Melton, 2025-11-11 Take the next step in your spiritual formation and embark on a year long journey alongside a giant of faith inspired by the author's year of studying the life of Mister Fred Rogers America's favorite neighbor So many of us want to go deeper in our faith We long for a clearer sense of God's calling in our lives but knowing where to start can be more than half the battle What if we could learn from a trusted guide who's already walked the path If you're in leadership what would you give to shadow someone like Queen Elizabeth II Or if you're an artist what would you give to spend a year with Madeleine L. Engle or Michelangelo What if you're longing for courage and you could take notes from George Washington or Harriet Tubman How might God shape you through the example of faithful believers and strengthen you to become who He created you to be Journey with a Giant introduces the transformative practice of walking with a spiritual giant Based on the cloud of witnesses described in Hebrews 12 and illustrated through the author's experience walking with Mister Fred Rogers America's favorite neighbor spiritual director Lori Melton guides readers on a one year adventure that offers a unique approach to spiritual formation This structured yet

flexible guide includes weekly reflections testimonials from fellow pilgrims monthly instructions and tasks prompts for recording your focus goals resources and insights guided prayer to end each month reflection questions journaling space Whether you choose to learn from Mister Rogers or select your own spiritual mentor this journey will help you cultivate a closer relationship with God uncover new insights about yourself and take meaningful steps toward pursuing God's unique calling for you

Let Your Path Find You Bob Logan, 2023-01-15 Every person on the planet has their own unique path assigned just to them Has your path found you By some estimates eighty percent of us are on autopilot just doing work every day to make a paycheck but not doing the ONE thing we do better than ten thousand other people the thing we are wired for that thing that gives us a chance to do world class work and make a difference in the world and leave a legacy that matters our path that we were destined to walk Author and speaker Bob Logan's path found him many years ago and that path has taken him on a glorious adventure filled with love heartache joy pain and enduring and unforgettable memories of a life well lived Three times he has walked the 1500 year old Camino de Santiago the 500 mile spiritual journey across Northern Spain learning valuable life lessons he shares here From an early age he was brave enough to step out and try new adventures along his assigned path some successful and some not so successful But all were important Every step led him to where he is today and he wouldn't change a single thing He has gleaned many valuable lessons that he shares here to help you live your best life In this book you will learn how to Overcome fear of failure Not be afraid of stepping outside your comfort zone Tune out the naysayers in your life and find your own path Raise your ambitions and be bolder with your actions Listen to your inner voice more Live a joyful life in spite of the trials and tribulations we all face Live YOUR life not the life someone else wants you to live Don't settle for someone else's version of success Let your path find you Then follow it wherever it leads

The Way of the Stars Robert Cameron Sibley, 2012 Since medieval times pilgrimages have been a popular religious or spiritual undertaking Even today between seventy and one hundred million people a year make pilgrimages if not for expressly religious reasons then for an alternative to secular goals and the preoccupation with consumption and entertainment characteristic of contemporary life In The Way of the Stars the journalist Robert Sibley motivated at least in part by his own sense of discontent recounts his walks on one of the most well known pilgrimages in the Western world the Camino de Santiago A medieval route that crosses northern Spain and leads to the town of Santiago de Compostela the Camino has for hundreds of years provided for pilgrims the practice the place and the circumstances that allow for spiritual rejuvenation reflection and introspection Sibley who made the five hundred mile trek twice initially on his own and then eight years later with his son offers a personal narrative not only of the outward journey of a pilgrim's experience on the road to Santiago but also of the inward journey afforded by an interlude of solitude and a respite from the daily demands of ordinary life The month long trip put the author on a path through his own memories dreams and self-perceptions as well as through the sights and sounds the tastes and sensations of the Camino itself
