

MR AND MRS VARNEY

our vows

24.04.21 | SUTTON FOREST

"Samantha Jade Trudgett, I promise to care for you and protect you, nurture you and support you, and to lift you up when you're feeling down.

I love your laugh, your smile and how when something is too cute, you just have to squeeze it.

You are my best friend, my better half, my confidant and my partner in crime, and I wouldn't have it any other way. I promise to respect you, cherish you and to help you navigate through life adventures, even if I don't have a map. I promise to always cringe when you start a sentence with 'hey babe', because I know you're about to tell me a terrible pun. There's nothing meowgical about those cat-astrophes. I promise to laugh with you, cry with you and grow old with you, but most importantly I promise that no matter what I'll always love you. I'm so proud that today I get to stand here and call you my wife. I love you Samantha."

William

"William Edward Varney, I promise to love you with my whole heart for the rest of our lives. I knew from the moment I laid eyes on you that it was the start of my greatest adventure and today I make these vows as we start the next chapter of our lives together. I promise to be your person always, to find food with you when you're hungry and never start the day before finding you coffee.

I promise to always encourage your dreams and passions (all of them) and to challenge you every single day. I promise to support you through life's ups, downs and Lupus flairs and to be your ultimate cheerleader always. I promise to be your calm when you're anxious, your sounding board when you need to be heard and your partner in life and love. Most of all I promise to love you in your entirety, without question and through the best and worst times of our lives. You are my present, my future and my forever."

[The Godfather and American Culture](#) Chris Messenger,2012-02-01 Mario Puzo s *The Godfather* is an American pop phenomenon whose

driving force is reflected not only in book sales and cable television movie marathons but also in such related works as the hit television series *The Sopranos*. In *The Godfather and American Culture* Chris Messenger offers an important and comprehensive study of this classic work of popular fiction and its hold on the American imagination. As Messenger shows, the Corleones have indeed become our gang, and we see our family business in America reflected in them. Examining *The Godfather* and its many incarnations within a variety of texts and contexts, Messenger also addresses Puzo's inconsistent affiliation with his Italian heritage, his denial of the multiethnic literary subject, and his decades-long struggle for respect as a writer in contemporary America. The study ultimately offers a way of looking at the much maligned genre of popular or bestselling fiction itself. By placing both the novel and films within a number of revealing critical situations, Messenger addresses the continuing problem of how we talk about elite and popular fiction in America and what we mean when we take sides.

Moving Frames Carrie Collenberg-González, Martin P. Sheehan, 2022-02-14 As the building blocks of moving pictures, photographs have played an integral role in cinema since the dawn of the medium, a relationship that has grown more complexly connected even as the underlying technologies continue to evolve. *Moving Frames* explores the use of photographs in German films from Expressionism to the Berlin School, addressing the formal and narrative roles that photographs play as well as the cultural and historical contexts out of which these films emerged. Looking beyond and within the canon, the editors gather stimulating new insights into the politics of surveillance, resistance, representation, and collective memory functioning through photographic rupture and affect in German cinema.
