The Witness of Preaching, Third Edition Thomas G. Long, 2016-10-01 This is a newly revised edition of one of the standard introductory preaching textbooks on the market today Beginning with a solid theological basis veteran preacher and best selling author Thomas G Long offers a practical step by step guide to writing a sermon Long centers his approach around the biblical concept of witness To be a preacher Long posits is to be a witness to God's work in the world one who sees before speaking one whose task is to tell the truth the whole truth and nothing but the truth about what is seen This updated edition freshens up language and anecdotes contains an extensive new analysis of the use of multimedia and its impact on preaching and adds a completely new chapter on plagiarism in preaching Included for the first time are four complete sermons with Long's commentary and analysis The sermons were written and originally preached by Barbara Brown Taylor Cleophus J LaRue Ginger Gaines Cirelli and Edmund Steimle With this third edition *The Witness of Preaching* reaffirms itself as the essential resource for seminary students as well as new and experienced preachers

The Mission of Preaching Patrick W. T. Johnson, 2015-02-25 We hear plenty of discussion about missional theology missional leadership and missional church planting But what about missional preaching In this groundbreaking work Patrick W T Johnson develops a new missional homiletic to aid preachers in their witness to the gospel of Jesus Christ in this post Christendom world

The Sacramentality of Preaching Todd Townshend, 2009 In the time of the church transformation renewal and the process of coming to faith rely on the symbolic efficacy of speech where God is encountered as a word *The Sacramentality of Preaching* examines the thought of Louis Marie Chauvet and incorporates it into contemporary homiletical theory in order to bolster and renew Christian proclamation that has an intentionally sacramental character Liturgical preachers will find practical pathways frameworks and common language through the use of this innovative sacramentology

"This is My Body." A sermon ... Second edition Charles Cator, 1839

The Fully Alive Preacher Mike Graves, 2006-01-01 Mike Graves begins this book with the question If preaching is intended to enliven the church why is it killing so many ministers His answer Because preaching has become divorced from the vitality and diversity of the preacher's daily life He invites preachers to

discover how preaching can be renewing rather than draining *Overcoming Sermon Block* William Powell

Tuck,2014-04-07 When called on to preach whether you are a pastor or lay preacher do you sometimes find yourself blocked Writer s block is a common complaint from many authors They reach a point sometimes when they simply cannot produce anything worth reading Preachers often encounter this same kind of roadblock when they attempt to prepare sermons William Powell Tuck With this opening sentence Dr Tuck brings his many years of experience as professor and pastor and freely gives some nuts and bolts of sermon preparation and pots and pans essential for effective preaching This book is not about the philosophy or theology of preaching but about preparing for writing and preaching a sermon While the reader may quickly find a solution to this week s sermon Dr Tuck also gives ideas and plans for long term preparation to open a new pathway moving sermons from a burden to a blessing for the writer as well as the intended listener Anyone called to preach can benefit from reading this book **An Introduction to Ministry** Ian S. Markham,Oran E. Warder,2016-01-19 An

"Truth through Personality" Charles W. Fuller,2010-04-05 In an era when the cult of personality has overtaken the task of preaching Charles W Fuller offers an engaging query into the necessary boundaries between the person of the preacher and the message preached By thoroughly evaluating Phillips Brooks s classic truth through personality definition of preaching Fuller brings to light a substantial error that remains in contemporary homiletics namely the tenuous correlation between Christ s incarnation and Christian preaching Ultimately Fuller asserts a sound evangelical framework for preaching on revelational ontological rhetorical and teleological grounds Preachers who desire to construct pulpit practice upon a robust evangelical foundation will benefit from Fuller s contribution SCM Studyguide: Liturgy, 2nd Edition Stephen

Burns,2018-09-07 The SCM Studyguide Liturgy 2nd Edition is an introduction to liturgy that considers the basic buliding blocks needed to grasp the subject area It outlines the essential shape and content of Christian worship and explores a range of liturgical dynamics of which both students of liturgy and leaders of liturgy need to be aware This 2nd edition of the popular Studyguide is fully revised updated and expanded The book takes account of new developments in scholarship engages with new contexts for liturgical celebration notably fresh expressions as part of a mixed economy of church

encompasses recent revisions in liturgy and seeks to broaden the engagement beyond the British context to consider the wider global context Preaching and the Mission of God David R. Fields, 2023-03-16 In an age divided and skeptical when the true Christian story is often unknown or deeply misunderstood how do we even begin to share the news of Jesus And how might preaching in a local church both equip God's people for their missional task and speak in a way that a weary world can hear and even rejoice in The answer begins with seeing the Bible as a document developed in a missionary context for a missionary purpose This book starts there It begins by examining the Bible as a document of mission that needs to be interpreted through a missional lens It then moves to offer a mission shaped vision for preaching and the needed tools for contextualizing the gospel in our post Christendom setting You'll find short accessible chapters with personal reflection questions as well as three group discussion sections ideal for either a classroom setting a preaching team in a local church or a preacher's guild *The witness of God, 5 sermons* Thomas Dehany Bernard, 1863 **Good News Preaching** Jennifer Benjamin Brooks, 2025-10-01 In an update to her foundational work Good News Preaching Brooks frames the essential methodology of good preaching the importance of real transformative good news This second edition of Good News Preaching accounts for changes in the landscape of church and culture including a global pandemic and shrinking congregations and argues that the good news of God's grace and liberation is ever more essential for Christian discipleship

Stumbling over the Cross Joni S. Sancken, 2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world The Rhetoric of the Gospel, Second Edition C. Clifton

Black, 2013-07-29 While most books on biblical rhetoric focus primarily on the epistles this volume from prominent scholar C Clifton Black considers the variety of rhetorical critical approaches now being applied to the Gospels including Luke Acts This updated edition takes into account recent research since the first volume was published in 2001 and features two brand new chapters Black provides an overview of the different forms of rhetorical criticism with examples from the Gospel of John studies of characterization in Matthew and Luke an analysis of classical rhetorical criteria found in Mark and Luke Acts and

an analysis of the rhetoric of the parables with implications for contemporary preaching **The Present Preacher** Liz Shercliff, Matt Allen, 2021-09-30 Good preaching depends on being attentive to God to the Bible to the congregation to the context to what influences and shapes the preacher This practical confidence building guide is for all who want to develop their preaching by homing in on that which points to God in the now Encouraging preachers in the ways that will make authentic connections with others it demonstrates that preaching in today s culture requires preachers to show up and be present in person rather than speak in role or act as religious spokespersons who take no responsibility for their message Based on the authors own training of ordinands it offers Insights on how to develop the habit of noticing God in the world Strategies for opening up and finding fresh meaning in familiar Bible texts Ways of understanding what influences your congregation and your own theology Sample sermons that embody these principles **From Seed to Fruit (Revised and Enlarged Second Edition)** J. Dudley Woodberry, 2008-06-01 The revised and enlarged second edition of J Dudley Woodberry s *From Seed to Fruit* expands on the next stage of the ongoing collaborative research and reflections of many people from many organizations desiring to bless Muslims Seven additional chapters survey major trends in global Islam today and explore themes that prove to have considerable influence on fruitfulness including a new chapter on building Christlike relationships with Muslims The Global Trends Research Group has continued to update the demographic materials on Muslim people groups their access to Christian witness and when and how Christian groups covenant to provide meaningful access *From Seed to Fruit* presents the most recent worldwide research on witness to Christ among Muslim peoples using biblical images from nature to show the interaction between God s activity and human responsibility in blessing these peoples *The Truth and the Witness* Montague Blamire Williamson, 1895 *Speaking Together and with God* John S. McClure, 2018-04-09 Ours is a time of unprecedented pessimism regarding the possibility of achieving consensus around moral issues Christian liturgical practices which are grounded in a communicative economy of love and mercy contain wisdom that might be of significant help What difference might it make if we confessed sin learned epistemic humility worked at overcoming self deception interceded for others learned to go beyond empathy to compassion and advocacy for the well being of all persons became willing to look beyond the possible for solutions etc and learned from the best homiletical practices how to justify and apply moral positions within an ethic of hospitality and care *Speaking Together* focuses on the roles that liturgical practices play in promoting genuinely communicative understanding oriented forms of action and explores how liturgical practices contribute to sincere multi perspectival empathetic and truth seeking conversations regarding moral norms in an increasingly pluralistic world What this means is that our liturgical practices are a way of speaking together and this shapes how we organize and inhabit a shared social life
