The Ways We Love Sheila A. Sharpe, 2004-01-28 This volume delineates a developmental theory of love relationships that provides a comprehensive approach to treating couples Drawing on her 30 years of clinical experience Sheila A Sharpe conceptualizes marriage and other committed partnerships as comprising multiple patterns of relating that develop over time in a parallel though interconnected fashion Seven universal patterns of intimate relating are identified nurturing merging idealizing devaluing controlling competing for superiority and competing in love triangles Sharpe demonstrates how these patterns originate in a person's early experience are reworked in different ways throughout life and express everyone's basic needs for both connection and separateness Supplying vital insights and tools for therapeutic work the volume offers the clinician a multifaceted perspective on how couple relationships grow and what happens when their growth becomes derailed

The Way We Love Stuart Friedman, 2012-05-01 This is a realistic story of human passion and weakness behind the ultramodern facade of a big city hospital the saga of Kurt Severtson a brilliant surgeon who feels duty bound to prevent a whitewash of a bungled operation by his chief Dr Tolliver There's Donna Tolliver's wife hot vibrant and eager to love who thrusts herself wantonly into Severtson's life And Marti his mistress who gives him everything a woman can give love loyalty passion But above all there is Severtson's guilty conscience Has he the right to expose a colleague's professional mistake when his own personal life is not above reproach

Logic and the Way of Jesus Travis Dickinson, 2022-02-15 The major claim of Dickinson's work is that if we embrace the life of the Christian mind we can impact this world for the cause and kingdom of Christ

In the Image of God Shirley Mayhood, 2022-05-02 We were created in the image of our Creator It was a perfect and loving relationship but when Adam and Eve chose evil over that relationship with their Creator that image of God we were created with was lost to us In our world today many Christians are more attuned to the world than to God's Word Many seem to have the attitude that because they are in the world they must be like the world But this world is not anything like God and Christians need to come to the certain knowledge that they are in the world but not of the world We as God's kids are not to live in the image of a lost world careening into a dark and bottomless pit of pure evil Jesus Christ became our atoning sacrifice so that you and I can return to that original image of God that we were created to be This ought to be our goal in life to be like God to do our very best to live in the image of God This book is a daily devotional of biblical attitudes characteristics of Jesus Christ the deep meaning and example of God's amazing precepts and loving actions God gave us a book to show us His right and loving law but when Jesus came He condensed all of the Father's law into just two Jesus said to him You shall love the Lord your God with all your heart with all your soul and with all your mind This is the first and great commandment And the second is like it You shall love your neighbor as yourself On these two commandments hang all the Law and the Prophets Matthew 22:37-40 It is my
