Woman War Labor Classic Reprint:

Woman and War Olive Schreiner, 2009-05 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work Journal of Reprints of Documents Affecting Women ,1976 *Women's War* Stephanie McCurry, 2019-04-15 The Civil War is remembered as a war of brother against brother with women standing innocently on the sidelines But battlefield realities soon challenged this simplistic understanding of women's place in war Stephanie McCurry shows that women were indispensable to the unfolding of the Civil War as they have been and continue to be in all wars *The 36th Infantry United States Colored Troops in the Civil War* James K. Bryant, II, 2014-01-02 During the Civil War African American war correspondent Thomas Morris Chester was so inspired by the men of the 36th United States Colored Troops that he declared the group to be a model regiment Composed primarily of former slaves recruited from Union occupied areas of eastern North Carolina and southeastern Virginia the 36th USCT participated in large scale expeditions to liberate slaves guarded Confederate prisoners at major POW camps served in the trenches before Petersburg and Richmond and stood as one of the first units to enter the abandoned Confederate capital on April 3 1865 This volume which includes a complete regimental roster explores the background of these former slaves and their families examines their initial recruitment and chronicles their military contributions throughout the war More than a unit history the story of the 36th USCT offers a vivid portrait of the challenging transition from slavery to freedom The Subject Index to Periodicals ,1920 *The War for a Nation* Susan-Mary Grant, 2014-09-03 The War for a Nation provides a brief introduction to the American Civil War from the perspective of military personnel and civilians who participated in the conflict Susan Mary Grant brings the war its many battles and those who fought them male and female black and white to the center of a riveting narrative that is accessible to general readers and students of American history The War for a Nation explains in a clear narrative structure the war's origins its battles the expansion of the Union the struggle for emancipation and the following saga of Reconstruction By drawing its examples from primary source documents first hand accounts and scholarly research The War for a Nation introduces readers to the human interest aspects as well as the historiographical debates surrounding what was the most destructive war ever fought on American soil *Women, War, and Work* Maurine Weiner Greenwald, 1990 **The United States Catalog; Books in Print January 1, 1912** Marion Effie Potter, 1921 **The Enduring Vision** Paul S. Boyer, Clifford E. Clark, Jr., 1995 **No Strength Without Union** Raymond Boryczka, Lorin Lee Cary, 1982 Books in Print Supplement , 2002 **Disarming the Nation** Elizabeth Young, 1999-12-15 In a study that will radically shift our understanding of Civil War literature Elizabeth Young shows that American women writers have been profoundly influenced by the Civil War and that in turn their works have contributed powerfully to

conceptions of the war and its aftermath Offering fascinating reassessments of works by white writers such as Harriet Beecher Stowe Louisa May Alcott and Margaret Mitchell and African American writers including Elizabeth Keckley Frances Harper and Margaret Walker Young also highlights crucial but lesser known texts such as the memoirs of women who masqueraded as soldiers In each case she explores the interdependence of gender with issues of race sexuality region and nation Combining literary analysis cultural history and feminist theory *Disarming the Nation* argues that the Civil War functioned in women s writings to connect female bodies with the body politic Women writers used the idea of civil war as a metaphor to represent struggles between and within women including struggles against the cultural prescriptions of civility At the same time these writers also reimagined the nation itself foregrounding women in their visions of America at war and in peace In a substantial afterword Young shows how contemporary black and white women including those who crossdress in Civil War reenactments continue to reshape the meanings of the war in ways startlingly similar to their nineteenth century counterparts Learned witty and accessible *Disarming the Nation* provides fresh and compelling perspectives on the Civil War women s writing and the many unresolved civil wars within American culture today **The Advance** Charles H. Howard, Thomas De Witt Talmage, Robert West, Frederic Alphonso Noble, Simeon Gilbert, Charles Franklin Thwing, Grapho, 1914 **Library Journal** Melvil Dewey, Richard Rogers Bowker, L.
