The Winter of Our Discontent by John Steinbeck John Steinbeck, 1961 The Winter of Our Discontent is John Steinbeck's last novel published in 1961 The title comes from the first two lines of William Shakespeare's Richard III Now is the winter of our discontent Made glorious summer by this sun or son of York The story concerns mainly Ethan Allen Hawley of New Bay Town New York a former member of Long Island's aristocratic class Ethan's late father lost the family fortune and thus Ethan works as a grocery store clerk in the store his family once owned His wife Mary and their children resent their mediocre social and economic status and do not value the honesty and integrity that Ethan struggles to maintain amidst a corrupt society These external factors and his own psychological turmoil lead Ethan to try to overcome his inherent integrity in order to reclaim his former status and wealth Ethan's decision to gain wealth and power is influenced by criticisms and advice from people he knows His acquaintance Margie urges him to accept bribes the bank manager whose ancestors Ethan blames for his family's misfortunes urges him to be more ruthless Ethan's friend Joey a bank teller even gives Ethan a lesson on how to rob a bank and get away with it On discovering that the current store owner Italian immigrant Alfio Marullo may be an illegal immigrant Ethan makes an anonymous tip to the Immigration and Naturalization Service After Marullo is taken into custody he transfers ownership of the store to Ethan through the actions of the very government agent that caught him Marullo gives Ethan the store because he believes Ethan is honest and deserving Ethan also considers plans and mentally rehearses a bank robbery failing to perform it only because of external circumstances Eventually he manages to become powerful in the town by taking possession of a strip of land needed by local businessmen to build an airport he gets the land from Danny Taylor the town drunkard and Ethan's childhood best friend by a will made by Danny and slipped under the door of the store The will was drawn without any spoken agreement some time after Ethan gave Danny money for the purpose of sending Danny to receive treatment for alcoholism Danny assures him that drunks are liars and that he will just drink the money away and this is indeed confirmed when Danny is found dead with empty bottles of whiskey and sleeping pills

Room for Good Things to Run Wild Josh Nadeau, 2025-02-11 Room

for Good Things to Run Wild is the antidote to widespread Christian malaise If you feel like life is happening to you that your faith has been reduced to trite platitudes and that no matter how many new things you try you still end up with a dissatisfying Christian life this book offers relief from the mediocrity of Christian living through the sacred and satisfying journey of becoming an every day saint After spending too many days staring at the hamster cage of his uninspired life through the bottom of a glass of Scotch Josh Nadeau knew there were only 2 ways left to go further down or finally up Disillusioned by his faith and disenchanted by the world around him Josh chose up out of a desperation to discover the Jesus who had formed the saints of old Steeped in literature and doctrine art and raw daily life and accompanied by original illustrations and living liturgy this book will bring you on the journey back to an embodied theology that understands that we know not just with our minds but also with our bodies From Canada to England to Ireland and Spain Josh follows the Jesus Way teaching you how to be just as honest about the pain of your life as the pleasure of your life Rediscover the full and wild world that God has created for you in the way He has created you to experience it Room for Good Things to Run Wild is a call into the Holy Ordinary a new way to see that wakes the soul and satisfies the body *Detention of Terrorism Suspects*

Maureen Duffy,2018-02-08 Controversial erosions of individual liberties in the name of anti terrorism are ongoing in liberal democracies The focus of this book is on the manner in which strategic discourse has been used to create accepted political narratives It specifically links aspects of that discourse to problematic and evolving terrorism detention practices that happen outside of traditional criminal and wartime paradigms with examples including the detentions at Guantanamo Bay and security certificates in Canada This book suggests that biased political discourse has in some respects continued to fuel public misconceptions about terrorism which have then led to problematic legal enactments supported by those misconceptions It introduces this idea by presenting current examples such as some of the language used by US President Donald Trump regarding terrorism and it argues that such language has supported questionable legal responses to terrorism It then critiques political arguments that began after 9 11 many of which are still foundational as terrorism detention practices evolve The focus is on language emanating from the US and the book links this language to specific examples of changed detention practices from the US Canada and the UK Terrorism is undoubtedly a real threat but that does not mean that all perceptions of how to respond to terrorism are valid As international terrorism continues to grow and to change this book offers valuable insights into problems that have arisen from specific responses with the objective of avoiding those problems going forward **Penguin Classics Complete Annotated Catalog** Penguin Books,2003 *Steinbeck: Citizen*

Spy Brian Kannard,2013-09-12 This changes everything we thought we knew about John Steinbeck After languishing in the CIA s archives for 60 years a letter is uncovered in John Steinbeck s own hand that shatters everything history tells us about the author s life Written in 1952 to CIA Director Walter Bedell Smith Steinbeck makes an offer to become an asset for the Agency during a trip to Europe later that year More shocking than Steinbeck s letter is Smith s reply accepting John s

proposal Discovered by author Brian Kannard these letters create the tantalizing proposal that John Steinbeck was in fact a CIA spy Utilizing information from Steinbeck s FBI file John s own correspondence and interviews with John s son Thomas Steinbeck playwright Edward Albee a former CIA intelligence officer and others Steinbeck Citizen Spy uncovers the secret life of American cultural icon and Nobel Prize winner John Steinbeck Did Steinbeck actively gather information for the intelligence community during his 1947 and 1963 trips to the Soviet Union Why was the controversial author of The Grapes of Wrath never called before the House Select Committee on Un American Activities despite alleged ties to Communist organizations Did the CIA influence Steinbeck to produce Cold War propaganda as part of Operation MOCKINGBIRD Why did the CIA admit to the Church Committee in 1975 that Steinbeck was a subject of their illegal mail opening program known as HTLINGUAL These and a host of other resources leave little doubt that there are depths yet unplumbed in the life of one of America s most treasured authors Just how heavily was Steinbeck involved in CIA operations What did he know And how much did he sacrifice for his country Steinbeck Citizen Spy brings us one step closer to the truth **Of Mice and Men -**
