The Vermont Cheese Book:

Vermont Cheese Book Ellen Ecker Ogden, 2007-07-03 A tour of more than three dozen cheesemakers in a behind the scenes exploration of the landscape people and cheeses that put Vermont on the global epicurean map Over the last decade artisan and farmstead cheesemaking have transformed Vermont into one of the nation's and the world's most beloved sources of fine cheeses Ogden describes all the cheeses from all the cheesemakers Through visits to the farms talks with the cheesemakers and descriptions of the cheeses Ogden illustrates the expert technique and knowledge of craft that have transformed the small state into an influential contributor to the national food scene *The Truth about Vermont Cheese* Vrest Orton, 1970 Cheese and Culture Paul Kindstedt, 2012-04-01 This refreshingly original book will appeal to anyone who loves history food and especially good cheese Behind every traditional type of cheese there is a fascinating story By examining the role of the cheesemaker throughout world history and by understanding a few basic principles of cheese science and technology we can see how different cheeses have been shaped by and tailored to their surrounding environment as well as defined by their social and cultural context Cheese and Culture endeavors to advance our appreciation of cheese origins by viewing human history through the eyes of a cheese scientist There is also a larger story to be told a grand narrative that binds all cheeses together into a single history that started with the discovery of cheese making and that is still unfolding to this day This book reconstructs that 9000 year story based on the often fragmentary information that we have available Cheese and Culture embarks on a journey that begins in the Neolithic Age and winds its way through the ensuing centuries to the present This tour through cheese history intersects with some of the pivotal periods in human prehistory and ancient classical medieval renaissance and modern history that have shaped western civilization for these periods also shaped the lives of cheesemakers and the diverse cheeses that they developed The book offers a useful lens through which to view our twenty first century attitudes toward cheese that we have inherited from our past and our attitudes about the food system more broadly I love this book accessible in its prose and style with the breadth and depth of an academic work Paul Kindstedt has produced a seminal work in Cheese and Culture Mateo Kehler cheesemaker Jasper Hill Farm This book will fascinate anyone who loves cheese With a sweeping perspective from the earliest prehistoric domestication of goats and sheep to the present it chronicles how social technological and political developments gave rise to the vast array of cheeses we know and love Sandor Ellix Katz author of *The Art of Fermentation* and *Wild Fermentation* **The Cheeses of Vermont** Henry Tewksbury, Kim Grant, 2002 In recent years the number of artisanal and farmstead cheesemakers in Vermont has exploded These dedicated craftspeople make distinctive high quality cheeses from the milk of their own cows sheep and goats age them in their own caves and ship them to restaurants gourmet food markets and cheese lovers all over the world The Atlas of American Artisan Cheese Jeffrey P. Roberts, 2007 Presents 345 cheesemakers in the United States with each profile describing the cheesemaker and its history cheeses location and availability American Farmstead Cheese Paul

Kindstedt, Vermont Cheese Council, 2005 A guide to cheese making history technique artistry and business strategies **One Place, One Cheese** Josh Kramer, 2011 **Moon Vermont** Jen Rose Smith, 2019-05-21 From snowy resorts and fall foliage to maple syrup and artisanal cheese get to know the Green Mountain State with Moon Vermont Inside you ll find Strategic flexible itineraries like a week touring the food scene the great outdoors and the best of the state with ideas for families foodies outdoor adventurers and more Must see highlights and unique experiences Wander through historic Montpelier quirky Brattleboro or charming Woodstock Take a horse drawn sleigh ride through fresh fluffy snow visit the woods that inspired Robert Frost or stock up on flannels at an old fashioned country store Cruise the highway to see the stunning changing leaves go cross country skiing hike a segment of the Long Trail or cool off in a swimming hole Dine at innovative restaurants serving forest foraged cuisine and sample small batch artisanal cheese a flight of craft brews and maple syrup Scenic drives in Vermont for viewing fall foliage the best romantic getaways and the top ski areas in the state Honest recommendations from Vermont local Jen Rose Smith on when to go where to eat and where to stay from budget campgrounds to historic bed and breakfasts Full color photos and detailed maps throughout Accurate up to date information on the landscape wildlife and history Handy tips for international visitors seniors travelers with disabilities and more With Moon Vermont s practical tips and local know how you can find your adventure Expanding your trip Try Moon Maine Vermont New Hampshire Hitting the road Check out Moon New England Road Trip **The Life of Cheese** Heather Paxson, 2012-12-10 Cheese is alive and alive with meaning Heather Paxson s beautifully written anthropological study of American artisanal cheesemaking tells the story of how craftwork has become a new source of cultural and economic value for producers as well as consumers Dairy farmers and artisans inhabit a world in which their colleagues and collaborators are a wild cast of characters including plants animals microorganisms family members employees and customers As unfinished commodities living products whose qualities are not fully settled handmade cheeses embody a mix of new and old ideas about taste and value By exploring the life of cheese Paxson helps rethink the politics of food land and labor today

Atlas of American Cheese Jeffrey P. Roberts, 2010-08 This fully illustrated atlas of contemporary artisan cheeses and cheesemakers is the first reference of its kind Organized by region and state the atlas highlights 345 of the best cheesemakers in the U S today most of them tiny family owned creameries Each profile describes a cheesemaker its history its cheeses whether from cow sheep or goat s milk availability location details on cheesemaking processes and suggestions for the best wine and beer pairings The atlas captures America s genius for local artisan cheese a capacity for adaptation experimentation and innovation while following Old World artisanship and traditional methods Author Roberts helped establish the Vermont Inst for Artisan Cheese at the Univ of VT *Hay Fever* Angela Miller, Ralph Gardner Jr., 2013-03-07 The compelling funny story of a high powered professional s life changing journey from Manhattan big cheese to Vermont goat cheesemaker In the tradition of food memoirs like *Under the Tuscan Sun* and *A Year in Provence* *Hay Fever* tells the

story of New York City literary agent Angela Miller and how looking for tranquility on a Vermont farm turned into an eye opening life changing experience Seeking solace in the midst of midlife strife brought on by family stress and a high stakes career Miller and her husband bought a farm in rural Vermont But what started as a part time project turned into a full blown obsession and culinary passion that not only changed their lives forever but also resulted in some of America s best cheeses prestigious awards and media fame Today cheeses from Consider Bardwell Farm are featured at some of the country s best restaurants including Jean Georges Daniel and The French Laundry For cheese lovers and would be farmers it s an inside look at the everyday operation of a successful and growing dairy farm Author Angela Miller literary agent in New York City has won prestigious awards for her cheeses and has been featured in such publications as the Boston Globe the New York Times Travel Leisure and Martha Stewart Living More than a memoir the book includes recipes from the author and top food personalities like Mark Bittman and Jean Georges Vongerichten Hay Fever is an inspiring and entertaining memoir that will whet the appetite of food lovers and would be farmers from coast to coast [In a Cheesemaker's Kitchen](#) Allison Hooper,2009 Culinary luminaries like renowned chefs Eric Ripert of Le Bernardin Michel Richard of Citronelle and Molly Hanson of Grill 23 chef writer and educator Dan Barber of Blue Hill chef entrepreneurs Alison Lane and Andrew Silva of Mirabelles knight of the French Order of the Merite Agricole chef Raymond Ost of Sandrine s and food writer and former CEO of Clicquot Inc Mireille Guiliano share their heartfelt philosophies about food Their tantalizing recipes will expand any home cook s culinary repertoire Twenty five years ago Allison Hooper and Bob Reese began crafting artisanal dairy products in the European style They developed a vital link with local farms that continues to this day Vermont Butter Cheese Company supports a network of more than 20 family farms that provide milk that meets the highest standards of purity As Allison learned on a family farm in France quality originates at the source with the people who work the land and the pride they take in its yield In a Cheesemaker s Kitchen celebrates their perhaps improbable success It is the story of pioneers in the fledgling American artisan cheese industry and how they bootstrapped a small socially responsible business *The Complete Idiot's Guide to Cheeses of the World* Jeanette Hurt,Steve Ehlers,2008-04-01 Any way you cut it cheese has global appeal Cheese is one of the most varied and flavorful foods in the world Its unique appeal lies in its range of textures aromas flavors means of production and milk sources With this guide readers will discover everything they need to know about European and American cheeses including the growth of artisan cheeses how to shop for cheese combining cheese with food and drink cooking cheese and making cheese Over the past two decades the quality availability and popularity of artisan cheeses has grown Cheese consumption has increased from 11.3 to 31.2 pounds per person over the last 30 years 1 to 3 of the supermarkets offer full service cheese counters with up to 300 varieties **Vermont Life** ,2009 *Butter, Cheese, and Milk Products Journal* ,1927 **The Joy of Cheesemaking** Jody M. Farnham,2015-04-14 Here is an easy to understand beautifully illustrated guide to making cheese It includes a basic overview of cheese manufacturing and aging from the raw

ingredients to the final product and much more With clear instructions gorgeous photographs and a glossary this comprehensive guide will teach readers all about the fascinating processes that produce different kinds of cheese This mouthwatering guide also includes a chapter profiling America's great contemporary artisanal cheesemakers and training programs If you are drawn to the tradition of homemade and homegrown food this book is for you After you've made your own delicious cheese from scratch this book will even show you how to pair it with complementary foods drinks and flavors Impress friends guests and family members with your delicious new hobby Skyhorse Publishing along with our Good Books and Arcade imprints is proud to publish a broad range of cookbooks including books on juicing grilling baking frying home brewing and winemaking slow cookers and cast iron cooking We've been successful with books on gluten free cooking vegetarian and vegan cooking paleo raw foods and more Our list includes French cooking Swedish cooking Austrian and German cooking Cajun cooking as well as books on jerky canning and preserving peanut butter meatballs oil and vinegar bone broth and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

The Cheese Chronicles Liz Thorpe, 2009-07-28 The Cheese Chronicles is an insider's look at the burgeoning world of American cheese from one lucky person who has seen more wedges and wheels visited more cheesemakers and tasted more delicious and occasionally stinky American cheese than anyone else Liz Thorpe second in command at New York's renowned Murray's Cheese has used her notes and conversations from hundreds of tastings spanning nearly a decade to fashion this odyssey through the wonders of American cheese Offering more than eighty profiles of the best the most representative and the most important cheesemakers Thorpe chronicles American cheesemaking from the brave foodie hobbyists of twenty years ago who put artisanal cheese on the map to the carefully cultivated milkers and makers of today Thorpe travels to the nation's cheese farms and factories four star kitchens and farmers markets bringing you along for the journey In her quest to explore cheesemaking she highlights the country's greatest cheeses and concludes that today's cheesemakers can help provide more nourishing and sensible food for all Americans Steve Jenkins author of the celebrated Cheese Primer calls this the best book about cheese you'll ever read The Cheese Chronicles is a cultural history of an industry that has found breakout success and achieved equal footing with its European cousins

Report of the ... Annual Meeting of the Vermont Dairymen's Association Vermont Dairymen's Association, 1903 Manufactured Milk Products Journal, 1929

Cheddar Gordon Edgar, 2015 Cheddar is the world's most ubiquitous and beloved cheese More than that cheddar holds a key to understanding our food politics and even our cultural identity In Cheddar Gordon Edgar Cheesemonger traces the unexplored history of cheddar with both wry humor and an eye toward its future Cheddar has something to tell us about this country from the way people rally to certain types of cheddar but not others to the gradual transformation of a once artisan cheese into big commodity blocks and back again and the effect that has had on rural communities One of the first cheeses to

be industrialized cheddar's progression from farmstead wheels to machine extruded singles mirrors that of our entire food system. The resurgence of traditional cheesemaking over the last few decades in turn speaks to ways that we're redefining how food is produced. Edgar also answers some key questions about cheddar: Is it the most popular cheese in the land? Did England invent it, and America cheapen it? Is today's 40-pound block a precursor to Velveeta? You'll find these answers and more in *Cheddar*, a book as thought-provoking as it is entertaining, and that reveals what a familiar food has to tell us about ourselves and our culture.
