The Vietnam War Revised 2nd Edition:

The Vietnam War Mitchell K. Hall, 2014-07-22 The Vietnam War examines the conflict from its origins through to 1975 and North Vietnam's victory. This new revised edition is completely up to date with current academic debates and includes new source material. Mitchell Hall explores all the key elements of the conflict including US motivations for entering the war and the military strategies employed. The role of the media. The rise of domestic opposition. The war's impact in the US and Vietnam. Mitchell Hall provides numerous insights into the political decisions of the Vietnamese communists and Vietnam's relations with other major powers particularly China and the Soviet Union. The main text is supported by a comprehensive documents section and a range of study tools including a Chronology of events. Who's Who. a Glossary of terms and a Further Reading section. Concise yet thorough the book provides students with an accessible and stimulating introduction to the war.

The Vietnam War Mitchell Hall, 2018-03-19 The Vietnam War examines this conflict from its origins up until North Vietnam's victory in 1975. Historian Mitchell K. Hall's lucid account is an ideal introduction to the key debates surrounding a war that remains controversial and disputed in American scholarship and collective memory. The new edition has been fully updated and expanded to include additional material on the preceding French Indochina War, the American antiwar movement, North Vietnamese perspectives and motivations, and the postwar scholarly debate. The text is supported by a documents section and a wide range of study tools including a timeline of events, glossaries of key figures and terms, and a rich further reading section accompanied by a new bibliographical essay. Concise yet comprehensive, The Vietnam War remains the most accessible and stimulating introduction to this crucial 20th century conflict.

The Complete Idiot's Guide to the Vietnam War, 2nd Edition Timothy P. Maga Ph.D., 2010-09-07 A long ago war still relevant today. Misunderstanding remains and a lot is still unknown of the Vietnam War. The Complete Idiot's Guide to the Vietnam War Second Edition provides an updated and revised guide giving readers the facts. It assesses policies and the reasons for them, shedding light on the controversies regarding the Vietnam War, what has been called the most complicated armed conflict of the 20th century. It offers a big picture look at the politics, public figures, and history of the war in Southeast Asia. Present tense relevance of Vietnam to the current wars in which the United States

and the rest of the world is involved Clarification of details for those who lived through it and an explanation for younger generations

The European Union Since 1945 Alasdair Blair, 2014-05-12 The European Union faces a crossroads in the twenty first century While there is evidence of declining enthusiasm for European integration the EU plays an increasingly vital role in tackling problems that can no longer be dealt with at member state level In recent years the EU has developed a stronger foreign security and defence policy and has had to face up to the challenges of tackling organised crime human trafficking and drug smuggling In this fully updated new edition Alasdair Blair examines the economic political social and personal factors that have shaped the process of European integration from the end of the Second World War until the Lisbon Treaty in 2009 Written in a clear and jargon free style the book explores The context of European integration and expansion The relations between the European Union and its member states The institutional evolution of the European Union Methods of decision making Key policies of the European Union The future direction of the European Union Comprehensive and accessible this book is an essential guide to understanding the relevance of the European Union in the twenty first century

The Encyclopedia of the Vietnam War Bloomsbury Publishing, 2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today s world Now in its second edition The Encyclopedia of the Vietnam War A Political Social and Military History adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO

Identity, Diaspora and Return in American Literature Maria Antònia Oliver-Rotger, 2014-09-19 This volume combines literary analysis and theoretical approaches to mobility diasporic identities and the construction of space to explore the different ways in which the notion of return shapes contemporary ethnic writing such as fiction ethnography memoir and film Through a wide variety of ethnic experiences ranging from the Transatlantic Asian American Latino a and Caribbean alongside their corresponding forms of displacement political exile war trauma and economic migration the essays in this collection connect the intimate experience of the returning subject to multiple locations historical experiences inter subjective relations and cultural interactions They

challenge the idea of the narrative of return as a journey back to the untouched roots and home that the ethnic subject left behind Their diacritical approach combines on the one hand a sensitivity to the context and structural elements of modern diaspora and on the other an analysis of the individual psychological processes inherent to the experience of displacement and return such as nostalgia memory and belonging In the narratives of return analyzed in this volume space and identity are never static or easily definable rather they are in process and subject to change as they are always entangled in the historical and inter subjective relations ensuing from displacement and mobility This book will interest students and scholars who wish to further explore the role of American literature within current debates on globalization migration and ethnicity **The Tet**

Offensive William Thomas Allison,2010-04-26 Through primary sources William Thomas Allison explores the Tet Offensive through political military and public lenses to give students the most well rounded view of the event possible **Vietnam War** James H. Willbanks,2017-11-16 This detailed two volume set considers the Vietnam War one of America s longest and bloodiest wars from a topical perspective addressing the main characters and key events of the war and supplying many relevant primary source documents The Vietnam War not only claimed the lives of nearly 60 000 Americans and more than a million Vietnamese but the prolonged conflict also resulted in a firestorm of protest at home that shook the foundations of the country and made U S citizens question the moral principles and motivations behind our foreign policy and military actions Written in a very accessible style by recognized authorities on the war Vietnam War A Topical Exploration and Primary Source Collection provides students and general readers with a complete overview of the conflict in Vietnam a broad topic that remains an important part of the American history and world history curriculum Using a topical approach to cover all aspects of the war the set enables students to see the complete picture of the conflict through its presentation of reference entries and documents arranged in cohesive compelling chapters Examples of the primary documents in the set include Communist Party Evaluation of the Tet Offensive 1968 and President Richard Nixon s Speech on Vietnamization 1969 These primary sources are augmented by oral histories of soldiers who fought in the Tet Offensive Additionally maps and images in each section enhance the aesthetic appeal of the book and heighten students understanding of the material Readers will come away with both a strong comprehension of the Vietnam War as well as an appreciation for how significant this proxy conflict was as a lead up event to the global Cold War *US-China Strategic Competition* Muhammad Ali Baig,2025-02-18 The book maps the strategic competition between the U S and China its history and the contemporary outlook of their armed forces It analyses the wars fought by each of these forces their military operations operations other than war and draws up a comparative analysis between the military doctrines of both nations The author examines the implications of American and Chinese military doctrine and the varying degrees of cooperation competition and potential conflict in the Western Pacific Finally the book argues for possibilities of cooperation between the two superpowers and suggests ways of minimising potential future conflict The volume will be of great interest to scholars and researchers of international relations military

and strategic studies and Asian studies **Vietnam's American War** Pierre Asselin, 2024-06-13 The American war in Vietnam was so much more than the sum of its battles To make sense of it we must look beyond the conflict itself We must understand its context and above all the formative experiences worldview and motivations of those who devised communist strategies and tactics Vietnam's American War now in its second edition remains a story of how and why Hanoi won However this revised and expanded edition offers more extensive and nuanced insights into Southern Vietnamese history politics and society It puts to rest the myth of Vietnamese national unity by documenting the myriad profound local fractures exacerbated by US intervention It also includes over thirty five new images intended to highlight that the Vietnam War was fundamentally a Vietnamese civil war and tragedy This new edition is as richly detailed as its original eye opening and absorbing

Voices of A People's History of the United States Howard Zinn, Anthony Arnove, 2009 This updated companion to Howard Zinn's classic A People's History of the United States Harper Perennial 2005 brings together the powerful words and actions of women and men of all races and creeds who though mostly powerless themselves have made change in America across the centuries The original source book for Matt Damon's The People Speak series on The History Channel this classic work from Zinn is a major new release **The Year That Broke Politics** Luke A. Nichter, 2023-08-01 The unknown story of the election that set the tone for today's fractured politics A fresh authoritative analysis of a pivotal election year Kirkus Reviews The 1968 presidential race was a contentious battle between vice president Hubert Humphrey Republican Richard Nixon and former Alabama governor George Wallace The United States was reeling from the assassinations of Martin Luther King Jr and Robert F Kennedy and was bitterly divided on the Vietnam War and domestic issues including civil rights and rising crime Drawing on previously unexamined archives and numerous interviews Luke A Nichter upends the conventional understanding of the campaign Nichter chronicles how the evangelist Billy Graham met with Johnson after the president's attempt to reenter the race was stymied by his own party and offered him a deal Nixon if elected would continue Johnson's Vietnam War policy and also not oppose his Great Society if Johnson would soften his support for Humphrey Johnson agreed Nichter also shows that Johnson was far more active in the campaign than has previously been described that Humphrey's resurgence in October had nothing to do with his changing his position on the war that Nixon's Southern Strategy has been misunderstood since he hardly even campaigned there and that Wallace's appeal went far beyond the South and anticipated today's Republican populism This eye opening account of the political calculations and maneuvering that decided this fiercely fought election reshapes our understanding of a key moment in twentieth century American history **Military Justice in Vietnam** William Thomas Allison, 2007 A concise look at how military justice during the Vietnam War served the dual purpose of punishing U S soldiers crimes and infractions while also serving the important role of promoting core American values democracy and rule of law to the Vietnamese *The OSS and Ho Chi Minh* Dixie R. Bartholomew-Feis, 2006 Some will be shocked to find out that the United States and Ho Chi Minh our nemesis for much of the Vietnam War were once allies

Indeed during the last year of World War II American spies in Indochina found themselves working closely with Ho Chi Minh and other anti colonial factions compelled by circumstances to fight together against the Japanese Dixee Bartholomew Feis reveals how this relationship emerged and operated and how it impacted Vietnam s struggle for independence Although the OSS did not bring Ho Chi Minh to power Bartholomew Feis shows that its apparent support for the Viet Minh played a significant symbolic role in helping them fill the power vacuum left in the wake of Japan s surrender Her study also hints that had America continued to champion the anti colonials and their quest for independence rather than caving in to the French we might have been spared our long and very lethal war in Vietnam Based partly on interviews with surviving OSS agents who served in Vietnam Bartholomew Feis s engaging narrative and compelling insights speak to the yearnings of an oppressed people and remind us that history does indeed make strange bedfellows

Webster's New World Dictionary of the Vietnam War Marc Leepson,Helen Hannaford,1999 Webster s New World Dictionary of the Vietnam War is the perfect desktop reference for students veterans and other interested readers who want the critical facts about the Vietnam War Hundreds of clear concise entries on the people places equipment and events provide readers with a solid foundation on this controversial period in U S history Resources include a handy chronological chart historically important documents such as the Paris Peace Accords and the Gulf of Tonkin Resolution a complete list of Medal of Honor recipients and the Orders of Battle for the U S North Vietnamese and South Vietnamese forces A detailed bibliography guides readers to respected texts on Vietnam War related topics such as Vietnam the Indochina War Dien Bien Phu strategies and tactics

Looking Back on the Vietnam War William Head,William P. Head,Lawrence E. Grinter,1993-07-13 This text is the first to closely compare and contrast the Gulf and Vietnam Wars on both the war and home fronts Widely respected experts give a balanced new perspective on the Vietnam War based on considerable new primary research to explain the salient factors that contributed to the decision making air and ground considerations and outcome This text carefully focused for classes in modern American history and military studies appraises the legacies of the Vietnam War that have been felt in the United States for the last two decades

Vietnam John Prados,2009 The first major synthesis of the war since 2001 drawing upon a host of newly declassified documents presidential tapes and overlooked foreign sources to give the most comprehensive look to date of the war that still haunts America

The Vietnam War Revised 2nd Edition Introduction

In today's digital age, the availability of The Vietnam War Revised 2nd Edition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Vietnam War Revised 2nd Edition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Vietnam War Revised 2nd Edition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Vietnam War Revised 2nd Edition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Vietnam War Revised 2nd Edition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Vietnam War Revised 2nd Edition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for

literature enthusiasts. Another popular platform for The Vietnam War Revised 2nd Edition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Vietnam War Revised 2nd Edition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Vietnam War Revised 2nd Edition books and manuals for download and embark on your journey of knowledge?
