Erickson,1996-02-01 A respected author offers this detailed well documented exploration of the person of Christ that is accessible for laypersons and stimulating for academics Top notch reading *The Word Became Flesh* Graham Jackman,2016-12-16 The title of this book taken from John 1:14 is normally taken to refer to the notion of incarnation which understands the word as a pre-existent Son of God and becoming flesh as the transformation of this word from a heavenly divine existence to the life of a human being Against this conventional interpretation the author argues that John's use of the term word really does refer to an act of speaking God's expression of His will and that becoming flesh describes the realisation or embodiment of His intentions from creation onward in a form perceptible to human senses not only in the flesh of Jesus but also in historical reality in the world of men This has implications for other aspects of John's

Gospel including its historicity its literary form and its relationship to the Old Testament and leads to very different conclusions about the central issue in John's Gospel the person of Jesus and his relationship to God the Father and to those who believe in him

The Word Became Flesh Andrew Willard Jones, 2019-05-13 This book follows the USCCB's framework for Who Is Jesus Christ and is written by Andrew Willard Jones It answers the question of who Jesus is and what that means for the life of the reader It features source documents such as key sections from Vatican II's Dei Verbum and Lumen Gentium and as well as Augustine's De Trinitate On the Trinity and more About the series The Formed in Christ series is a solid and faithful resource that provides a thorough treatment of the Catholic faith and the various branches of theology Teachers may use this series to draw lessons for all core curriculum

subjects in the USCCB's doctrinal framework for high school level theology. Each book in the Formed in Christ series is written at a high school age appropriate level and includes further reading from magisterial or other orthodox sources ranging from the Church Fathers to books published within the last ten years along with discussion and reflection questions. Also included in each book is a challenges section which follows from the USCCB's suggestions for apologetic topics for each course. The simple structure of the Formed in Christ series is meaningfully designed to allow teachers to build their own course or to use these books as a supplement. It means they can also be used by homeschoolers or religious educators by the beginner armchair theologian or by the college or high school student for independent or group study. The versatility inherent in these books means that they are not only for a high school classroom but for anyone willing to put in the work to learn more about the truths of the faith.
