Bureau of Customs,1917 The Musical Times and Singing-class Circular ,1916 **The Musical Times & Singing-class Circular** ,1919 **Titanic's Lifeboats** James W Bancroft,2025-11-30 A dramatic retelling of the personal stories of the men women and children survivors of the Titanic lifeboats Foot by foot Titanic s lifeboat No 11 slowly jerked its way down the sides of the great ocean liner as it slipped beneath the cold dark waters of the Atlantic For the fifty or so men women and children crammed into the lifeboat survival was all that mattered Even then though the American fashion designer Edith Rosenbaum Russell ferociously clung to her pig shaped music box until she was rescued its tunes helping to quell the fears of the frightened children onboard Unlike so many of those onboard Titanic that fateful night in April 1912 everyone in lifeboat No 11 would be rescued Bridget McDermott had brought a new hat before she set off for America Bridget climbed into one of the lifeboats believed to be No 13 before realising she had left her precious purchase behind She climbed out of the lifeboat retrieved her hat from her cabin ran back to the open deck and jumped fifteen feet from a rope ladder onto the lifeboat Other garments played an important part in the survival of one of the lifeboats which sprung a leak with the people onboard using clothes to plug the hole Charles Joughin the head baker aboard Titanic floated in the near freezing ocean for around two hours before being pulled out of the water onto one of the lifeboats He had not succumbed to the cold due to the amount of alcohol he had drunk Masabumi Hosono a civil servant from Tokyo was the only Japanese passenger onboard Titanic and being a man he accepted that the women and children first policy had sealed his fate However when a crew member shouted that there were two spaces left in a lifeboat No 10 Hosono jumped in As Japanese honour considered it far better for a man to suffer an honourable death than to survive in a shameful manner when he reached his homeland he was ostracized by his family and lost his job When it sailed Titanic carried twenty lifeboats that between them could accommodate 1 178 people a little over half of the 2 209 on board the night the liner sank Eighteen of these life saving craft were used that night but tragically only 706 people found a space in them This is the dramatic and moving story of the men women and children who made it into the lifeboats that fateful night in April 1912 **Temples of Delight** Barbara Trapido,2015-04-14 Jem McCrail is a fantastical godsend to the timid young Alice Pilling Like a dropped acorn she appears halfway through the week halfway through the term and halfway through Miss Aldridge s Silent Reading Hour Through the doorway she barely clears wearing clothes like the urchin she encountered in her favorite P G Wodehouse story Jem leads the stammering Alice into a world of culture truancy and bizarrerie a world far beyond the dull lessons of school The girls cultivate a steadfast bond based on a wicked and encircling sense of humor an impish joy in indelicate literature and Mozart s The Magic Flute Then as abruptly as she came Jem disappears The years and schools that follow as well as the lovers do not dim the image of the wondrous Jem The disheartened Alice is almost ready to settle into an ordinary life when an accident and the intervention of a latter day

fallen angel impel her to go on one more wild and extravagant journey Like the opera it echoes the result is pure enchantment Why did it take me so long to discover the singular joys of Barbara Trapido s novels Why for so many years had I missed these witty soulful heartbreaking expansive brilliant tales I have become a literary evangelist on her behalf On account of my badgering all my friends now love her too I won t rest until everyone in America has read and fallen in love with this fabulous author Elizabeth Gilbert **Annual List of Merchant Vessels of the United States** ,1920
