Something to Read LEVEL 1 Jerry West, 2019-07-15 Trombone 1 *Déchiffrage Pour Le Trombone* John Kember, Simon Tate-Loverly, 2014-12 Brass Over 200 carefully graded sight reading pieces and exercises in a range of musical styles Includes solos duets and pieces with piano accompaniment Suitable for beginning to

advanced level students **Something to Read** Jerry West, 2017-06-30 Trombone 1 **Sight-Reading for Trombone**
(bass Clef and Treble Clef), ABRSM Grades 1-5, from 2023 ABRSM, 2022-09-08 **300 Progressive Sight Reading**
Exercises for Trombone Robert Anthony, 2023-11-23 Volume Two starts out rhythmically simpler than Volume One ends
and then of course progresses to a more difficult level adding dynamic markings expanding the key signatures to C G F D Bb
A Eb E Ab Major and their relative minor keys and modes and adding the time signatures 3 8 and 9 8 into the mix
Instructions and a free preview are available in pdf form at the Robert Anthony Publishing website Like in Volume One the
exercises are all eight measures two phrases or one period in length While they are composed to be melodic and pleasant to
the ear they are also composed to be difficult to memorize and utilize many rhythms that seem to be absent from other sight
reading books Next I have made the staff font slightly larger than standard While this will largely go unnoticed in the printed
version of this book it should make the electronic versions significantly easier to read Finally there are many correct ways to
use this book The instructions and a preview in pdf form are posted on my website so that I can update the instructions as I
discover additional strategies For example I sometimes receive emails in which people tell me how they like to use this book
My opinions will evolve the more I use this book to train my students so I want the ability to easily update the instructions as
needed The link for the pdf download will be directly below the picture of the cover of this book Instructional videos
supporting this book will be posted as they are created in the same place [Sight-Reading for Trombone \(bass Clef and](#)
