Untitled Rhythm of Confusion Antoinette Faine, 2011-08-22 FIRST BOOK EVER THAT MUST BE READ CLOCK WISE You want drama entertainment anger humor and education all at the same time This creative emotional selection of rhyming poems are confined from dreams ideas family friends strangers and Antoinette Faine s own life experiences Also inspired by the book Sweetness was my Weakness where a older female falls in love with a younger man then finds out she got more than she bargain for Throughout the story the main characters thoughts are in rhyming poetry similar to the poems in this book Breakfast time bedtime or just for fun After you read this please pray to the sun About this book tell everyone Enjoy it because there is more to come Thanking you you and you a million **New York New Wave** Kathy Battista, 2019-01-24 New York is a centre of creative production for an exciting emerging generation of women artists Their work investigates themes such as the body as medium and subject matter the deconstruction of the existing patriarchal order of the art world the appropriation of earlier art historical references and the use of so called abject and everyday materials New York New Wave investigates the relevance of earlier feminist practice for this new generation asking Does gender difference still play a role in today s practice How can younger women artists embrace a radical political ideology and yet remain market friendly How far have these artists diverged from the established feminist tradition Artists discussed include Firelei Baez EV Day Ruby LaToya Fraser Diana Al Hadid K8 Hardy Valerie Hegarty Cindy Hinant Dawn Kasper Anya Kielar Liz Magic Laser Narcissister Alix Pearlstein Aurel Schmidt AL Steiner and W A G E **Black Girl Talk** , 1995 This provocative and timely collection of literary writing by young Black women between the ages of fifteen and twenty four captures a unique and powerful voice rarely heard in a chorus such as this one Angel Nancy Holder, Paul Ruditis, Diana G. Gallagher, 2002 Episode recaps interviews with cast and crew members and more in this behind the scenes guide to everything Angel

How to Do Things with Videogames Ian Bogost, 2011-08-05 In recent years computer games have moved from the margins of popular culture to its center Reviews of new games and profiles of game designers now regularly appear in the New York Times and the New Yorker and sales figures for games are reported alongside those of books music and movies They are increasingly used for purposes other than entertainment yet debates about videogames still fork along one of two paths accusations of debasement through violence and isolation or defensive paeans to their potential as serious cultural works In How to Do Things with Videogames Ian Bogost contends that such generalizations obscure the limitless possibilities offered by the medium s ability to create complex simulated realities Bogost a leading scholar of videogames and an award winning game designer explores the many ways computer games are used today documenting important historical and cultural events educating both children and adults promoting commercial products and serving as platforms for art pornography exercise relaxation pranks and politics Examining these applications in a series of short inviting and provocative essays he argues that together they make the medium broader richer and more relevant to a wider audience Bogost

concludes that as videogames become ever more enmeshed with contemporary life the idea of gamers as social identities will become obsolete giving rise to gaming by the masses But until games are understood to have valid applications across the cultural spectrum their true potential will remain unrealized How to Do Things with Videogames offers a fresh starting point to more fully consider games progress today and promise for the future *Conflicted Pasts and National Identities* Michael Böss,2014-05-22 War and conflicts have always played a significant role in defining national identities often with reference to events that happened centuries ago The role of passing on collective memories of these types of events has become even more complex in a globalizing world where new configurations of cosmopolitan memories challenge more locally and nationally based memories The many aspects of societies remembering and forgetting call for interdisciplinary studies *Conflicted Pasts and National Identities* Narratives of War and Conflict reflects this effort With reference to current theories of cultural memory it explores how memories of war and conflict are passed on from generation to generation how these complex processes have transformed and shaped collective identities and how they still inform national conversations
