The Wonder Of Aging A New Approach To Embracing Life After Fifty:

The Wonder of Aging Michael Gurian, 2016-06-07 The topic of aging after fifty is frequently only discussed in terms of health what are the physical symptoms that come with advanced age and what can we do about them This book aims to look at aging in a new spirit as something that is positive and life giving showing how miraculous our second half of life can be In providing research and anecdotes that help readers discover a new paradigm for aging bestselling author Michael Gurian focuses on four aspects of life after fifty showing how aging affects people physically mentally relationally and spiritually In this kind of holistic focus he shows how we become elders Gurian divides life after 50 into four stages Stage 1 The Age of Transformation This is the stage of life from the late forties to approximately sixty Stage 2 The Age of Distinction This stage of life lasts from approximately sixty to seventy five Stage 3 The Age of Completion This stage involves completing our life journey both together if we are still coupled and alone if our spouse has passed on or if we are divorced He developed these stages in response to both scientific and anthropological information and in response to the needs of his clients who sought help understanding where they were and what to expect in the second half of life Our culture has focused very well on staging childhood adolescence youth adulthood and middle age but resources regarding the stages of age after fifty are scarce Gurian also discusses sex how men and women age differently the effects of aging on the brain and what to expect in the last chapter of life Miraculous Age provides a full holistic and comforting roadmap to what to expect in the second half of life and indeed how to celebrate it

Aging Matters R. Paul Stevens, 2016-04-05 Academy of Parish Clergy s Top Ten Books for Parish Ministry Vocational discernment says R Paul Stevens is a lifelong process one that takes on even more significance in later life In this book Stevens argues that our calling does not end with formal retirement to the contrary we do well to keep on working if possible till life s end Stevens delves into matters of calling spirituality and legacy in retirement showing that we must continue to discern our vocation as we grow older in order to remain meaningfully engaged for the rest of our lives He reframes retirement as a time of continued calling and productivity and points to biblical wisdom that can help us redefine aging as an extraordinarily fruitful season of life

Vibrant Emeritus Richard Stuecker, 2014-11-28 Enter the second half of your life journey with vibrancy generativity creativity and blessing One s second half of life can be an amazing adventure of abundance generativity and deepening spirituality Vibrant Emeritus The Elder in the Twenty First Century offers a path that embraces a view of life that counters the belief that one s second journey is one of dissipation and disappointment
