Shaikh and Disciple M R Bawa Muhaiyaddeen (Ral),2018-10 Nothing will grow in the desert of your maya your delusion Everything in it is a mirage If you see this mirage and think you are going to have water to drink it will be just a dream If there should be a tree in the place where you fall into that hypnotic delusion it will provide the shade of wisdom That is what a genuine Shaikh will do in the desert of life where the dream of the mirage of drinking water exists He will be there to comfort you and to send you past that place You will be able to know its comfort only if you possess that search that certitude and that state Then you will be able to know the shade of the Shaikh He will alleviate all the many difficulties that come to you He will alleviate your suffering He will alleviate your fatigue If you act with awareness in this state your journey will be easy And your future journey will be easy *Mercy Oceans of the Heart* Shaykh Nazim al-Qubrusí,1985 **Shah**

Bahauddin Naqshband - Life and Works Sheikh Taoshobuddha,2011-07-05 SHAH BAHAUDDIN NAQSHBAND LIFE AND

WORKSI am ecstatic that once again I have the occasion to speak to you However this time the overflow is of Hazrat Shah Bahaiddin Naqshband one whose very essence pulsates through the entire Sufi path Spiritual awareness is like water it takes the color and shape of the cup Allah s Knowledge is so great that however much we take it is like a drop of a huge ocean It like a vast garden however much we have cut it is as if we had cut but one flower says an ecstatic Bahaiddin Yet still the fundamentalists try to cage this sublime awareness of eternal oneness within narrow boundaries of religion and beliefs Sprituality begins when you cross the narrow boundaries of religion and religious beliefs The entire ummat or creation is the responsibility of the one who has attained spiritual awareness But very rarely you find someone who is versatile to speak of various paths and masters with authenticity and thus brings out truth in its sublimity Sufism is such overflow of love a great experiment in human consciousness how to transform human consciousness into ishq It is alchemy And through this work and others my effort to bring about the alchemical change in consciousness that be possible This is what I am doing here with you You may be aware you may not be aware of it but this whole experiment is to create in you as much love energy as possible Man can be transformed into pure love energy Just as there is atomic energy discovered by physics and a small atom can explode into tremendous energy so too each cell of your heart can explode into tremendous love That love is called ishq It is atomic in nature No one can destroy this You may call this Love or Awareness or Consciousness or God matters not What really matters it to be with this energy Even more significant is to imbibe it into your being And then let it overflow your being Also let it surround your life your living Sufism is the path of the overflow of energy This is Naqshbandiyah Nisbet the Tariqat *Mercy Ocean's Hidden Treasures* Nazim Adil Al-Qubrusi (Sheikh.), Abdullah Al-Daghistani (Sheikh.),1981

Understanding Sheikh Ahmadou Bamba Mbacke Part 1 Cheikh Lo,2025-03-18 This book is the fourth book in the Light Up the Midnight series which was created by Cheikh Lo The project is an ongoing series of publications that seek to explore the virtuous life of Sheikh Ahmadu Bamba Mbacke the founder of Muridiyyah in a thematic approach By immersing oneself in the teachings derived from the exemplary life of Ahmadou Bamba it is possible to understand that Islam is not inherently linked with violence and that all aspects of life come at a cost Many do not have time to read lengthy literary works Therefore I have chosen to write short books that are easy to understand **Mercy Oceans of the Heart** Shaykh Nazim al-Qubrusi,1985 **Sheikh Abdul Malik b.
