THE VOICE OF THE PAST

Oral History

Third Edition

PAUL THOMPSON

The Voice Of The Past Oral History

TD Snyder

The Voice Of The Past Oral History:

The Voice of the Past Paul Thompson, 2017-02-24 Oral history gives history back to the people in their own words And in giving a past it also helps them towards a future of their own making Oral history and life stories help to create a truer picture of the past and the changing present documenting the lives and feelings of all kinds of people many otherwise hidden from history It explores personal and family relationships and uncovers the secret cultures of work It connects public and private experience and it highlights the experiences of migrating between cultures At the same time it can bring courage to the old meaning to communities and contact between generations Sometimes it can offer a path for healing divided communities and those with traumatic memories Without it the history and sociology of our time would be poor and narrow In this fourth edition of his pioneering work fully revised with Joanna Bornat Paul Thompson challenges the accepted myths of historical scholarship He discusses the reliability of oral evidence in comparison with other sources and considers the social context of its development He looks at the relationship between memory the self and identity He traces oral history through its own past and weighs up the recent achievements of a movement which has become international with notably strong developments in North America Europe Australia Latin America South Africa and the Far East despite resistance from more conservative academics This new edition combines the classic text of *The Voice of the Past* with many new sections including especially the worldwide development of different forms of oral history and the parallel memory boom as well as discussions of theory in oral history and of memory trauma and reconciliation It offers a deep social and historical interpretation along with succinct practical advice on designing and carrying out a project *The Voice of the Past* remains an invaluable tool for anyone setting out to use oral history and life stories to construct a more authentic and balanced record of the past and the present

Voice of the Past: Oral History Paul Thompson, 2000-03-16 In this revised edition of Paul Thompson's successful book he traces oral history through its own past and weighs up the recent achievements of this international movement He challenges myths of historical scholarship and looks at the use of oral sources by the historian The author offers advice on designing a project discusses reliability of oral evidence considers the context of the development of historical writing including its social function and looks at memory the self and the use of drama and therapy This new edition has been substantially revised and updated and includes an expanded discussion of narrative approaches and new technology used in the recording of information Reviews from the second edition of *Voice of the Past Oral History* Paul Thompson is a passionate and convincing crusader in the cause of oral history *The Times Educational Supplement* It must be rare in modern academic life to replace your own unrivalled book after 10 years with an even better one but he has done so His new material on memory and the self and on drama as therapy should be read by literary critics in their infancy *The Independent* the first book to combine a theory of oral history the technical processes involved and a road map of where oral evidence fits into the landscape of western historiography *American Historical Review*

Voice of the Past Paul

Thompson,2000-03-16 Presents an introduction to the use of oral sources by the historian **The Voice of the Past** Paul Thompson,1978 Now in a new edition this influential book traces oral history through its own past and weighs up the recent achievements of this international movement Paul Thompson challenges myths of historical scholarship and looks closely at the use of oral sources by historians He offers advice on designing a project discusses reliability of oral evidence considers the context of the development of historical writing including its social function and looks at memory the self and the use of drama and therapy This new edition has been substantially revised and updated and includes an expanded discussion of narrative approaches and looks at new technology used in the recording of information The Oral History Reader Robert Perks,Alistair Thomson,1998 Arranged in five thematic parts The Oral History Reader covers key debates in the post war development of oral history *The Oral History Manual* Barbara W. Sommer,Mary Kay Quinlan,2009-06-16 Guides readers through the process of doing oral history *Oral History* ,2001 **Oral History in a Wounded Country** Philippe Denis,Radikobo Ntsimane,2008 With the end of apartheid and the exciting but elusive advent of a new nation South Africa is witness to the emergence of a new generation of oral historians whose aim is to develop a broader more inclusive and culturally sensitive understanding of the South African past In a country still wounded by a legacy of racial discrimination the retrieving of oral memories is a task more urgent than ever Oral History in a Wounded Country shows how the cultural political socio economic and intellectual evolutions that gave birth to South Africa as we know it today affect the oral history process It will help practitioners whether they use oral history as one technique among others to gain a better knowledge of the past or envisage oral history as an academic discipline in its own right to reflect critically on their practice and find better ways of handling the interview process The challenge is to appreciate the complexity of South Africa s diverse histories while being attentive to the dynamics of the interview and their effect on both interviewers and interviewees sense of identity **Material History Bulletin** ,1979 **The Catholic Library World** John M. O'Loughlin,Francis Emmett Fitzgerald,1983 **Annals of Iowa** ,1978 *Comma* ,2002 Managing Archives and Archival Institutions James Gregory Bradsher,1988 The American Archivist ,1980 Includes sections Reviews of books and Abstracts of archive publications Western and Eastern Europe *American Indian Culture and Research Journal* ,1997 *40th AIAA Aerospace Sciences Meeting & Exhibit* ,2002 **Television, History, and American Culture** Mary Beth Haralovich,Lauren Rabinovitz,1999 In less than a century the flickering blue gray light of the television screen has become a cultural icon What do the images transmitted by that screen tell us about power authority gender stereotypes and ideology in the United States Television History and American Culture addresses this question by illuminating how television both reflects and influences American culture and identity The essays collected here focus on women in front of behind and on the TV screen as producers viewers and characters Using feminist and historical criticism the contributors investigate how television has shaped our understanding of gender power race ethnicity and sexuality from the 1950s to the present The topics range from the role that

women broadcasters played in radio and early television to the attempts of Desilu Productions to present acceptable images of Hispanic identity from the impact of TV talk shows on public discourse and the politics of offering viewers positive images of fat women to the negotiation of civil rights feminism and abortion rights on news programs and shows such as I Spy and Peyton Place Innovative and accessible this book will appeal to those interested in women s studies American studies and popular culture and the critical study of television Contributors Julie D Acci Mary Desjardins Jane Feuer Mary Beth Haralovich Michele Hilmes Moya Lockett Lauren Rabinovitz Jane M Shattuc Mark Williams Archivaria ,2000 Sound Archives David Lance,1983 **Antropologi i Finland** ,2007

Ignite the flame of optimism with Crafted by is motivational masterpiece, **The Voice Of The Past Oral History** . In a downloadable PDF format (PDF Size: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
