The Victoria Cross Shire Library:

The Complete Victoria Cross Kevin Brazier, 2015-09-30 This fully revised paperback edition of the complete chronological record of VC holders is an essential work of reference for every student of military history All the British and Commonwealth servicemen who have been awarded the highest honour for exceptional acts of bravery and self sacrifice are commemorated here The first VCs awarded for the Crimean War and in the nineteenth century colonial wars are described as are the VCs awarded in the world wars of the twentieth century and the most recent VCs awarded during present day conflicts in Iraq and Afghanistan The extraordinary exploits recounted in this fascinating book make unforgettable reading **The Victoria**

Crosses that Saved an Empire Brian Best, 2016-06-19 The Indian Mutiny struck at the very heart of the British Empire If India was lost the whole edifice of British domination across its colonies was in jeopardy Everything was at stake Britain's leading role in the world its international commerce and the reputation of its armed forces Across the globe Britain ruled only through the compliance of the subordinate nations but if India could throw off the imperialist yolk others might also rebel The very fate of the Empire hung in the balance The situation was considered to be so serious that the British authorities extended the warrant of the newly created Victoria Cross to include anyone even civil servants who performed prodigious acts of valour to save India and save the Empire A total 182 VCs were awarded during the Mutiny the same number as in the whole of the Second World War climaxing in one day at Lucknow when twenty four men displayed extraordinary valour to raise the siege the most VCs ever won in a single day This is the story of those few months between May 1857 and June 1858 when the world turned its gaze upon the jewel in Victoria's crown and 182 men soldier sailor and civilian wrote their names into the history books **The Sten Gun** Leroy Thompson, 2012-09-20 The Sten submachine gun officially the Carbine

Machine Sten was developed to fulfill the pressing British need for large quantities of cheaply produced weapons after Dunkirk when German invasion was a very real possibility Over four million were built during World War II and the Sten was widely used by airborne troops tankers and others who needed a compact weapon with substantial firepower It proved especially popular with Resistance fighters as it was easy to conceal deadly at close range and could fire captured German ammunition with a design so simple that Resistance fighters were able to produce them in bicycle shops Featuring vivid first hand accounts specially commissioned full colour artwork and close up photographs this is the fascinating story of the mass produced submachine gun that provided Allied soldiers and Resistance fighters with devastating close range firepower

The British Sailor of the First World War Quintin Colville, 2015-04-10 In 1914 Great Britain had the largest and most powerful navy the world had ever seen a well known fact but what of the everyday experience of those who served in her This fully illustrated book looks at the British sailor's life during the First World War from the Falkland Islands to the East African coast to the North Sea Meals in the stokers mess and the admiral's cabin the claustrophobic terrors of the engine room or submarine the long separations from loved ones that were the shared experience of all ranks the perils faced by Royal Naval

Air Service pilots in the air the possessions treasured by sailors while at sea drawing on a wealth of previously unpublished materials from the National Maritime Museum archives this is an authoritative and vivid account of lives lived in quite extraordinary circumstances **Victoria Crosses on the Western Front** Paul Oldfield,2022-09-15 In the past while visiting the First World War battlefields the author often wondered where the various Victoria Cross actions took place He resolved to find out In 1988 in the midst of his army career research for this book commenced and over the years numerous sources have been consulted Victoria Crosses on the Western Front Second Battle of Bapaume is designed for the battlefield visitor as much as the armchair reader A thorough account of each VC action is set within the wider strategic and tactical context Detailed sketch maps show the area today together with the battle lines and movements of the combatants It will allow visitors to stand upon the spot or very close to where each VC was won Photographs of the battle sites richly illustrate the accounts There is also a comprehensive biography for each recipient covering every aspect of their lives warts and all parents and siblings education civilian employment military career wife and children death and burial commemoration A host of other information much of it published for the first time reveals some fascinating characters with numerous links to many famous people and events *Catalogue of the Books in the Circulating Library ...* Toronto Public Libraries,1904
