## **The Virtue Of Selfishness A New Concept Of Egoism:**

*The Virtue of Selfishness* Ayn Rand, 1964-11-01 A collection of essays that sets forth the moral principles of Objectivism Ayn Rand's controversial groundbreaking philosophy Since their initial publication Rand's fictional works *Anthem* *The Fountainhead* and *Atlas Shrugged* have had a major impact on the intellectual scene The underlying theme of her famous novels is her philosophy a new morality the ethics of rational self interest that offers a robust challenge to altruist collectivist thought Known as Objectivism her divisive philosophy holds human life the life proper to a rational being as the standard of moral values and regards altruism as incompatible with man's nature In this series of essays Rand asks why man needs morality in the first place and arrives at an answer that redefines a new code of ethics based on the virtue of selfishness More Than 1 Million Copies Sold *The Virtue of Selfishness* Ayn Rand, 1964 The meaning ascribed in popular usage to the word selfishness is not merely wrong it represents a devastating intellectual package deal which is responsible more than any other single factor for the moral development of man **The Virtue of Selfishness** Ayn Rand, 1964 [The Virtue of Selfishness](#) Ayn Rand, Nathaniel Branden, 1970 [The Virtue of Selfishness](#) Ayn Rand, 1964 [Quicklet on The Virtue of Selfishness by Ayn Rand](#) Twanna Collins, 2012-03-04 Quicklets Your Reading Sidekick ABOUT THE BOOK Ayn Rand's work *The Virtue of Selfishness A New Concept of Egoism* didn't start out as a novel What ultimately became *The Virtue of Selfishness* actually was started as a collection of essays The bulk of these essays were originally published in *The Objectivist Newsletter* in 1964 Since its original publishing up until today the book has been a source of discussion and debate among many scholars and casual readers alike Since its publishing in 1964 *The Virtue of Selfishness* has been translated into numerous languages Its content is still controversial and can spark heated conversations on issues that are as prevalent today as they were in Rand's era It is often stated that reading a book like *The Virtue of Selfishness* will help a person get a better perspective and understanding of other fiction works by Ayn Rand In reading *The Virtue of Selfishness* the reader will gain a deeper understanding of the inner workings of her characters and be more comfortable with many of her philosophical works MEET THE AUTHOR Twanna has a Business Degree from Michigan State University She has been involved in copywriting on the internet since 2008 Her hobbies and interests include cooking reading writing health fitness and herbal remedies EXCERPT FROM THE BOOK A man drowns Lets say that a man is in danger of drowning and you are the only one around who can help The moral course of action would be to assist only if the danger to one's self is minimal It is a sign of lowered self esteem to deem a stranger's life just as valuable as your own by risking yours to save theirs This would not be the case if the drowning person were someone you loved deeply In this scenario risking your life to save this person is not seen as a sacrifice at all The reason because saving a loved one is rooted in a certain selfishness no one wants to watch a loved one drown knowing they could have done something to prevent it from happening Buy a copy to keep reading CHAPTER OUTLINE Ayn Rand's *The Virtue of Selfishness* About the Book About the Author Overall Summary Chapter by

**The Virtue of Selfishness. A New Concept of Egoism ... With Additional Articles by Nathaniel Branden** Ayn Rand, Nathaniel BRANDEN, 1964

**Human Interests** Nicholas Rescher, 1990  
Philosophical anthropology is the philosophical study of the conditions of human existence and the issues that confront people in the conduct of their everyday lives This book surveys from a contemplative philosophical point of view a wide variety of human interest issues including happiness luck aging the meaning of life optimism and pessimism morality and faith and belief The author's deliberations blend historical theoretical and personal perspectives into philosophical appreciation of the human condition The philosophers of Greek antiquity took philosophy to center around just this issue of intelligent living of determining the nature of life under the guidance of reason Such a perspective puts philosophical agenda a position it contested with the philosophy of nature throughout classical antiquity In more recent times however its prominence has declined no doubt the author suggests because modern man's achievements have been more notable in the natural than in the human science

**The Philosophy and Practice of Medicine and Bioethics** Barbara Maier, Warren A. Shibles, 2010-11-03 This book challenges the unchallenged methods in medicine such as evidence based medicine which claim to be but often are not scientific It completes medical care by adding the comprehensive humanistic perspectives and philosophy of medicine No specific or absolute recommendations are given regarding medical treatment moral approaches or legal advice Given rather is discussion about each issue involved and the strongest arguments indicated Each argument is subject to further critical analysis This is the same position as with any philosophical medical or scientific view The argument that decision making in medicine is inadequate unless grounded on a philosophy of medicine is not meant to include all of philosophy and every philosopher On the contrary it includes only sound practical and humanistic philosophy and philosophers who are creative and critical thinkers and who have concerned themselves with the topics relevant to medicine These would be those philosophers who engage in practical philosophy such as the pragmatists humanists naturalists and ordinary language philosophers A new definition of our own philosophy of life emerges and it is necessary to have one Good lifestyle no longer means just abstaining from cigarettes alcohol and getting exercise It also means living a holistic life which includes all of one's thinking personality and actions This book also includes new ways of thinking In this regard the Metaphorical Method is explained used and exemplified in depth for example in the chapters on care egoism and altruism letting die etc

*The Moral Case for Profit Maximization* Robert White, 2020-04-01 The Moral Case for Profit Maximization argues that profit maximization is moral when businessmen seek to maximize profit by creating goods or services that are of objective value Traditionally profit maximization has been defended on economic grounds Profit economists argue incentivizes businessmen to produce goods and services In this view businessmen do not need to be virtuous as long as they deliver the goods It challenges the traditional defense of profit maximization arguing that profit maximization is morally ambitious because it requires businessmen to form normative abstractions and to cultivate a virtuous character In so doing

the author also challenges the moral basis of corporate social responsibility Proponents of CSR argue that businessmen can do good while doing well This book argues that businessmen already do good by maximizing profit drawing upon the histories of the wheel the refrigerator and the shipping container as well as the biographies of J P Morgan John D Rockefeller and Thomas Edison to demonstrate the role of values in the creation of material goods and the role of the virtues in value creation The author challenges readers to rethink the relationship between profit value and virtue **The Virtue of**

**Aristotle's Ethics** Paula Gottlieb,2009-04-27 This text looks at Aristotle s claims particularly the much maligned doctrine of the mean Egoism without Permission Tara Smith,2024-07-15 Ayn Rand controversially defended rational egoism the idea that people should regard their own happiness as their highest goal Given that numerous scholars in philosophy and psychology alike are examining the nature of human flourishing and an ethics of well being the time is ripe for a close examination of Rand s theory Egoism without Permission illuminates Rand s thinking about how to practice egoism by exploring some of its crucial psychological dimensions Tara Smith examines the dynamics among four partially subconscious factors in an individual s well being a person s foundational motivation for being concerned with morality their attitude toward their desires their independence and their self esteem A clearer grasp of each Smith argues sheds light on the others and a better understanding of the set in turn enriches our understanding of self interest and its sensible pursuit Smith then traces the implications for a broader understanding of what a person s self interest genuinely is and correspondingly of what its pursuit through rational egoism involves By highlighting these previously underexplored features of Rand s conceptions of self interest and egoism Smith betters our understanding of how vital these psychological levers are to a person s genuine flourishing **A Companion to Ayn Rand** Allan Gotthelf, Gregory Salmieri,2021-11-08 The first volume to offer a

comprehensive scholarly treatment of Rand s entire corpus including her novels her philosophical essays and her analysis of the events of her times this Companion provides vital orientation and context for scholars and educated readers grappling with a controversial and understudied thinker whose enduring influence on American and world culture is increasingly recognized The first publication to provide an in depth scholarly treatment ranging over the whole of Rand s corpus Provides informed contextual analysis for scholars in a variety of disciplines Presents original research on unpublished material and drafts from the Rand archives in California Features insightful and fair minded interpretations of Rand s controversial positions

*Ayn Rand* Mimi R. Gladstein,2013-02-14 The novelist and philosopher Ayn Rand was one of the most influential 20th century advocates of free market capitalism Her work inspired Objectivism a philosophical movement and former US Federal Reserve Chairman Alan Greenspan cited Rand as a formative intellectual influence In this outstanding volume Mimi Gladstein details Rand s belief in the moral supremacy of individualism over collectivism highlighting her contribution to libertarian thought

**Nietzsche and the Politics of Reaction** Matthew McManus,2023-01-01 This book is intended as a major interdisciplinary contribution to the study of Nietzsche s thought in particular and the political right more generally

Historically the assessment of Nietzsche's politics has ranged from denouncing him as a forerunner to Nazism to claiming he effectively did not have articulated political convictions. During the latter half of the 20th century he surprisingly became a major theoretical influence on a variety of post-structuralist radical critics who saw in his perspectivism and genealogy of power useful tools to critique existent structures of domination. This collection of essays reframes the debate by looking at Nietzsche's constructive political project defending aristocratic values from the levelling influence of the herd and its liberal socialist and democratic spokesmen. The essays will also explore how this defense of aristocratic values continues to have an influence on the political right inspiring moderates like Jordan Peterson and far-right authors and activists like Aleksandr Dugin and Steve Bannon.

**Selfishness and Selflessness** Linda L. Layne, 2020-04-09 We are said to be suffering a narcissism epidemic when the need for collective action seems more pressing than ever. The traits of selfishness and selflessness address the proper and improper relationship between one's self and others. The work they do during periods of social instability and cultural change is probed in this original interdisciplinary collection. Contributions range from an examination of how these concepts animated the eighteenth-century anti-slavery campaigners to a dissection of the way middle-class mothers' experiences illustrate gendered struggles over how much and to whom one is morally obliged to give.

The Genial Gene Joan Roughgarden, 2009-04-20 Explores evidence that suggests whether selfishness and individuality are subjective biological traits, examining social behaviors that relate to sex, gender, and family, and discussing an alternative evolutionary theory called social selection that focuses on cooperation.

**Perspectives on Ayn Rand's Contributions to Economic and Business Thought** Edward W. Younkins, 2020-07-06 Ayn Rand wrote and lectured on economic concepts and topics. This volume addresses the economic and business aspects of her writings. The authors of this anthology are from a variety of fields and all of them are enthusiastic supporters of her ideas.

The Age of Rand Frederick Cookinham, 2005-06-02 Do I think that Objectivism will be the philosophy of the future? I would say yes, but Ayn Rand to Playboy Magazine 1964: "My views will probably be the norm in the future, but not right now." Ayn Rand to Johnny Carson 1967: "Will they?" The Age of Rand describes what Ayn Rand's philosophy, Objectivism, will mean in practice for good and ill. Rand expressed her controversial ideas in her best-selling novels *Atlas Shrugged* and *The Fountainhead*. Every year more commentators debate those ideas, often heatedly. Frederick Cookinham asks questions no author has asked before: "Would Objectivists destroy the environment in favor of rampant development? Why will Objectivist civilization be built on the oceans and in space? Is Objectivism a Nietzschean Superman philosophy?" Ayn Rand often said: "Check your premises and watch your implications." Explore in *The Age of Rand* the astounding implications of this fast-growing and provocative new system of ideas. Some philosophy will dominate this new century; be prepared if it turns out to be Ayn Rand's. Frederick Cookinham has written something of great worth to thousands who have been affected by Rand's work. Andrea Millen Rich, *Laissez Faire Books*.

The Moral Quest for a More Credible Principle of Beneficence Prasasti Pandit, 2023-11-25 This book critically

analyses the basic questions regarding the principle of beneficence within its moral domain to suggest and work out a more credible form of Principle of Beneficence The Moral Quest for a More Credible Principle of Beneficence evolves from the common goodness of the three major confronting theories of ethics i e Utilitarianism Deontology and Virtue Ethics After analysing and exploring the common ground of the three views the aim is to prescribe a more convincing form of the principle of beneficence The book starts with a brief discussion of the principle of beneficence and then critically analyses previous views related to the principle of beneficence virtue of benevolence and their relationship and proposes a more credible form of the Principle of Beneficence The Moral Quest for a More Credible Principle of Beneficence aims to provide a significant contribution towards the theory of beneficence
