The Way According To Luke Hearing The Whole Story Of Luke Acts:

The Way According to Luke Paul Borgman, 2006-03-10 Among the classics of ancient Greek and Jewish literature the story of Luke Acts has few rivals Yet we moderns miss much of the meaning of Luke s two part drama because we read it like any other text and not as it would have been heard by ancient listeners in public performance by a skilled storyteller The Way according to Luke unlocks the big picture of Jesus mission by attending to the repetition patterns and other clues of oral narrative In this single volume Paul Borgman lays out a holistic view of the organic unity between Luke and Acts while demonstrating that the meaning of Luke Acts is uniquely embedded in its narrative Borgman s distinctive work makes available both the satisfying pleasure of reading the Bible as great literature and the rewarding insight gained from receiving Scripture as it was originally delivered

The Death of the Messiah and the Birth of the New Covenant Michael J. Gorman, 2014-06-27 In this groundbreaking book Michael Gorman asks why there is no theory or model of the atonement called the new covenant model since this understanding of the atonement is likely the earliest in the Christian tradition going back to Jesus himself Gorman argues that most models of the atonement over emphasize the penultimate purposes of Jesus death and the mechanics of the atonement rather than its ultimate purpose to create a transformed Spirit filled people of God The New Testament s various atonement metaphors are part of a remarkably coherent picture of Jesus death as that which brings about the new covenant and thus the new community promised by the prophets which is also the covenant of peace Gorman therefore proposes a new model of the atonement that is really not new at all the new covenant model He argues that this is not merely an ancient model in need of rediscovery but also a more comprehensive integrated participatory communal and missional model than any of the major models in the tradition Life in this new covenant Gorman argues is a life of communal and individual participation in Jesus faithful loving peacemaking death Written for both academics and church leaders this book will challenge all who read it to re think and re articulate the meaning of Christ s death for us

Church as Fullness in All Things Mark W. Birkholz, Jonathan Mumme, Richard J. Serina, Jr., 2019-06-25 What is Lutheran ecclesiology The Lutheran view of the church has been fraught with difficulties since the Reformation Church as Fullness in All Things reengages the topic from a confessional Lutheran perspective Lutheran theologians and clergy who are bound to the Holy Scriptures and the Lutheran Confessions explore the possibilities and pitfalls of the Lutheran tradition's view of the church in the face of contemporary challenges The contributors also take up questions about and challenges to thinking and living as the church in their tradition while looking to other Christian voices for aid in what is finally a common Christian endeavor The volume addresses three related types of questions faced in living and thinking as the church with each standing as a field of tension marked by disharmonized though perhaps not inherently opposite poles the individual and the communal the personal and the institutional and the particular and the universal Asking whether de facto prioritizations of given poles or unexamined assumptions about their legitimacy impinge the church Lutherans seek the volume closes with Anglican Reformed and Roman Catholic contributors stating what their ecclesiological traditions could learn from Lutheranism and vice versa *Grounded in the Body, in Time and Place, in Scripture* Jill Firth, Denise Cooper-Clarke, 2021-02-01 In my bibliographies there are no women in the evangelical tradition and no Australian women scholars This unique volume addresses this gap with eighteen biblically rich and academically rigorous chapters by established and emerging Australian women scholars in the evangelical tradition The authors consider our relationship with

the land and Indigenous peoples neighborhood embodiment disability abortion leadership work architecture the media Song of Songs and domestic violence and Jeremiah and weaponized rape and demonstrate recent methodologies such as a social identity reading of Exodus sensory readings of Psalms and John's Gospel and discipleship readings of Mary and Martha and the woman at the well A contemporary Kriol psalm and stories of pioneering Australian women theological students and teachers complete the volume Valuable for students and teachers across Bible theology ministry and practice subjects this book is an essential inclusion in any theological library **Jairus's Daughter and the Haemorrhaging Woman** Arie W. Zwiep, 2019-06-05 In this work Arie W. Zwiep examines the gospel stories of the raising of Jairus's daughter and the healing of the haemorrhaging woman Mark 5:21-43 Matt 9:18-26 Luke 8:40-56 from a plurality of sometimes conflicting interpretive strategies to demonstrate the need and fruitfulness of a multi-perspectival exegetical approach Among the various diachronic and synchronic methods that are being applied in this study are philological criticism form criticism and structural analysis tradition and redaction criticism orality studies and performance criticism narrative analysis textual criticism and the study of intertextuality Such a comprehensive approach it is argued leads to an increased knowledge and a deepened understanding of the ancient texts in question and to a sharpened awareness of the applicability of current scholarly research instruments to unlock documents from the past **Acts of the Apostles and the Rhetoric of Roman Imperialism** Drew W. Billings, 2017-07-25 Billings demonstrates that Acts was written in conformity with broader representational trends found on imperial monuments and in the epigraphic record of the early second century *The Spirit of Jesus Unleashed on the Church* Ron Clark, 2016-01-05 The Spirit of Jesus Unleashed on the Church is the third book in a series concerning the restoration of Jesus people in a world where the marginalized classes longed for reconciliation to God After Jesus ascension the early Christians fulfilled Luke's epic theme of restoration in their new empire inclusion of outcasts and endurance during the resistance As Jesus journeyed to Jerusalem so Paul and the mission of God followed the journey to the capital of the Roman world God's people today are likewise empowered by the Spirit to boldly live their mission for Jesus through love compassion and endurance in cultures that marginalize those who need God's reconciliation *Humor in the Gospels* Terri Bednarz, 2015-05-05 Humor in the Gospels is the most comprehensive resource on Gospel humor to date Terri Bednarz reviews and critiques a 150 years of biblical scholarship on the subject from little known journal articles and out of print books to the most well respected classical works of today She covers a range of scholarly discussions on the various forms and functions of Gospel humor from frivolity to witty allusions to satirical barbs She examines the barriers of associating humor with the Gospel depictions of Jesus the difficulties of identifying humor in ancient biblical texts and the advances of literary contextual and rhetorical approaches to recognizing Gospel humor This important work includes an extensive bibliography for further study of Gospel humor in particular and Biblical humor in general David, Saul, and God Paul Borgman, 2008-04-16 The biblical story of King David and his conflict with King Saul 1 and 2 Samuel is one of the most

colorful and perennially popular in the Hebrew Bible In recent years this story has attracted a great deal of scholarly attention much of it devoted to showing that David was a far less heroic character than appears on the surface Indeed more than one has painted David as a despicable tyrant Paul Borgman provides a counter reading to these studies through an attentive reading of the narrative patterns of the text He focuses on one of the key features of ancient Hebrew narrative poetics repeated patterns taking special note of even the small variations each time a pattern recurs He argues that such hearing cues would have alerted an ancient audience to the answers to such questions as Who is David and What is so wrong with Saul The narrative insists on such questions says Borgman slowly disclosing answers through patterns of repeated scenarios and dominant motifs that yield finally the supreme work of storytelling in ancient literature Borgman concludes with a comparison with Homer s storytelling technique demonstrating that the David story is indeed a masterpiece and David as Baruch Halpern has said the first truly modern human

Forgiveness, Reconciliation, and Restoration Martin William Mittelstadt, Geoffrey W. Sutton, 2010-08-01 Although history is replete with tales of revenge Christian forgiveness provides an alternate response In this volume Pentecostal scholars from various disciplines offer their vision for forgiveness reconciliation and restoration The essayists offer long overdue Pentecostal perspectives through analysis of contemporary theological issues personal testimony and prophetic possibilities for restoration of individual relationships and communities Though Pentecostals remain committed to Spirit-empowered witness as recorded in Luke Acts these scholars embrace a larger Lukan vision of Spirit-initiated inclusivity marked by reconciliation The consistent refrain calls for forgiveness as an expression of God's love that does not demand justice but rather seeks to promote peace by bringing healing and reconciliation in relationships between people united by one Spirit
