The Waco Texas Biker Massacre A Fictional Account:

The Waco Biker Massacre That Guy, 2015-07-04 This is a fictional account of the incidents leading up to the Waco Biker Massacre. It is the largest mass murder of Americans by Law Enforcement Organizations Officers LEOs in this millennium. Waco, Texas, is a city known round the globe for massacre. The same for the ATF. On Sunday the 17th of May 2015 the North Texas Chapter of the Confederation of Motorcyclists and Motorcycle Clubs or COM and their families. These books will be very rare on the day that the truth is finally told. When people are holding their copies of the paperback short stories in their hands and saying that they were the true believers, no one can doubt that. This all came about because the LEOs were rushing the Rasputins and the Swords MCs to complete their patch over into the Californians MC. The Californians wanted a presence in Texas so that they could eventually push out Los Motos and become the number one club in Texas. The Rasputins and the Swords were having large recruitment drives and they were sloppy. They took in three ATF agents and numerous rats. The ATF wanted to use the patch over by the Rasputins as a Trojan horse. Their agents would get a free pass into the granddaddy of all 1%er clubs. It is the Holy Grail for the ATF. The Texas Department of Public Safety DPS wanted to crush the Confederation of Motorcyclists and Motorcycle Clubs COM MC in Texas. To advance all of these agendas the LEOs needed a virtual riot to break out between the Rasputins Swords and Los Motos while at a COM MC meeting. That riot would allow the LEOs to arrest everyone present. Los Motos would get the lion's share of the blame and their name would be mud. The COM MC would have to fold in Texas. In all the confusion the Californians would feel secure enough to patch over the Rasputins Swords and that would carry with it the ATF agents and the informants serving the various LEOs on the local and state levels. The Em R Biguns in Waco was the only place that fit all of the requirements. The parking lot was like a box canyon. Waco was perfect in that the LEOs had the total cooperation of the local judges, District Attorney's Office and the local Police Department. All the DPS had to do was get the meeting moved from Austin to Waco. Then all the ATF had to do was whip the Rasputins Swords into a frenzy and place them in the path of Los Motos. After the arrests the Texas AG will indict everyone on gang affiliation charges and that will sour all of them on COM MC forever. At that point it all went horribly wrong. The Los Motos have seen this trick numerous times in the past and sent the minimum contingent to the meeting. Just enough to quell any thoughts of violence but not enough to be seen as a provocation. The ATF picked the most volatile Rasputins and oiled them with liquor and drugs and pep talks. When Los Motos arrived they stepped into a hornets nest. But what set the massacre off? What caused the LEOs to panic and start shooting blindly into the crowd of bikers? One predominant theory is that one of the Rasputins was an ATF agent high on crank. Los Motos pointed him out, he panicked and shot a Motero while simultaneously yelling for help. The LEOs charged into the parking lot shooting everyone not wearing the specific identifier that the agent was known to wear. Another is that the LEOs had whipped the Rasputins into such a frenzy that one of them panicked and shot a Motero. Once the shot was fired the undercover agent signaled for help and the LEOs
