The Wisdom Of The Ego:

The Wisdom of the Ego George E. Vaillant, 1998-07-21 A preeminent American psychiatrist draws on his famous Study of Adult Development to give an exhilarating look at how the mind's defenses work What we see as the mind's trickery Vaillant tells us is actually healthy What's more it can reveal the mind at its most creative and mature soothing and protecting us from unbearable reality *The Ego Is Not the Real You* David R. Hawkins, M.D., Ph.D., 2021-08-31 Learn to let go of the illusions of the ego and discover the real you with this collection of inspiring quotes on the ego mind and spiritual enlightenment from human consciousness expert Dr David R Hawkins Are you willing to let go of seeing yourself as the ego believes you to be Are you willing to go further to know that the ego itself is an illusion In this book select teachings from Dr David R Hawkins's extensive body of work will guide you in the process of realization surrender and transformation When we let go of the old ways of thinking our attachments and the false promises of the ego we discover the truth that we are one with All Features classic passages including It is not really necessary to subdue the ego but merely to stop identifying with it Every life experience no matter how tragic contains a hidden lesson When we discover and acknowledge the hidden gift that is there a healing takes place Enlightenment is not a condition to be obtained it is merely a certainty to be surrendered to for the Self is already one's Reality It is the Self that is attracting one to spiritual information To be enlightened merely means that consciousness has realized its most inner innate quality as nonlinear subjectivity and its capacity for awareness The only energy that has more power than the strength of the collective ego is that of Spiritual Truth This book is small in size but it can have a massive impact on your life It will take you through the process of a total transformation of consciousness if you choose to apply its teachings deeply within yourself From the Introduction by Fran Grace Ph D **The light of Egypt; or, The science of the soul and the stars, by '+5'** Thomas H.
