The Word Became Flesh A Contemporary Incarnational Christology

Stephen J. Wellum

The Word Became Flesh A Contemporary Incarnational Christology:

The Word Became Flesh Millard J. Erickson, 1991 A respected author offers this detailed well documented exploration of the person of Christ that is accessible for laypersons and stimulating for academics Top notch reading **Revisiting Jesus Christ's Continuing Humanity** Patrick Nasongo Ph.D., 2022-09-12 Most readers are familiar with Jesus deity and His humanity while He was here on the earth but they seldom consider the fact of His continuing humanity Dr Nasongo investigates the insufficient treatment of this subject from the time of the Apostolic Fathers to the present and then he presents the biblical evidence for Christ's continuing humanity In the process he demonstrates its relationship to apologetics hermeneutics and systematic theology with a special emphasis on eschatology **Theologians of the Baptist Tradition** Timothy George, David S. Dockery, 2001-05-15 A resource for pastors students and teachers to discover Baptist contributions to Christianity's theological heritage **Infinite Risk Theology** Stefano Salemi, 2025-03-19 Could God's Son incarnate sin Could the tomb have remained closed Could the story have gone differently More precisely could God's Son be eternally separated from the Father's communion and eventually die and go out of existence Mainstream theology often argued for Christ's impossibility to change immutability be separated from the triune God indivisibility and sin impeccability Consequently there was no potential risk to his life his death on the cross could not affect in any form his divine life Would the cross not need instead a risk to be a sacrifice Here is where the question finds its raison d'être Could God's Son risk his eternal existence losing himself forever with all humankind This question is rarely considered or often neglected in Christological debates Ellen G White a woman among the most prolific nineteenth century authors and a prominent Adventist theologian delves into what she calls the infinite risk the potential reality of the death of God the Son Drawing on her extensive writings this book analyses White's Christology Incarnational model and views of the Godhead and of what could have happened at the cross cutting new paths in the comprehension of God's love while challenging conventional theological paradigms **Systematic Theology, Second Edition** Wayne A. Grudem, 2020-12-08 This new edition of Systematic Theology by Wayne Grudem is one of the most important resources for helping you understand Scripture and grow as a Christian The most widely used resource of the last 25 years in its area Systematic Theology has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field clear explanations an emphasis on each doctrine's scriptural basis and practical applications to daily life With nearly 250 pages of new content and revisions this new edition now includes the following distinctive features Updated analysis of recent controversies within evangelical theology including the eternal relationship between the Father and the Son in the Trinity the role of women in the church miraculous gifts of the Holy Spirit and contemporary worship music New discussion and critiques of recent theological controversies situated outside of traditional evangelical theology such as open theism the new perspective on Paul Molinism or middle knowledge Free Grace theology and the preterist view of Christ's second coming Completely revised

chapter on the clarity of Scripture Completely revised chapter on creation and evolution including a longer critique of theistic evolution and an extensive discussion on the age of the earth New discussion of how biblical inerrancy applies to some specific problem verses in the Gospels Additional material explaining evangelical Protestant differences with Roman Catholicism Protestant liberalism and Mormonism Completely updated bibliographies All Scripture quotations updated from RSV to ESV Updated section on contemporary worship music Numerous other updates and corrections Part of the brilliance of Systematic Theology has been its simplicity and ease of use Each chapter follows the same structure discussion of the doctrine being considered an explanation of that doctrine s biblical support and possible objections followed by personal application and key terms to know for personal growth Chapters also include a Scripture memory passage references to other literature on the topic and suggested hymns and worship songs If you think theology is hard to understand or boring then this new edition of Systematic Theology will change your mind **The Word Made Flesh** Ian A.

McFarland,2019-09-03 Most theologians believe that in the human life of Jesus of Nazareth we encounter God Yet how the divine and human come together in the life of Jesus still remains a question needing exploring The Council of Chalcedon sought to answer the question by speaking of one and the same Son our Lord Jesus Christ the same perfect in divinity and also perfect in humanity the same truly God and truly a human being But ever since Chalcedon the theological conversation on Christology has implicitly put Christs divinity and humanity in competition While ancient and not so ancient Christologies from above focus on Christs divinity at the expense of his humanity modern Christologies from below subsume his divinity into his humanity What is needed says Ian A McFarland is a Chalcedonianism without reserve which not only affirms the humanity and divinity of Christ but also treats them as equal in theological significance To do so he draws on the ancient christological language that points to Christs nature on the one hand and his hypostasis or personhood on the other And with this McFarland begins one of the most creative and groundbreaking theological explorations into the mystery of the incarnation undertaken in recent memory *Evangelical Dictionary of Theology* Walter A. Elwell,2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics

T&T Clark Handbook of Analytic Theology James M. Arcadi,James T. Turner,2021-01-28 This handbook provides theological and philosophical resources that demonstrate analytic theology s unique contribution to the task of theology Analytic theology is a recent movement at the nexus of theology biblical studies and philosophy that marshals resources from the analytic philosophical tradition for constructive theological work Paying attention to the Christian tradition the development of doctrine and solid biblical studies analytic theology prizes clarity brevity and logical rigour in its exposition of Christian teaching Each contribution in this volume offers an overview of specific doctrinal and dogmatic issues within the Christian tradition and provides a constructive conceptual model for making sense of the doctrine Additionally an extensive bibliography serves as a valuable resource for researchers wishing to address issues in theology from an analytic

perspective **God the Son Incarnate** Stephen J. Wellum, 2016-11-16 Nothing is more important than what a person believes about Jesus Christ To understand Christ correctly is to understand the very heart of God Scripture and the gospel To get to the core of this belief this latest volume in the Foundations of Evangelical Theology series lays out a systematic summary of Christology from philosophical biblical and historical perspectives concluding that Jesus Christ is God the Son incarnate both fully divine and fully human Readers will learn to better know love trust and obey Christ unashamed to proclaim him as the only Lord and Savior Part of the Foundations of Evangelical Theology series **Andrews University Seminary Studies** Andrews University. Seventh-Day Adventist Theological Seminary, 1993 **Handbook of Evangelical Theologians** Walter A. Elwell, 1993 **The Blackwell Companion to Modern Theology** Gareth Jones, 2008-04-15 In this major reference work a team of the world's leading theologians provides a powerful overview of modern theology Covers theology's relation to other disciplines the history of theology major themes key figures and contemporary issues Can be used as the basis for an introductory course or as an essential reference source **Classical and Contemporary Readings in the Philosophy of Religion** John Hick, 1990 Features a chronological sequence so that discussions by the same writer of different but related topics may conveniently be studied together Third edition includes readings reflecting the most contemporary thought in philosophy of religion Critical Review of Books in Religion, 1992 **Postmodernizing the Faith** Millard J. Erickson, 1998 The dean of evangelical theologians explores six evangelical responses both positive and negative to postmodernism Living in Union with Christ Kye Won Lee, 2003 This book gives a thorough synopsis and articulation of the theology of Thomas F. Torrance one of the most consistent evangelical theologians of this century The inner structure of his theology reveals three concepts that revolve around an axis of union and communion perichoresis unio hypostatica and koinonia Torrance's central theme of union with Christ is established in his Christology and soteriology is confirmed by his epistemology and bears great fruits in his ecclesiology and sacramentology This intrinsic Christological pattern runs through the entire structure of his theology The recovery of such an understanding of union with Christ provides critical and constructive implications for the theological ecclesiological and liturgical renewal of the Church Mid-America Journal of Theology, 2007 **The Christian Certainty Amid the Modern Perplexity** Alfred Ernest Garvie, 1910 *The Merging of Theology and Spirituality* Larry S. McDonald, 2006-07-29 While acknowledging the inherent tension between evangelicals who emphasize theological propositions and those who emphasize personal experience Alister McGrath believes that spirituality represents the interface between ideas and life between Christian theology and human existence The book explores the centrality of McGrath's theology in the development of his views on spirituality McGrath does not approach spirituality from a theological void but instead uses his theological perspective as the foundation Through detailed examination of McGrath's previous work and the writing of other evangelicals *The Merging of Theology and Spirituality* offers an overview of a unique thinker's contributions and a guide for future theological and spiritual exploration *The*

Evangelical Left Millard J. Erickson, 1997 Millard Erickson identifies practitioners of a new theological movement in evangelicalism that he contends have adopted a postconservative position and have drifted from the fundamental affirmations of conservative evangelicalism

Eventually, you will completely discover a new experience and ability by spending more cash. nevertheless when? get you put up with that you require to get those every needs taking into account having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to comprehend even more just about the globe, experience, some places, later history, amusement, and a lot more?

It is your completely own mature to performance reviewing habit. in the middle of guides you could enjoy now is **The Word Became Flesh A Contemporary Incarnational Christology** below.
