The Upper Room Dictionary Of Christian Spiritual Formation:

The Upper Room Dictionary of Christian Spiritual Formation Keith Beasley-Topliffe, 2017-02-01 This reference book compiled with the help of more than 50 scholars from many denominations provides a basic guide to Christian spiritual formation through more than 470 entries. It covers such subjects as great spiritual teachers of the past and present, important topics in Christian spirituality, and ways to pray and lead groups in prayer and spiritual growth. Containing enough information to get you started but not so many details as to overwhelm, the entries in this dictionary answer such questions as: What is spiritual formation? What is grace? How does it help me grow? What is centering prayer? How do I do it? Who is Hildegard of Bingen? What did she write? How can I grow in forgiveness? What are Fowler's stages of faith? What are other ways of talking about stages of spiritual growth? This dictionary also includes a chart that compares various Christian spiritual traditions, plus a list of significant spiritual classics by title and author. **Worship and Awe in Christian Psychology** Joshua J.

Knabb, 2026-01-27 Mental health resources increasingly focus on the self as the antidote to psychological suffering, offering strategies for prioritizing self care and self esteem. Yet as people focus more on the self, their suffering may actually worsen, as evidenced by the prevalence of mental health disorders today. According to Christian clinical psychologist Joshua Knabb, when people focus less on the self and more on God, their mental and spiritual health may improve. Combining up to date psychological research with theological reflection, this book helps readers better understand the role that awe pursued through the act of worship plays in optimal psychological and spiritual functioning. Knabb explains that at its core, Christian mental and spiritual health involves worshipful awe of God, which can be intentionally cultivated throughout the day. The book also includes practices for readers to try out and use in clinical contexts. **Worship and Awe in Christian Psychology** will benefit students in Christian counseling and psychology programs, mental health practitioners, and others who want to improve their mental and spiritual health from a Christian perspective. **Passing It On** Kara Lassen Oliver, 2015-08-01

Give your children the greatest gift of all: pass on your faith. In **Passing It On**, Kara Lassen Oliver provides a practical guide to help parents, grandparents, and other concerned adults nurture their children's faith. For four weeks at a time, she offers easy-to-follow suggestions for families during the seasons of Advent, Lent, summer, and back to school. This book features plans for weekly Family Gatherings with age-appropriate activities, symbols to remind family members of the week's spiritual emphasis, a suggested daily practice, and prayer for each week, a Leader's Guide for parent groups studying this book together. The most valuable legacy we can pass to our children, grandchildren, and other children is a spiritual heritage. Kara Oliver shows us how to do just that. **Life in Christ** Steve Harper, 2020-09-01 E. Stanley Jones observed that people know everything about life except how to live it. We humans have acquired immense knowledge and achieved great things. We are enlightened, Jones said, but not necessarily enlivened. Steve Harper has been mulling over this human situation for a few decades and offers his profoundly inspiring conclusions in **Life In Christ**. Harper helps us recognize our tendency to search for life through rules and

dogmas rather than in relationships with other people and with God By living in relationship we live as enlivened Christians the abundant life God intends for us and the life we long for He encourages us to see the spiritual life as a movement where we are always on the way taking steps forward to continually align our lives with Christ He shows us how Christ can be the goal and pattern for our lives motivating us to live as God's beloved and as instruments of God's love Harper provides a wealth of helps including a set of questions for reflecting on each chapter a discussion guide for conversing about the book in a group and extensive reading lists for further enrichment **Evangelical Pilgrims from the East** Sunggu Yang,2016-11-18 In this book Sunggu Yang proposes five socio ecclesial codes as unique faith fundamentals of Korean American Christianity Drawing from rigorous research and years of ecclesial experience Yang names the codes as follows the Wilderness Pilgrimage code the Diasporic Mission Code the Confucian Egalitarian code the Buddhist Shamanistic code and the Pentecostal Liberation code These five codes he asserts help Korean Americans sustain their lives culture faith and evangelical mission as aliens or pilgrims in the American wilderness Yang outlines how his five proposed codes serve as liberative and prophetic mechanisms of faith through which Korean Americans can contribute to racial harmony and cultural diversity in North America In this sense Korean American Christianity its theology and spirituality works not only on behalf of Korean Americans but also for the sake of all Americans Yang shows how the Korean American pulpit is the locus where these five codes appear most vividly **Relationship Is the Transformative Space** Darryl Wooldridge,2016-02-09 This book affirms relationship as the shared human elemental pursuit and proposes relationship as the transformative space Wonderfully the author asserts it is God's intention to fulfill this intrinsic human desire in the present in all of us and universally This desire is an often inarticulate innate desire and pursuit to enjoy and reflect the divine image in which every human being was created In this book this pursuit is referred to as proleptic spiritual transformation Pr ST That is this book demonstrates that what is too often relegated to eternity is available now Relationship is the Transformative Space considers God's heart in relationship and its implication toward human spirituality and how this intent has been interrupted and restored God is actively interested in the recovery of a fully expressed image in humanity **Christian Psychotherapy in Context** Joshua J. Knabb,Eric L. Johnson,M. Todd Bates,Timothy A. Sisemore,2019-03-29 Christian Psychotherapy in Context combines theology with the latest research in clinical psychology to equip mental health practitioners to meet the unique psychological and spiritual needs of Christian clients Encouraging therapists to operate from within a Christian framework the authors explore the intersection between a Christian worldview and clients emotional struggles drawing from sources including both foundational theological texts and the common factors psychotherapy literature Written collaboratively by two clinical psychologists an academic psychologist and a theologian this book paves the way for psychotherapeutic practice that builds on Christian principles as the foundation rather than merely adding them to treatment as an afterthought **The Way of Grace** John Indermark,2004 In this fresh approach to the Gospel of John you are invited to travel with 8 biblical

characters or groups of characters who discover God's grace through their encounters with Jesus including Andrew Nicodemus the lame man Mary and Martha and others *The Way of Grace* offers transforming interaction with the biblical events and characters opening our hearts to a deeper understanding of God's grace *The Way of Prayer* Jane E. Vennard, Stephen D. Bryant, 2006 Many Christians have a limited vision of prayer *The Way of Prayer* a 10 week study offers many forms of prayer to explore and practice both individually and as a group People with various temperaments spiritual types and learning styles will find expressions of prayer that draw them closer to God while learning to integrate body mind and spirit in prayer *Andrews University Seminary Studies* Andrews University.
