The Ways Of The Alongsider Growing Disciples Life2life:

The Ways of the Alongsider Bill Mowry, 2016-06-02 Disciple making can be intimidating You might think that someone who makes disciples has to be a teacher a missionary or someone who is seminary trained Would it surprise you to know that disciple making is just a lifestyle in which you offer people love comfort and encouragement where they live work and play Despite our weaknesses and fears Jesus invites us to participate in the Great Commission by helping people live for Christ in the here and now All you have to do is live intentionally love God and journey alongside others life to life This ten week Bible study with discussion questions spells out the how of making disciples through an alongsider approach to life Discover and apply the practices of an alongsider such as reading the Bible with others asking questions telling stories encouraging application and living on mission The Ways of the Alongsider can be used with small groups in a class setting or in a one to one discipling relationship

Organically Don Detrick,2013-04-12 Follow me These two simple words spoken by Jesus are often needlessly complicated with theological psychological and sociological interpretations Using metaphors from organic farming Don Detrick believes that a less complicated organic approach for growing disciples makes sense Maybe Jesus just wants us to simply accept the clear invitation to follow him and experience the excitement and adventure of the journey Don s powerful book on spiritual formation is uniquely positioned for such a time as this in the church as younger generations are discovering that bigger churches do not guarantee spiritual formation in the life of attendees nor do they equate greater numbers with greater levels of spiritual passion Growing Disciples Organically addresses these honest questions Why don t people act more like Jesus after spending a lifetime attending or actively engaged in a local church Why can t we see that another sermon or class
