The Watchers Volume 1:

The Book of the Birds Vol:1 the Tribes of Parlo-5 Jacob Bucy,2021-12-10 Hi my name is Jacob Bucy I am an artist from West Virginia I began drawing the Birds in 1999 What started out as scribbles and doodles in boredom has evolved into my first book In April of 2021 I began doodling and drawing the various versions of the bird till one day I came home from work and came to the realization I had drawn 5000 drawings in just three weeks Many things inspired the birds prehistoric birds various species like Blue Herons Ibis and cranes had a large influence on them I also drew inspiration from cultures from around the globe OF the many things that drive me to create this book began as a result of that day I came home to those 5000 drawings In 2005 I was diagnosed with bi polar disorder That night I came home I realized I was in a manic episode In September I finished writing the first rough drafts for this series Since April of 2021 to September of 2021 there have been over 8000 drawings and 22 paintings and 36 books in this series Often in the early days of the birds I would have quirky short stories in my head about a day in the life of these characters The Book of the Birds Vol 1 the Tribes of Parlo 5 is my first attempt to bring others into parlo 5 and the lives of the Birds [T&T Clark Encyclopedia of Second Temple Judaism Volume One](#) Loren T. Stuckenbruck,Daniel M. Gurtner,2019-12-26 The T T Clark Encyclopedia of Second Temple Judaism provides a comprehensive reference resource of over 600 scholarly articles aimed at scholars and students interested in Judaism of the Second Temple Period The two volume work is split into four parts Part One offers a prolegomenon for the contemporary study and appreciation of Second Temple Judaism locating the discipline in relation to other relevant fields such as Hebrew Bible Rabbinics Christian Origins Beginning with a discussion of terminology the discussion suggests ways the Second Temple period may be described and concludes by noting areas of study that challenge our perception of ancient Judaism Part Two presents an overview of respective contexts of the discipline set within the broad framework of historical chronology corresponding to a set of full colour custom designed maps With distinct attention to primary sources the author traces the development of historical social political and religious developments from the time period following the exile in the late 6th century B C E through to the end of the Bar Kokhba revolt 135 C E Part Three focuses specifically on a wide selection of primary source literature of Second Temple Judaism summarizing the content of key texts and examining their similarities and differences with other texts of the period Essays here include a brief introduction to the work and a summary of its contents as well as examination of critical issues such as date provenance location language s and interpretative matters The early reception history of texts is also considered and followed by a bibliography specific to that essay Numerous high resolution manuscript images are utilized to illustrate distinct features of the texts Part Four addresses topics relevant to the Second Temple Period such as places practices historical figures concepts and subjects of scholarly discussion These are often supplemented by images maps drawings or diagrams some of which appear here for the first time Copiously illustrated carefully researched and meticulously referenced this resource provides a reliable up to date and complete guide
