

PRACTICE 5: Correcting Capitalization Errors in a Paragraph (page 13)

I enjoyed reading your paragraph, you are the first person from central america i have met. i was living in chicago before i moved here last december. until now, everyone in my english classes came from asian countries, such as china, thailand, and vietnam, or from countries in the middle east. i would like to know more about your goals, for example, i want to know how a nurse is different from a nurse practitioner. i would also like to know how many science classes you need to take after biology 101 to become a nurse practitioner. in your paragraph, you say that your only special talent is speaking spanish, but i think you have other talents if you are going to work in the field of medicine. your science classes will enable you to get a job, but being able to take care of others is a very special talent.
