The M4 Carbine Chris McNab,2021-03-18 The M4 carbine has become one of the defining military firearms of the late 20th and early 21st centuries Developed as a fusion of the XM177E2 Colt Commando and the M16A2 assault rifle the M4 offered a more convenient battlefield firearm than the full length M16 variants and the US Army adopted it as the standard infantry weapon in the 1990s Today military and law enforcement personnel of more than 60 countries have adopted either the M4 or the M4A1 variant both of which have been tested and proven in major combat operations worldwide This study describes the development process in detail from production of the first XM4 prototypes in 1984 through numerous modified types until it emerged into official use as the M4 in 1994 The M4 offered a weapon that was 1lb lighter and 6in shorter than the standard M16A2 yet could still deliver precision semi auto and full auto firepower up to an effective range of 500m Over time its capabilities have been enhanced by the M4A1 modifications plus an extensive range of tactical accessories including optical day night sights laser infrared designators under barrel grenade launchers and shotgun modules foregrips furniture options mounting rails and sound suppressors Numerous M4 M4A1 combat operations are investigated to reveal why the weapon has received such high levels of approval by front line combat troops not only in Afghanistan and Iraq where the M4 M4A1 has been intensively combat tested but also in contexts such as Colombia India Israel and the Philippines Profusely illustrated with photographs and artworks and drawing its research from the latest declassified documents this is a complete guide to one of the most important and widely distributed tactical infantry weapons of the last quarter century

SEALs Mir Bahmanyar,Chris Osman,2011-09-20 Since their creation in 1983 the US Navy SEALs have been involved in unconventional warfare around the

globe undertaking crucial and clandestine missions These have included traditional underwater missions such as in Panama in 1989 the taking down of ships and also gas and oil platforms and more recently sniping and other missions in land locked countries like Afghanistan They have adapted their training their tactics and their weapons to enable them to remain the best in whatever task they are set This book covers the organization of the SEALs their famously demanding recruitment their equipment and their missions The authors have interviewed many past and serving SEALs who tell their stories in their own words Weapons of the US Special Operations Command Chris McNab,2019-07-25

The units and formations of the US Special Operations Command SOCOM have privileged access to the finest weaponry in the world s arsenal Whether Army Navy Air Force or Marines the SOCOM troops select weapons that match their mission requirements but which also sit at the cutting edge of combat technology This means that while SOCOM troops frequently use standard issue weaponry they also adopt many specialist pieces of kit that are not so accessible to the broader armed services including sniper rifles battle rifles and machine guns as well as high tech tactical accessories used to transform standard weaponry into something exceptional Assessing the technology and capabilities of these combat weapons as well as how they have been used in modern combat this fully illustrated study lifts the veil on some of the most distinctive hand held weapon systems of US special operations forces since 1987 Weapons of Delta Force Fred Pushies,2010-04-05

America s elite counterterrorist organization Delta Force is a handpicked group of the U S Army s finest soldiers The group specializes in hostage rescues and other difficult procedures to protect the lives of Americans throughout the world Delta uses some of the most sophisticated weapons in the field today and all are detailed in this book Pistols sniper rifles special mission aircraft fast attack vehicles SCUBA and paratrooper gear and more are presented in this fully illustrated account of our country s heroes and their tools of the trade

The Accidental Vigilante Robert Sterling Hecker,2020-09-02 Book Delisted **Soldier of Fortune** ,2008 *Guns of the Special Forces, 2001-2015* Leigh Neville,2016-03-31 An in depth look at the weaponry employed by Special Forces units around the world following the September 11th attacks In the years since 9 11 Special Forces of many nations have been in almost constant action in covert high risk operations around the globe These include the two long conflicts in Iraq and Afghanistan fighting nationalist insurgents and jihadist terrorists as well as other lesser known operations The weapons used by SF are a constant source of interest and speculation as are SF training methods and vehicles The armories of these elite units have developed rapidly to meet their demands and the ever more sophisticated threat They include for example suppressed piston driven carbines programmable grenade launchers that airburst behind hidden enemy and sniper rifles of extreme accuracy and range This highly researched book gives the reader a privileged insight into this secret world exploring the custom built weapons that operators carry on capture kill missions in the 21st Century Praise for Guns of Special Forces A cut above most of the books that purport to review special ops weapons Its limitation to the War on Terror years allows coverage of the many weapon developments that have taken place as special operations units have been
