Alberth**

Toolkit Mapping Services Responses Maltreatment:

Toolkit on Mapping Legal Health and Social Services Responses to Child Maltreatment World Health Organization, 2015-04-02 Published by WHO Lucerne University of Applied Sciences and Arts and the University of New Hampshire this toolkit provides academics and decision makers with strategies for conducting national or regional studies of the incidence of and agency response to child maltreatment These studies are developed based on the collection of administrative data or through surveys of professionals Such research is important to policy makers who need information about which agencies have knowledge of the problem of child maltreatment and their response when they encounter it Based on this information they can plan how to improve practices enhance systems and strengthen professional capacity Publisher description *Decision-Making and Judgment in Child Welfare and Protection* John D. Fluke, Mónica López López, Rami Benbenishty, Erik J. Knorth, Donald J. Baumann, 2020 Professionals in child welfare and protection are often required to make decisions fraught with many difficulties and shortcomings that have crucial implications for children and families There are many indications that these decisions are frequently unreliable and involve unavoidable errors in judgement due to the uncertainties This book applies much needed insights gleaned from the fields of business and behavioral economics to child welfare practice bridging a critical gap in the child welfare and protection research agenda **Toolkit on Mapping Legal, Health and Social Services Responses to Child Maltreatment** Andreas Jud, Lisa M. Jones, Christopher Mikton, 2015 Published by WHO Lucerne University of Applied Sciences and Arts and the University of New Hampshire this toolkit provides academics and decision makers with strategies for conducting national or regional studies of the incidence of and agency response to child maltreatment These studies are developed based on the collection of administrative data or through surveys of professionals Such research is important to policy makers who need information about which agencies have knowledge of the problem of child maltreatment and their response when they encounter it Based on this information they can plan how to improve practices enhance systems and strengthen professional capacity Publisher description **The Sage Handbook of Decision Making, Assessment and Risk in Social Work** Brian J. Taylor, John D. Fluke, J. Christopher Graham, Emily Keddell, Campbell Killick, Aron Shlonsky, Andrew Whittaker, 2023-08-16 The SAGE Handbook on Decision Making Assessment and Risk in Social Work provides a comprehensive overview of key strands of research and theoretical concepts in this increasingly important field With 49 chapters and four section summaries this Handbook describes the state of the art discuss key debates and issues and gives pointers on future directions for practice research teaching management of services and development of theoretical understandings A key aim of this Handbook is to support the development of sound applied knowledge and values to underpin reasoned professional judgement and decision making by social workers in practice and those in management and regulatory roles With contributions from a global interdisciplinary body of leading and emerging scholars from a wide variety of roles this handbook has been designed to be internationally generalisable and

applicable to all major areas of social work This Handbook provides a field defining account of decision making assessment and risk in social work which is unrivalled for its diversity and strength of coverage and will be of value to social work researchers teachers and practitioners as well as to those in allied fields such as health care Section 1 Professional Judgement Section 2 Assessment Risk and Decision Processes Section 3 Assessment Tools and Approaches Section 4 Developing and Managing Practice Section 5 Concluding Section Afterword

Equal Access to Justice for Inclusive Growth Putting People at the Centre OECD,2019-03-28 This report looks at how governments can ensure that everyone has access to justice and that justice processes and services are responsive to people s needs Based on lessons derived from people centred service delivery the report identifies access to justice principles and promising practices as well as measurement tools and indicators to help countries monitor their progress

Victim, Perpetrator, or What Else? Doris Bühler-Niederberger,Lars Alberth,2019-11-08 This volume maps the ways that children and young people are considered victims or perpetrators by their societies and consequently the ways that their societies react The chapters analyse a variety of phenomena in different countries of the Global North and South

Best Practices in Development Co-operation Toolkit to Support Implementation of the OECD DAC Recommendation on Ending Sexual Exploitation Abuse and Harassment OECD,2024-06-28 This Toolkit synthesises learning and examples gathered from Development Assistance Committee DAC members and partners including their work through international fora such as the OECD as well as additional research It aims to support DAC members and partners in deepening their work and accelerate progress on any number of topics contained within the DAC Recommendation s six pillars Progress in Sexual Exploitation Abuse and Harassment SEAH prevention and response can be very incremental and difficult to measure in part because it relies on addressing the many underlying factors that support the perpetuation of SEAH such as cultural and social norms as well as power dynamics This Toolkit aims to support progress by DAC members on both technical and political levels as well as support their coordination efforts with their partners to work towards long term sustainable change

Global Health Communication for Immigrants and Refugees Do Kyun David Kim,Gary L. Kreps,2022-05-04 This book analyzes important international cases of immigrant and refugee health from diverse communication perspectives providing theoretical frames and effective recommendations for designing future health communication campaigns and interventions for global health promotion Internationally renowned scholars elucidate the reality of health communication situations that immigrants and refugees experience in host countries around the globe and examine how national and global health risk situations including the COVID 19 pandemic affect immigrant and refugee health during difficult health circumstances Offering effective health communication strategies for promoting immigrant and refugee health the book also provides lessons learned from past and present health communication campaigns responses of diverse communities and governmental policies This book with many case studies from major host countries on different continents this book will be of interest to anyone researching or studying

in the areas of health communication public health international relations public administration nursing and social work

Violence Against Children Gertrud Lenzer, 2017-11-28 Violence Against Children adopts in its title the exhortation of Nobel Laureate Amartya Sen Making Human Rights Real which also represents the leitmotif of the book It examines the prevalence of violence against children in Africa the Asia Pacific Region Europe Latin America and the Caribbean and in the United States and explores major ways of its prevention Making human rights real engenders the challenge of helping all children to be free from violence and to lead a life replete with genuine nurture and the elimination of all violence Only in this manner will the goal of the United Nations 2030 Agenda for Sustainable Development target 16 2 be achieved and the child as a rights bearing individual realized in her his fullness The specially commissioned chapters that make up the volume have been written by renowned scholars researchers and advocates They coalesce to provide an overview of the challenges facing children exposed to violence worldwide and they advance discussions of the measures which are available and necessary for the prevention of violence against children The book is intended for policy makers researchers and students of the social sciences and human rights who are interested in ending all the widespread maltreatment of children in our societies and our time

Research Handbook on EU Internet Law Andrej Savin,Jan Trzaskowski,2023-10-06 The Internet has brought about unprecedented changes to modern life creating a

connected society but also radically opening up the question of how to design and apply legal rules in a digital world This thoroughly revised second edition provides an updated exploration of the latest developments and controversies in European Internet law

The International Covenant on Economic, Social and Cultural Rights Ben Saul, David Kinley, Jaqueline Mowbray, 2014-03-06 Economic social and cultural rights are finally coming of age This book brings together all essential documents materials and case law relating to the International Covenant on Economic Social and Cultural Rights ICESCR one of the most important human rights instruments in international law and its Optional Protocol This book presents extracts from primary materials alongside critical commentary and analysis placing the documents in their wider context and situating economic social and cultural rights within the broader human rights framework There is increasing interest internationally regionally and in domestic legal systems in the protection of economic social and cultural rights The Optional Protocol of 2008 allows for individual communications to be made to the UN Committee on Economic Social and Cultural Rights after its entry into force in 2013 At the regional level socio economic rights are well embedded in human rights systems in Europe Africa and the Americas At the national level constitutions and courts have increasingly regarded socio economic rights as justiciable narrowing the traditional divide with civil and political rights This book contextualises these developments in the context of the ICESCR It provides detailed analysis of the ICESCR structured around its articles drawing on national as well as international case law and materials and containing all of the key primary materials in its extensive appendices This book is indispensable for the judiciary human rights practitioners government legal advisers and agencies national human rights institutions international organisations regional human rights bodies NGOs and human rights activists academics and students alike

Domestic Violence and Children Abigail Sterne, Liz Poole, 2009-10-16 What can schools and social care workers do to help children affected by domestic violence Large numbers of children are affected by domestic violence The problem crosses every social class and culture It causes distress and anxiety in children and adversely affects their learning and play as well as their behaviour wellbeing and attendance Education staff may know of a child or family in crisis want to help yet feel outside their comfort zone grappling with a complex issue not covered in their training This book describes the impact of domestic violence on children and provides support for education and social care professionals It takes heavy workloads into account and suggests practical ways of meeting the needs of pupils who come from difficult home backgrounds The authors provide guidance and advice on identifying and responding to signs of distress helping pupils to talk about and make sense of their experiences the impact on parenting and how parents can be supported the needs of young people in refuges and temporary accommodation pupil safety and government safeguarding guidelines educating young people and the community about domestic violence specialist domestic violence services and other agencies that support schools Domestic Violence and Children draws on the expertise of a wide range of professionals including specialist domestic violence children's workers and counsellors psychologists teachers mentors and family support workers It provides

essential help and information to all children's service directorates as well as a range of professionals in education social care health and the voluntary sector *Proactive Child Protection and Social Work* Liz Davies, Nora Duckett, 2008-10-28 Protecting children from abuse is a serious matter demanding critical thinking tenacity resilience courage and compassion This book is designed to show how the social work task of protecting children works It aims to increase the confidence of those undertaking the work who need to know and understand the processes involved to be better able to form part of the proactive child protection network It locates knowledge and skills within a series of case examples from the authors' actual practice making the book an indispensable resource for students professionals and others concerned with protecting children

International Journal of Child and Family Welfare (IJCFW) 2015 - Jrg 16 - Nr 1/2 Jana Knot-Dickscheit, June Thoburn, Erik J. Knorth, 2016-03-16 The International Journal of Child and Family Welfare IJCFW is an official publication of the European Scientific Association on Residential and Family Care for Children and Adolescents EUSARF The journal is a multidisciplinary peer reviewed publication The International Journal of Child and Family Welfare publishes empirical papers including meta analyses and review papers dealing with issues related to all fields of child and family welfare and with issues related to child and youth care e.g. home based care family foster care residential youth care The journal is specifically interested in studies that focus on care and treatment processes in association with outcomes and effects these studies can generate more insights into how interventions work and what care aspects make a difference for vulnerable children and families

Textbook of Palliative Care Roderick Duncan MacLeod, Lieve Van den Block, 2025-02-25 This second edition provides the most up to date information on all aspects of palliative care including recent developments including COVID 19 global policies service provision symptom management professional aspects organization of services palliative care for specific populations palliative care emergencies ethical issues in palliative care research in palliative care public health approaches and financial aspects of care This new Textbook of Palliative Care remains a unique comprehensive clinically relevant and state of the art book aimed at advancing palliative care as a science a clinical practice and as an art Palliative care has been part of healthcare for over fifty years but it still needs to be explained to many Healthcare education and training has been slow to recognize the vital importance of ensuring that all practitioners have a good understanding of what is involved in the care of people with serious or advanced illnesses and their families However the science of palliative care is advancing and this new edition will contribute to a better understanding This new edition offers 86 updated or new chapters out of 108 written by experts in their given fields providing up to date information on a wide range of topics of relevance to those providing care towards the end of life no matter what the disease may be We present a global perspective on contemporary and classic issues in palliative care with authors from a wide range of disciplines involved in this essential aspect of care The Textbook includes sections addressing aspects such as symptom management and care provision organization of care in different settings care in specific disease groups palliative care emergencies ethics public health approaches and research in palliative

care This new Textbook will be of value to practitioners in all disciplines and professions where the care of people approaching death is important specialists as well as non specialists in any setting where people with serious advanced illnesses are residing It is also an important resource for researchers policy and decision makers at national or regional levels Neither the science nor the art of palliative care will stand still so the Editors and contributors from all over the world aim to keep this Textbook updated so that the reader can find new evidence and approaches to care

Toolkit Mapping Services Responses Maltreatment: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Toolkit Mapping Services Responses Maltreatment : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
