Thaddeus Tad Darkin, the Duke of Lambeth, used to be a rake. In fact, before Lord Edon was scandalizing the Ton, Tad was the one everyone was talking about. Many gentlemen secretly wished they had his charm with the ladies. All reputable ladies were warned to stay as far from him as possible, which only made him all the more attractive. Then, after a tragic event, he took a vow of celibacy, promising he would never be intimate with another lady again. Over the years, this caused him to be the most sought-after single gentleman in all of London. And even though he doesn't want to marry, his steward left him in financial ruin, so whether he likes it or not, he must take a wife. After being rejected by the gentleman she was hoping to marry, Miss Loretta Bachman is on a mission to save her reputation. She needs to marry someone who will impress the prestigious ladies in her social circle. So when she catches the leader of the group talking about the very handsome and hard-to-get Duke of Lambeth, she's determined to get him to marry her. All she needs is a little bargaining power, and fortunately for her, she happens to have the money he needs to save his estate. When she learns of his vow to remain celibate, she agrees to keep away from his bed. After all, her only reason for marrying him is to secure her social standing in London, not to have a love match. All she asks is that he pretends to be deeply in love with her when they're in public. That way, she will succeed in impressing the Ton. But before long, the lines between what is pretend and what is real start to blur, and it's hard to decide how far to push the limits of their agreement. *Married In Haste* Ruth Ann Nordin, 2017-12-30

With his twenty-sixth birthday quickly approaching, he begins to wonder if his future will ever hold the love match he's been searching for over the past three years. Miss Ava

Baynes fell in love with Brad the moment she met him but with one little accident at the ball her chances of being his wife is no longer within her reach That is until his brother picks her for the scandal he had planned for Brad On the surface it would seem as if fate is lending her a helping hand Except she knows that fate has nothing to do with this It s the result of a conniving brother who is out for revenge Now she has to marry a gentleman who probably resents having to spend the rest of his life with her and she just knows he ll never love her because unlike him her world doesn t have anything to do with order or predictability
