sabachthani that is My God My God why have You forsaken Me Matthew 27 46 Upon a closer examination we discover that God throughout the Bible has forsaken humans while the Quran clarifies the Bible accounts to show how God loves humans thus providing love to the Bible While God does forsake evil doers it is all too evident in the Bible that the righteous are also forsaken This study will show the ways the Bible forsakes humans compared to the relevant verses in the Quran on how humans are loved *Biblical Studies on the Internet* Roland H. When Christians Ask Mohamed Ghounem,2005-03 A list of questions frequently asked by Christian students of theology and their professors alike that are answered in the Islamic holy book the Quran      *The Smartest Religion* Mohamed Moussa Ghounem,2022-12-17 A peaceful and righteous approach to theology is seeing the Scriptures as a scientist sees chemistry rather than a sceptic viewing comparative religion By studying the scriptures as a chemist you can have the Albert Einstein mindset of E MC2 to see the Miracles E MC2 explains that combining elements in the process called fusion produces miraculous energy such as the Sun With everything around us related to science and chemistry why wouldn't our Creator provide us with scriptures to combine together like the elements to produce miraculous Truth As Dmitri Mendeleev revolutionized Chemistry by publishing the first periodic table of the chemical elements in 1869 he noted gaps in the table and predicted that as yet unknown elements existed with properties appropriate to fill those gaps Each element has a unique number of protons and neutrons that gives the element an identifying number on the periodic chart Mendeleev saw that numbers were missing in the patterned chart he created thus concluding there were still elements to be discovered By objectively studying Holy Scriptures at the molecular level we can see similar patterns of missing elements that this book proves the Qur'an has the missing elements for filling the gaps in Religious texts      **222 Bible Mysteries SOLVED by Islam** Mohamed Moussa Ghounem,2022-12-17 Can Comparative Religion Be Fair Peace be upon you brothers and sisters Loving Humanity Empathy for our Afterlife Dueling with deceit are just a few of the reasons one may have Passion for Comparative Religion Comparing Scriptures with Rabbis Priests Preachers Presidents of Evangelist Colleges for decades you come to the realization that Comparative Religion Appears Fair but is Far from having Equivalent Language and Time Requirements The Three Abrahamic Religions Judaism Christianity and Islam are not Linguistically Equal The Language Requirements of Christianity are Absolutely Unique to Judaism and Islam Christianity has Relaxed Requirements in Respects to Language Bibles are Accepted in All Languages as the exact Authentic words of God Compared to Judaism and Islam who have the Rigorous Requirement that Scripture is only Authentic in the Original Language The linguistic inequality is unfair to Christianity because the Gospel was not Preserved in its original language Aramaic and we only have the translated Greek Early Greek Christians had a business mentality towards Religion Removing nearly every Requirement to join Christianity except 10% of our income Tithes The Greek business approach to religion didn't Foresee the Consequences of not maintaining Requirements set by God Instead Christianity was offered as an Easy Religion 1 No Requirements to Learn a new language to Read Hear the Exact words of God instead any Every language was anointed and accepted as authentic 2 No Requirements to follow the Laws of Moses All sins are forgiven if you accept someone else died for you 3 Holidays such as Christmas Easter are researched and focused on and Multiple Christmas songs memorized more than any page in the Bible 4 Jesus was redesigned to resemble the Greeks more than the Hebrews and his original language words requiring works in Aramaic were destroyed and only the Greek Gospels remain Changing Christianity into an Easy religion to have Mass appeal

has expanded Christianity to be the Largest Religion but all calculations and censuses forecast more Muslims than Christians by 2075 If we calculate Either Catholics or Protestants then Islam is already the largest religion compared to each proving being Easier does not Prevail being Truthful Removing the original Language Requirement is the same as Removing the Requirement to be Authentic giving Christianity a disadvantage when being compared to Judaism and Islam For example On average every 50 years a different English Bible with a different name different words from a different Church is Published and accepted by divisions of Christians as the exact words of God Christians Relaxing the language and law requirements Worldwide has spawned unlimited Bibles in different languages conflicting with each other because languages can't be perfectly translated forming hundreds of errors hundreds of Christian sects corruption scandal and closures in many Churches Comparative Religion is not fair because Christians have an Ocean of Bible translations multiplying the cannons for the critics of Christianity to list grammatical copyist and translation errors from 40 times more content compared to Judaism or Islam For Example The King James Bible may have its own hundreds of Bible mysteries anomalies etc then the opponent of Christianity can find dozens of more errors in the Good News Bible New International Bible New Revised Standard Bible etc Just in English there are 40 differing Bibles each with their own issues because all of them are considered authentic we can add all the Hundreds of Errors from all 40 Bibles giving an unfair advantage to any Jew or Muslim questioning a Christian Because Christians forfeit the requirement of one Authentic language to Read and Hear Scripture Exactly as said from God Christians also surrender being able to say the Bibles are anything other than translations All Translations Translators humans make errors therefore even if each English Bible only had 1 single error a rival of Christianity can add all 40 Bibles to contend with Christianity or even worse avoid our Creator Christians will never win a Religious debate because of the Bible weakness of Language The original language Aramaic of their deity Jesus is extinct instead their translations are based on Greek and German into English shifting the entire meaning of Jesus from the Hebrew Moses to Greek Zeus The second reason the language requirement makes comparative religion unfair for Christians when debating Jews or Muslims is because of Hebrew or Arabic to English Dictionaries If a Christian Questions an anomaly in a English translation of the Torah or Quran a Jew or Muslim can simply Show from Any Hebrew or Arabic to English dictionary any one of the dual meanings of any words in question thus giving Jews and Muslims Unlimited Correct and Verifiable Answers Christians neither have an Original Aramaic to English dictionary or the Aramaic verses to try to defend mistranslated Greek to German to English Bible words and furthermore Christians are sold the English Bible as the exact words of God Admitting the English Bible is mistranslated and to try to extract a Greek root word is why it's not fair comparing Scriptures because Christians instantly admit and even put it in writing in nearly every Bible commentary that the English Bible has translation copyist grammatical errors In summary Christians removing the one language requirement and also removing the original language opens Christianity to a growing number of skeptics towards the English Bible that just by defending it with the Greek root admits

the English Bible is not Divine Keeping the Language Requirements Shields Jews and Muslims from translation critiques because only the Hebrew or Arabic are Accepted as Authentic not the translations Additionally Jews and Muslims have an unlimited amount of translation dictionaries to defend Torah or Quran English mistranslations unlike the Christians For Jews and Muslims the English Translations of the Torah and Quran are only tools to Understand the Original Holy Scriptures The English translations are not considered Holy as in Christianity God Saved the Christian Bible by Sending the Holy Quran in Arabic 632 Ad just 300 years after the Aramaic Bibles were destroyed by the Greek Christian council in 325 Ad nearly 300 years after Jesus The Holy Quran in Arabic is a relative language to the Middle Eastern Aramaic and has been accepted worldwide by more than a Billion followers and for hundreds of miles in any direction where Jesus was born and preached in Aramaic we have converted to Islam and pray in Arabic continuing the Authentic Abrahamic Faith Jewish Scripture is also not fair for Muslims to compare because unlike the disadvantages of Language in Christianity Jews have the Disadvantages of Time 1 Time Verses Nature Very Devout Generations of Jews have Preserved Scriptures for Centuries Copying Hundreds of Scrolls for Hundreds of years using candles bird feathers crossing Seas Exodus 14 21 Being Lost in the Wilderness for 40 years Numbers 14 20 22 Multiple Genocides and Battles Israelites in the Bible have been attacked 52 times captured and recaptured 44 times besieged 23 times and destroyed twice Effecting the quality of Jewish Scripture during 6 000 years For Example The Horrible Nazi Holocaust that killed millions of Jews was less than 100 years ago and had a major impact on Jewish artifacts some belongings from 1933 are still being probed How Fair would it be to compare Jewish documents that suffered nearly 60 Multitudes of Holocausts during 6 000 years averaging one Holocaust nearly every 100 years according to Bible statistics Compared to the Holy Quran that was written and preserved within 20 years with zero Holocausts 2 Time Verses Temptation Jewish Scribes had the Massive Responsibility of passing and teaching the Torah to their children and Community for hundreds of years Tolkien wrote about Hobbits in Lord of the Rings having a similar wrenching struggle to resist putting a human touch on the Divine graphically displaying the Pressure to Resist the Temptation of Power The discipline to Keep God great and humans humble in Jewish Scripture For Centuries was perhaps unbearable to some Jewish Rabbis some even confessed their deceit Jeremiah 8 8 Jewish Scribes Endured Resisting power for centuries more than Any Religion Rome Riyadh both have many billionaires who benefit from being in vicinity to religious capitals the Jews struggled with greed for twice as long as Christianity and Islam combined The Battle of shifting power and resources from the people to the Pope from Prophets to rabbis from Muslims to monarchs is a timeless struggle that Jews the Torah has had to endure longer than any other religions 3 Time Verses Science Jewish scribes had the disadvantage of writing scripture during a time of minimal Scientific understanding or discovery Contending with both what their eyes could see and believe and risking deadly persecution by fire or decapitation if the Jewish scribes crossed established societal scientific norms thousands of years ago such as The Earth being the center of the universe Psalms 96 10 the Earth being Flat Isaiah 11 12 the Sun and

Moon being equal lights each turning on depending on the time of day Genesis 1:16 just to list a few Thus Comparative Religion is not fair Debating Jews and Christians is not fair the Debates may seem fair because the Jews and Christians usually speak better English they Usually look like Harvard Professors compared to the average Muslim looking foreign and many people are swayed by appearance and phonics thus the debates seem somewhat fair but decades later you realize they are anything but fair So what do we do other than debate We Teach Teach Jews and Christians how the *Islamic Recovery: 12 Step Healthy Miracles System* Sheikh Mohamed Moussa Ghounem, 2024-03-01 In the sanctum of healing and spiritual rejuvenation *Islamic Recovery Easy Peasy 12 Step Healthy Miracles System* by Sheikh Mohamed Moussa Ghounem emerges as a beacon of hope for those embattled with the shadows of trauma and the chains of addiction This transformative work does not merely offer a path to recovery it opens the gates to a garden of inner peace meticulously cultivated through the profound wisdom of Islamic teachings and the universal principles of recovery and growth Ghounem's magisterial narrative weaves together the timeless wisdom of the Quran with the pragmatic steps of recovery crafting a tapestry of healing that speaks directly to the soul This book is not just a guide it is a companion for those wandering in the wilderness of pain and suffering seeking solace and redemption Through the *Easy Peasy 12 Step Healthy Miracles System* the author invites you on a journey of self discovery and spiritual awakening promising a destination where the burden of trauma and the weight of addiction are lifted by the healing hands of faith and the resilient spirit of the human heart Each step in this journey is a stepping stone across the turbulent waters of life's challenges guided by the light of Islamic principles and the strength of an unwavering faith in Allah's mercy and compassion The book's brilliance lies in its ability to transcend religious boundaries offering wisdom and guidance to all regardless of faith It speaks to the universal quest for peace health and happiness making it a precious gift for anyone who has ever struggled with the darkness of addiction or the scars of trauma With compassion and insight Ghounem addresses the essence of healing emphasizing the importance of turning pain into purpose embracing an energy greater than ourselves and submitting our lives and will to the divine guidance of Allah Through personal accountability forgiveness and the pursuit of a life filled with love and service to others *Islamic Recovery* charts a course towards a future redefined by hope and adorned with the jewels of spiritual enlightenment and personal transformation In a world where the echoes of despair are all too familiar Sheikh Mohamed Moussa Ghounem's *Islamic Recovery Easy Peasy 12 Step Healthy Miracles System* stands as a testament to the enduring power of faith and the indomitable strength of the human spirit It is a call to action a call to heal and ultimately a call to rise above the trials of this world hand in hand with the serene wisdom of Islam towards a horizon of limitless potential and eternal peace *101 Jewish mysteries SOLVED by Islam* Jews for Allah, 2022-12-02 What if God wrote a Commentary on the Tanakh This would bring Tears of Joy to Believers and Followers of God God's Commentary on the Tanakh would be better than all Commentaries in the World Combined We Give You Good News God has Sent a Commentary on the Tanakh Called The Holy Quran The

Quranic Commentary on the Tanakh Gives the Solution to Many Tanakh Questions Miraculously solving Questions before Tanakh Scholars knew most of the issues the Tanakh contained
