The Windmill Of Time A Time Travel Memoir:

The Windmill of Time Jeffrey A. Goldberg, 2017-04-02 What if you had the opportunity to return to the past in a universe with time travel We all have regrets what might have been could have been or should have been things we wish we hadn't said or done and things we wish we had The Windmill of Time is a time travel memoir based on the relationship of Jeffrey Goldberg and Laureen Shigeko Tanaka during 1970-1974 at Southampton College LIU In 2010 Jeffrey learns that his college sweetheart has died when he searched her name in Google All the memories emotions guilt and regrets for Laureen that he had repressed for the past 35 years suddenly come back to haunt him It's 2043 and the government is sending the elderly back in time to reduce the drain on Social Security and Medicare Ninety-two year old Jeffrey Goldberg embarks on a journey back to 1971 and his twenty-year-old body Once united with his former self Jeffrey has but one goal alter his past and correct the mistakes that caused him to lose his first love Laureen But present and future collide as Jeffrey ignores warnings from the scientists in 2043 and attempts to change major historical events Armed with his knowledge of the future and his memories of the past Jeffrey explores the paradoxes of time travel until he begins to question his very existence and the authorities begin to question where he came by his information If he tells them the truth he'll probably be locked up in a mental institution but if he doesn't come up with a reasonable explanation he could go to jail Either way his hopes of reliving his life with Laureen will be dashed The Windmill of Time begs the age-old question can love really conquer time
