

An illustration of two vaquitas, small porpoises, swimming in a teal-colored water. The vaquita in the foreground is larger and shown in profile, swimming towards the left. The second vaquita is smaller and positioned behind the first, also swimming left. Both animals have a sleek, dark grey body with a lighter, silvery-grey underside. Their dorsal fins are prominent and pointed. The background is a gradient of teal, suggesting an underwater environment. In the top left corner, there is a light blue oval containing the text 'SECOND EDITION', with two smaller light blue circles below it, resembling a thought bubble. The artist's signature 'memuco' is visible in the bottom right corner of the illustration.
