lynn Lyster, 1998-09-24 This book looks at the role of Methodism in the Revolutionary and early national South When the Methodists first arrived in the South Lyster argues they were critics of the social order By advocating values traditionally deemed feminine treating white women and African Americans with considerable equality and preaching against wealth and slavery Methodism challenged Southern secular mores For this reason Methodism evoked sustained opposition especially from elite white men Lyster analyzes the public denunciations domestic assaults on Methodist women and children and mob violence against black Methodists These attacks Lyster argues served to bind Methodists more closely to one another they were sustained by the belief that suffering was salutary and that persecution was a mark of true faith Feminism and Christian Tradition Mary-Paula Walsh, 1999-05-30 This annotated bibliography a volume in the Greenwood series Bibliographies and Indexes in Religious Studies provides access to the numerous writings from the 1960s through the 1990s on feminism and Christian tradition Major feminist theologians and sociologists are represented As a guide to further research this cross disciplinary approach presents themes and issues in both a historical and a topical framework An extensive overview of feminism in relation to the women s movement women s studies sociology and American religion

introduces the literature and provides a historical context for the nearly one thousand entries that follow Cross referenced throughout the literature is presented in six thematic categories that include introductory and background materials feminism and the development of feminist theology topical literatures in feminist theology feminism and womanist theology religious leadership of women and responses and recent developments Separate author subject and title indexes complete the volume

Gender, Race and Class in Media Gail Dines,Jean M. Humez,1995 This fine collection of perspectives and information will fill a major gap and help to push communication study in an urgently needed direction Undergraduates graduate students and faculty alike have much to gain from this text John Downing Department of Radio Television Film University of Texas Austin This is a well conceived and provocative collection that goes a long way toward filling a real void in available classroom textbooks I have no doubt that it will provoke many hours of discussion and debate about the relations between contemporary media forms and the politics of identity and difference Larry Grossberg Morris Davis Professor of Communication Studies University of North Carolina Chapel Hill This is one of the few books that really attempts to take the topic of mass media seriously while demonstrating a range of languages and approaches that illustrate what doing cultural studies is actually about Henry Giroux Waterbury Chair The Pennsylvania State University A terrific book broad based in cultural and critical studies Gender Race and Class in Media is an excellent text for courses in which multiple perspectives are represented Ellen Wartella Dean College of Communication University of Texas Austin An introductory text reader Gender Race and Class in Media critically examines the mass media as economic and cultural institutions that shape our social identities especially in regard to gender race and class Through an analysis of such popular genres as soap operas talk shows rap music sitcoms rock videos pornography made for TV movies advertising and romance novels students are invited to engage in critical mass media scholarship From a critical cultural perspective the comprehensive introduction delineates the major paradigms in media studies today It outlines the text s integrated approach to media studies which incorporates three distinct but related areas of investigation within media studies political economy of production textual analysis audience response resistance Chapter introductions to the selected readings which are drawn from original essays and influential previously published articles provide a framework for understanding and analyzing how gender race and class are structural and experiential categories that inform the production construction and consumption of media representations

Gender Race and Class in Media is designed as a comprehensive critical introduction to mass media but it can also be used as a supplement to a more standard text This text reader is also valuable for such courses as sociology of media media criticism cultural studies popular culture journalism visual literacy and especially where a critical approach is used The Oxford Encyclopedia of Women in World History: 4 Volume Set Bonnie G. Smith,2008-01-23 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike **Encyclopedia of Antislavery and Abolition** Peter P. Hinks,John R. McKivigan,R. Owen Williams,2007 Volume two of a two volume set featuring alphabetically arranged entries that cover a wide range of topics related to the antislavery movement and abolitionist activities in the eighteenth and nineteenth centuries highlighting people and events that played a key role in ending slavery in the United States **Hope & Glory** Martin Henry Blatt,Thomas J. Brown,Donald Yacovone,2001 Gathering together contributions from the academic world and personal memories this work examines the lasting influence of the most famous black military unit of the American Civil War the 54th Massachusetts Regiment
