This student text book is aimed at advanced C1 level learners. The aim of the series is to give students the chance to expand their vocabulary in different areas. Each unit deals with a common vocabulary topic; the vocabulary is taught through a variety of exercises with lots of illustrations to make them more lively and interesting. This series can be used as Time Fillers when teachers have some extra time and they need something to do to help students revise what they have already been taught. Alternatively, it can also be used to help weak students enrich their vocabulary in various common topics. Levels B1, B2, C1 and C2 in this series have also been written for students who are planning to take the IELTS exam. They cover some of the main vocabulary points that IELTS candidates will need for the listening, reading, writing and speaking components of the exam. The vocabulary that students acquire in each of these books will help them to achieve the score they want in the IELTS exam. The 15 units in each of these books focus on topic-specific vocabulary areas. These may be required in the IELTS exam, for example, economy, education, health, etc. Some Exercises focus on general vocabulary items which can be used in all aspects of the English language. Many of these words are relevant to specific tasks in the IELTS exam, for example, describing how something works, writing a letter or describing a house.

Theory and Practice of Polish Language Teaching Przemysław E. Gębał, Iwona Janowska, 2025-04-14. The aim of the volume is to focus on research interests that are rarely presented in the literature on the subject and that arise from the currently perceived needs of the developing didactics of Polish as a foreign language. The research results presented in the contributions provide a new look at the process of acquiring and/or teaching learning Polish from the following aspects: the peculiarities of Ukrainian speakers learning Polish, problems of acquiring Polish by students from Japan, China, France and Lebanon, methods of developing language skills and activities and specific phenomena in teaching Polish as a business language. Qualitative, quantitative and mixed analyses as well as experimental corpora allow the results described to be considered important for the developing discipline. *The Vocabulary Files* Lawrence Mamas, Andrew Betsis, 2010-01-01. This is the teachers' edition of the textbook of the same name. Aimed at intermediate B1 level learners.
