The Visceral Screen Between The Cinemas Of John Cassavetes And David Cronenberg

Doru Pop

The Visceral Screen Between The Cinemas Of John Cassavetes And David Cronenberg:

The Visceral Screen Robert Furze, 2015 Narrative and spectacle describe two extremes of film content but the oeuvres of John Cassavetes and David Cronenberg resist such categorization. Instead Robert Furze argues the defining characteristic of these directors' respective approaches is that of visceral cinema, a term that illustrates the anxiety these filmmakers provoke in their audiences. Cassavetes demonstrates this through disregard for plot structure and character coherence while Cronenberg's focus is on graphic depictions of mutilation, extreme forms of bodily transformation and violence. *The Visceral Screen* sets out to articulate alternative ways of appreciating film aesthetics outside the narrative spectacle continuum. Cassavetes and Cronenberg are established auteurs but the elements of their films that appear to be barriers to their artistic status, for example slipshod method and lingering violence or pre-digital special effects, are reassessed here as other indicators of creativity. In this way Furze encourages debates of what makes a film good or bad beyond how much it is seen to adhere to particular established models of filmmaking.

The Visceral Screen Robert Furze, 2011 **Romanian Cinema** Doru Pop, 2021-11-04 This volume explores the philosophical and metaphysical manifestations of contemporary cinema. Starting with the hypothesis that movies provide an experience that is both a pathway into the thinking mechanisms of modern humans and into our collective psyche, this study focuses on the elements that form the Romanian cinematic mind as part of the European cinema thinking. While this book is based on specific case studies provided by recent productions in Romanian filmmaking such as *Proroca* 2017 and *Touch me Not* 2018, it also contextualises the national cinema within the larger European art of making movies. Offering close interpretations of the works of world-renowned directors like Cristi Puiu, Cristian Mungiu, Corneliu Porumboiu or more recently Adina Pintilie and Constantin Popescu, this book questions the Romanianess of their cinematic techniques and places their philosophical roots both in a particular mode of thinking and within continental philosophy.

Avatar and Philosophy George A. Dunn, 2014-10-27 James Cameron's critically acclaimed movie *Avatar* was nominated for nine Academy Awards and received countless accolades for its breath-taking visuals and use of 3D technology. But beyond its cinematic splendour, can *Avatar* also offer us insights into business ethics, empathy, disability and the relationship between mind and body? Can getting to know the Na'vi, an alien species, enlarge our vision and help us to see both our world and ourselves in new ways? *Avatar and Philosophy* is a revealing journey through the world of Pandora and the huge range of philosophical themes raised by James Cameron's groundbreaking film. Explores philosophical issues such as religion, morality, aesthetics, empathy, identity, the relationship of mind and body, environmental and business ethics, technology and just war theory. Examines a wide range of topics from the blockbuster movie including attitudes toward nature, our responsibilities to nonhuman species, colonialism, disability and communitarian ethics. Written by an esteemed group of philosophers who are avid fans of *Avatar* themselves. Explains philosophical concepts in an enjoyable and accessible manner that will appeal to all levels of readers. With a new trilogy of sequels now announced, this is the ideal entry point for

understanding the world of Pandora for fans and newcomers alike Los Angeles Magazine ,2003-03 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian *The Films of John Cassavetes* Paul Anderson,1987
