Summary of Tom Wolfe's The Kingdom of Speech Everest Media,2022-05-13T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The most fundamental questions about the origins and evolution of our linguistic capacity remain as mysterious as ever Scientists have been trying to answer them for decades but have come up with nothing 2 The author s grandfather Alfred Wallace was a British naturalist who suffered from the Genghis ague or malaria in 1858 He came up with the solution to the mystery of mysteries how evolution works As generations go by a breed has to adapt to many changing conditions and threats in order to survive 3 The idea that all the different species of plants and animals today had evolved from earlier ones was first introduced in a bestselling book in 1844 called Vestiges of the Natural History of Creation It was a complete cosmology of the creation of earth and solar system and plant and animal life 4 Wallace s discovery was sent to a group of distinguished British gentlemen who were friends of Charles Darwin s The year 1858 was the crest of the high Victorian tide of the British Empire s dominion over palm and pine *Summary of.*

Unoffendable SellWave Audio,2025-11-14 Unoffendable offers a fresh countercultural approach to handling anger frustration and the constant pressures of modern life In a time when people are quick to react and slow to listen the book suggests something radical let go of the belief that you are entitled to be offended Through a warm conversational tone Brant Hansen shows how releasing the need to hold onto irritation or self righteous anger leads to a lighter more joyful way of living Instead of feeding the cycle of outrage he encourages a mindset shaped by humility gratitude and a clear understanding of human nature Hansen explains that much of the stress people experience comes from unrealistic expectations and the belief that their anger is justified By surrendering that supposed right you free yourself from emotional burdens that were never meant to be carried The book offers practical guidance on adjusting expectations extending forgiveness and choosing compassion in situations that would normally spark offense With added chapters reflecting what Hansen has learned since the original edition this updated version brings even deeper insight into forgiveness and emotional freedom Designed for simple daily reading the short chapters gently challenge long held habits while inviting readers into a more peaceful Christ centered way of life Hansen s humor and honesty make the message approachable reminding us that joy becomes more accessible when we stop clinging to indignation and instead choose grace Unoffendable points toward a life marked by calmness generosity and the kind of spiritual flourishing God intends a life no longer controlled by offense but guided by steady gratitude *Summary of Peter Scazzero's Emotionally Healthy Spirituality Day by Day* Everest

Media,2022-07-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Jesus anger should make us gasp He knows that if we don t get to God invaluable treasures will be lost or obscured We lose the space where we experience God s unfailing love and amazing forgiveness 2 We must take the time to be silent and contemplate especially those who live in big cities like London and New York God is the friend of silence and we must listen

to Him because it's not what we say but what He says to us and through us that matters 3 The word of the Lord came to Jonah son of Amittai Go to the great city of Nineveh and preach against it because its wickedness has come up before me But Jonah ran away from the Lord and headed for Tarshish He went down to Joppa where he found a ship bound for that port 4 God sends a great storm to test whether or not Jonah will listen to him He is thrown overboard and swallowed by a great fish From the belly of the fish he begins to pray to God Gulliver's Travels (SparkNotes Literature Guide)

T. Wright's Simply Jesus Everest Media,2022-04-26T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 When Jesus arrived in Jerusalem he was not the king that the crowd had expected He was not like the monarchs of old who sat on their jeweled and ivory thrones dispensing their justice and wisdom He was weeping for the dream that was dying and for the sword that would pierce his supporters to the soul 2 The question of who Jesus actually was is important for Christians It is the question of what he did what he said and what he meant It is by implication the question that any grown up Christian faith must address 3 I realized that I could no longer put off confronting the hard questions about Jesus I was preaching regularly leading Confirmation classes and organizing worship I was finishing my doctorate and teaching undergraduates I was facing the challenges of real life on several levels 4 The reason Jesus wasn't the king people wanted him to be is that he was the true king but they had become used to the ordinary shabby second rate sort He was coming to redefine kingship around his own work mission and fate
