The People's Hymnal Edmund Simon Lorenz, 1890

Holy Demons Jeremy Tubbs, 2025-02-19

This book is about exposing the truth behind the current state of many churches especially megachurches and the people who use the name of God for personal gain. It discusses how some pastors and leaders manipulate God's Word to create personal empires and profit off the faith of others. The book addresses the rise of false teachings, the manipulation of the prosperity gospel, and how people especially vulnerable individuals are being misled. It also explores the personal experiences of the author including how they were involved in similar behavior using God's name to justify personal actions and how they eventually recognized the truth. The book highlights the importance of staying true to the real purpose of the Church: serving others, living authentically, and focusing on God's Word rather than material wealth or fame. Through the author's story and analysis, the book invites readers to reflect on what the true Church is meant to represent, urging them to move away from deceptive teachings and to share the truth of God's Word with others. Ultimately, it is about calling people back to the true power of the Gospel: transformation, healing, and salvation.
