

End Time Q&A Is the Day of the Lord the Tribulation?

Tribulation Prophecy

Allen M. Barber

Tribulation Prophecy:

Tribulation Prophecy John Stoudenmire, 2010-03 In this day and age there are many theories when it comes to the return of the Lord Author John Stoudermire shares personal prophecies that have been revealed to him Not only does he present thoughtful research for his theory but he provides scripture references that help aide his findings Are you prepared for you future Be entirely sure with a Tribulation Prophecy *Great Joy in Great Tribulation* Jim Searcy, 1995 **The Church in the Coming Great Tribulation** Steve Urick, 2013-06 Christians today are widely being taught that the next event on the prophetic calendar is the any moment and signless Rapture of the Church Thus the bride of Christ will not have to go through the Great Tribulation But is that what the Bible truly teaches The Church in the Coming Great Tribulation examines the biblical doctrine of the Rapture and its timing in relation to the Day of the Lord as revealed by Jesus and the apostles If you have questions about the Rapture or doubt some of the things that are being taught by modern day prophecy teachers this timely work sheds light on the subject and will help clear up any confusion you might have **The Church in End-Time Prophecy** Curtis Schulze, 2021-04-12 Church in Prophecy Today the rapture of the church is one of the most disputed end time topics in all the scriptures No other end time doctrine has divided the church more than this subject of the rapture We have made this all about timing rather than his return Many are preoccupied with and distracted by their own particular prediction The purpose of this book is not to refute one position in favor of another but to come against the church s obsession and preoccupation with timing Our focus should be directed toward his return and not fixed on timing This is the testimony of the scriptures Whether he comes early or whether he tarries this does not matter to me What matters to me is the readiness of the church We need to be ready now and always if he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead We need to prepare our hearts now for what is coming lest it catch us off guard We need to build our faith to stand under pressure and we need to build our trust and confidence in Him now to keep us while in tribulation We will need to settle the matter in our hearts concerning all those things coming on the earth to lay our lives down at all cost We will need to prepare our children and loved ones for the day ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through **Post Tribulation Rapture** Roy W. Abernethy, 2008-04 Every person on Earth will one day stand before God and give an account of what they have done whether it be good or evil in addition to their acceptance or rejection of Jesus Christ the Son of God as their personal Saviour Whether or not you believe it Jesus Christ is coming back again to judge the world for their iniquity That s what God s prophets have said and His prophets have never been wrong

From a pre millennial viewpoint Post Tribulation Rapture evaluates the three major positions regarding the timing of the return of Jesus Christ to Earth in relation to the final seven years of man s history Will there be signs of Christ s coming Will everyone see Him coming Does Christ return two more times What is the Day of the Lord Who are the elect people on Earth When will the Antichrist be revealed Is the return of Christ imminent Who will populate the kingdom What are the three main rapture positions How do they differ Who is the restrainer Post Tribulation Rapture includes fourteen detailed charts and an extensive glossary dictionary defining the most commonly used phrases and terms in Bible prophecy

The Day of the Lord, the Key to Understanding End-Time Prophecy Allen M. Barber,2011-07 Have modern Christians been enlightened or misled Left behind has been a catch phrase in American church culture for more than a decade but pretribulation beliefs were virtually unheard of before the eighteenth century Many modern day believers await the return of the Lord to rapture the Church before a turbulent tribulation period expecting unbelievers to be left behind to suffer the horrors of this seven year period This popular belief is promoted from many evangelical pulpits and popularized by books and movies but does it really line up with the Bible Dr Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief Once a pretribulationist himself he found that his in depth study of the Bible quickly revealed the errors of this position With spiritual biblical and intellectual insight The Day of the Lord The Key to Understanding End Time Prophecy challenges the very foundation of pretribulation theology Dr Barber stresses the importance of sola scriptura as he guides readers through his compelling and convincing argument for a clearer understanding of end times prophecy

The Sign of the End of the Age Paul Kalbach,2016-12-13 There is a small groundswell of thinking in the evangelical church that we may not have achieved a proper biblical understanding of end times events It is important for us to return to a careful study of these things because the time is near In The Sign of the End of the Age What Jesus Taught about the Future in Matthew 24 author Paul Kalbach helps you discover or rediscover the Olivet Discourse the Lords clear road map that all other prophetic Scriptures must reckon with To understand the discourse we must answer one critical question what is Matthew 24 about the future program for Israel or the end of the age events for all believers including the church Kalbach presents extensive arguments that show a different timing and sequence of events than is usually taught by proponents of the pretribulation rapture position His in depth study adheres to a most literal interpretation method The Sign of the End of the Age seeks to bring a deeper understanding of the end times period vital in a world that shows every sign that this time is near

The End of Times Roy Burger, Julia Burger, 2019-03-08 The interpretation of end time prophecy is not an easy venture To make matters worse most of the authors who have interpreted the metaphors have in fact added their opinions instead of studying the revelations as the Lord intended So how do we catch the message of the Lord instead of being misled by our own interpretations The End of Times can help us to interpret the will of God since his revelations are written throughout the Word and we need to humbly understand his thoughts Authors Roy and Julia Burger invite believers to join them in a search through the Bible to uncover the intentions of God behind the symbolism thus gaining the knowledge of God They also provide other views that may have gone astray of the Word comparing scriptures and letting the Word speak for itself Colossians 1 10 NASB reads so that you will walk in a manner worthy of the Lord to please Him in all respects bearing fruit in every good work and increasing in the knowledge of God Because the end times are approaching now is the time to heed this divine wisdom and listen to God directly

Understanding End Times Prophecy Paul Benware, 2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the

framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture

Prophecy's Architecture: How to Build an End-Times Doctrine Cameron Fultz,2005-05 With so much debate these days over the timing and sequence of end times events is there any hope of believers settling issues like the start of the 70th Week the Second Coming of Christ and the rapture of the Church in their own minds The answer is unequivocally yes Cameron Fultz an end times prophecy teacher and architect by trade argues that like a well designed building a biblical doctrine any biblical doctrine must start with a good foundation This foundation must be built using the clearest most explicit verses that directly address the subject at hand On this foundation we lay the secondary verses to add depth to the interpretation followed by the tertiary verses which layer on beauty and fine detail In these pages Fultz outlines this methodology then uses it to build a doctrine on the issue of end times timing and sequence He starts by listing all of the verses that address the subject both directly and indirectly then builds the doctrine piece by piece Using simple logic and precision combined with abundant charts for easy comprehension Fultz illustrates how like a well designed building good biblical exegesis results in a precise trustworthy result Prophecy s Architecture will challenge those who are already committed to or unsure about today s ready made explanations and give others who don t know what they believe a systematic method for discovering answers for themselves

Jesus the Truth of His Coming Pastor Arthur Lands,2018-12-10 This book contains literally what God says not my opinion Neither do I quote other peoples opinion I m only comparing two doctrines the Pre tribulation Rapture doctrine and the Post tribulation doctrine I have taught these truths to my people and shared it with other preachers Twelve of those preacher friends of mine have changed their prophetic view of the coming of the Lord Some preachers and several deacons have said this book took the confusion out of the second coming of the Lord They once believed in a Pre tribulation Rapture of the church However after reading my individual chapters and studying the Word of God they changed their position on when the Lord will return for his people The Day of the Lord will bring about this great event God will bring with Him the sleeping saints to be raised from the dead This is the first resurrection He will make all of His Son s enemies His footstool while Jesus returns as promised The resurrected and living saints will meet Jesus in the air Jesus will tread the winepress of the wrath of God destroying the remnant that God has left The coming of the Lord is only a ONE TIME EVENT Please don t take my word for it Study I have given you the scriptures to follow One last thought See the picture on the front cover and the two pictures on the back These portray in picture form three different examples of the coming of the Lord They are all different Is Jesus coming back three times two times or one time This book will help you
