The Courage to Rethink Everything Elijah Morgan, 2025-11-05. Smart people don't always have the right answers, but they know when to question them. *The Courage to Rethink Everything* is a groundbreaking look at how curiosity, humility, and unlearning can become your greatest tools for growth and decision making. Built for teachers, thinkers, and lifelong learners, this book explores why certainty limits progress and how flexibility fuels creativity and better judgment. You'll learn how to challenge your assumptions, update your beliefs without shame, and see disagreement as an opportunity, not a threat. Through vivid examples from science, psychology, and everyday life, you'll discover how to develop the confidence to change your mind gracefully and inspire others to do the same. Growth doesn't come from knowing more; it comes from being willing to start again. Relearn the art of thinking, and you'll never stop evolving.
