The Vietnam Tapes Of Lance Corporal Michael A Baronowski:

The Last Mixtape Seth Long, 2025-07-16 A reflection on the evolution of physical media into metaphor through the history of music curation. Obsolescence makes the heart grow fonder at least in the case of the mixtape. Not all technologies are so lucky. Some say wax cylinders fade almost completely from cultural memory. A lucky few pass into metaphor; we still hang up our smartphones, cut film, and patch computer code. As digital streaming completes the obsolescence of physical media, what will become of the humble cassette? In *The Last Mixtape*, Seth Long offers a microhistory of music curation anchored by the cassette from which he explores the meanings of obsolescence, ownership, nostalgia, and the speed of cultural change. A moving meditation on our relationship with music, memory, and curation in the digital century, Long ultimately calls for a return to the media ecology represented by the mixtape: a world in which media is cheap and abundant but tactile and meaningfully engaged.

The Court-Martial of Corporal Nutting John R. Nutting, 2014-11-18 John Nutting is nineteen years old in 1966. Raised in small town Idaho to a family that could trace its military roots back to the Revolutionary War, Nutting knows he's going to fight the war as a Marine. On the day of his high school graduation, he swears into the US Marine Corps and boards the plane to boot camp. All too soon, he's in the jungle, a greenhorn member of F Company, 2nd Battalion, 3rd Marine Division. Firing on an unseen enemy, burying friends killed by booby traps, and struggling with the notion that many people back home were totally opposed to the war, Nutting begins to wonder what are his odds of coming home. During a rescue mission gone wrong, a mortar round explodes beside his team, digging shrapnel deep into his leg. Aboard the surgical hospital ship where he is sent to recover, he sees the indescribable injuries of Marines who had been captured and tortured by the North Vietnamese Army and makes the decision to join the 3rd Marine Regimental Scout Snipers at Camp Carroll. After the locals betray the scout snipers assigned to help their village, resulting in the death of two of Nutting's buddies, Nutting finds an escape to sanity in marijuana. This begins his continuous recourse to the drug that lasts throughout his tour, done only in the bunker or when away on R & R, never in the field and never on duty. Despite his proven record, when he is caught in possession of marijuana, his arrest and the ensuing court martial changed his life and his reputation forever.

Fall from Grace Michael Short, 2010-04-01 He Was A Good Marine So Why Was He Discharged for Misconduct Author Michael Short tells the Story of A Marine who Endured Torture as a POW during the Vietnam War and the Pain of Being Discharged for Misconduct. Years Later, Paw Paw WV Release Date TBD. How did it all end up the way it did? Albert proved to be a good Marine, bearing the agony and torture as a Prisoner of War (POW), but why was he given a general discharge for misconduct? Author Michael Short tells the true, gripping and harrowing events that happened in *Fall from Grace*, his new book released through Xlibris. Albert was a United States Marine. As a gunnery sergeant, Albert's moral compass had always

been duty honor country In 1968 he was in the TET Offensive in Hue City Republic of South Vietnam There were several NVA dead bodies lying near and he was ready to fire his M 16 at any North Vietnamese soldiers running past him But then he felt the barrel of an AK 47 assault rifle touch the back of his head Unadulterated fear rushed through him and before he could look to see who had pointed the rifle at him he felt a crushing blow to the side of his head Consciousness left him When he regained his senses he had been captured by North Vietnamese soldiers Torture began as the enemy attempted to force information from him His cellmate was Lance Corporal Mack who also received the same brutal physical torment Through it all they never gave information to their torturer They suffered much almost to the point of death He was afflicted but never lost hope He lived by the Marine Code the Core Values But after days of being a tortured POW he escaped returned to the states to learn that he had been listed as MIA He would spend more than eighteen years as a Marine and his fall from grace would be unexpected traumatic and extremely difficult to bear Readers will find out what really happened as they leaf through the pages of *Fall from Grace* For more information on this book log on to [www Xlibris com](http://www.Xlibris.com) **With Sgt.
