Towards an Indigenous Ethnography of Performance Virginie Magnat, 2003 **Twentieth-century Theatre** Richard Drain, 1995 Richard Drain gathers together a wide ranging selection of original writings on theatre this century Ideal for students it will also be of interest to anyone involved with the theatre **Sophie Treadwell** Jerry Dickey, 1997-01-14 Best remembered today for her acclaimed 1928 expressionist drama *Machinal* based in part on the infamous murder trial of Ruth Snyder Sophie Treadwell was an innovative American dramatist whose career spanned almost 60 years and nearly 40 plays A relentless experimenter in dramatic subjects styles and forms Treadwell was one of a select number of American women playwrights who also actively produced and directed their own works She was also a professional journalist and she constantly used her writings to explore women s personal and social struggles for independence and equality This is the first book to chronicle her many achievements The volume includes a career and biographical overview detailed plot summaries and critical introductions to her plays an annotated bibliography of works by and about her and an exhaustive production history Studies of American theatre have too long omitted the accomplishments of Sophie Treadwell Although best remembered today for only a single work the explosive 1928 drama *Machinal* Treadwell maintained a career in the theatre that spanned close to 60 years and included the authorship of approximately 40 plays At a time when women playwrights were growing steadily among the ranks of Broadway dramatists Treadwell was one of a select few of these women who also actively produced and directed their own plays She became a relentless and articulate advocate for the commercial and artistic rights afforded playwrights on Broadway and around the world She experimented with a range of dramatic structures and styles and often tackled timely or controversial subjects which she knew would prove unpopular with commercial producers Most significantly she continually placed female characters in subject positions in her plays and dramatized women s personal and social struggles for independence and equality In spite of her achievements Treadwell has been largely overlooked But after highly prominent revivals of *Machinal* R by the New York Shakespeare Festival in 1990 and

London's Royal National Theatre in 1993 she has begun to be recognized for her enormous contributions to the American stage This volume is a comprehensive reference guide to her life and work A biography and chronology summarize the most important events in her career The book then presents summaries and critical overviews of her many plays The work includes an extensive annotated bibliography of primary and secondary sources and it concludes with production histories for her works

Theater Directing Kazimierz Braun, 2000 Polish born director writer playwright and scholar Braun State U of New York Buffalo sets down the approach to creative theatre directing that he teaches in his classes It is based on the two premises that directing is an act of creating of making something out of nothing and that is also a craft that requires skills techniques methods and tools to express the artistic energies and spiritual abundance of human life After an introduction he discusses shaping a theater style creative text analysis creating the human layer of the performance performance space and time action mind and imagination the director's practical preparations implementing the project before rehearsals creative rehearsals and final rehearsals leading to the opening The text is double spaced Annotation copyrighted by Book News Inc Portland OR

The Theatre Makers David Chadderton, 2008 Many people enjoy theatre but just who were the people that established theatre as we know it What lies at the beating heart of this book is a fascinating profile of 7 pioneering figures and the stories of how they developed their approach to theatre
