classes or geographic areas finance professionals and students and general readers with interest in value investing **The Value Investors** Ronald Chan,2012-08-06 Investing legend Warren Buffett once said that success in investing doesn t correlate with I Q once you re above the level of 125 Once you have ordinary intelligence what you need is the temperament to control the urges that get other people into trouble in investing In an attempt to understand exactly what kind of temperament Buffett was talking about Ronald W Chan interviewed 12 value investing legends from around the world learning how their personal background culture and life experiences have shaped their investment mindset and strategy The Value Investors Lessons from the World s Top Fund Managers is the result From 106 year old Irving Kahn who worked closely with father of value investing Benjamin Graham and remains active today and 95 year old Walter Schloss described by Warren Buffett as the super investor from Graham and Dodsville to the co founders of Hong Kong based Value Partners Cheah Cheng Hye and V Nee Yeh and Francisco Garc a Param s of Spain s Bestinver Asset Management Chan chose investment luminaries to help him understand the international appeal and success of value investing All of these men became strong advocates of the approach despite considerable age and cultural differences Chan finds out why In The Value Investors readers will also discover how these investors each of whom has a unique value perspective have consistently beaten the stock market over the years Do they share a trait that allows this to happen Is there a winning temperament that turns the ordinary investor into an extraordinary one This book answers these questions and more The Value Investors Ronald W Chan,2020-11 In The Value Investors readers discovered that value investing is not a staid and old fashioned investment strategy but is dynamic and ever evolving And most especially they learned how 12 leading investors each of whom has a unique value perspective have consistently beaten the stock market over the years all these investors come from different walks of life yet they share the same
