Up To No Good Church

Harold C. Warlick

Up To No Good Church:

Up To No Good Carl Weber, 2012-06-06 There is always a man around the corner Church trustee James Black should know he's usually that man carrying on adulterous affairs and sleeping with one conquest after another But when he suddenly finds himself truly in love the other women in his church have a thing or two to say about it including his daughter Jamie Jamie has every intention of dismantling the relationship until she discovers a mystery woman has been secretly calling her lover Louis Meanwhile James's son Darnel spirals out of control after he catches his fiancée cheating James knows he's to blame for the turmoil that surrounds him and his loved ones Now he'll have to find a way to bring peace to their lives But he can only do it by facing some hard truths about himself and changing his scandalous ways A charming tale *Essence* Twisty and entertaining gives fans what they want Publishers Weekly This family's page turning drama keeps readers in suspense until the very last page *Upscale Magazine* [How to Know When Your Man Is up to No Good](#) Nelson Brown, 2006-05-05 So you couldn't get a hold of him the other day He's told you more than a few times that he's out with his male friends you seldom see or know Maybe he stayed out hours after everywhere in town had closed Or perhaps he's displayed some other behavior that had you suspicious of his real whereabouts Well if you combine these seemingly minor discrepancies with other actions in a relationship then possibly your man is up to no good He could be having an affair right under your nose It doesn't matter if you've been with him for three weeks or thirty years There are men in our society who simply refuse to be faithful It's like they just have to be like a dog They will attempt to use all kinds of tactics and lies to keep you thrown off of their casual encounters In a nutshell they don't want you to ever discover that they are up to no good After all they did use whatever skills they possessed to land you in their life These men want to have their cake and eat it too What has it really gotten you If you're anything like most women who have gone through being with an unfaithful man then it's probably consisted of countless days of headaches heartaches and a bunch of unnecessary drama in your life Now here is the chance to know when your man is up to no good This book written by a man who cares and has over 25 years of experience with relationships will shed more light to every woman's eyes to particular behaviors to be aware of from the man who is in your life or attempting to be in your pants And it will share specific characteristics to completely avoid from the very beginning How to know when your man is up to no good will have you paying much more attention to small details that you once ignored In the end if you do it right you'll have much more satisfaction in your personal life A must own for every woman on the planet
