The Will Of God Answering The Hard Questions:

The Will of God James C. Howell, 2009-01-16 How are we to know the will of God In this honest discussion veteran pastor and theologian James C Howell considers a number of issues relating to God s will how it is known how it is done and how we respond when bad things happen and we feel God is absent or has turned away from us In this sensitive presentation Howell explores these questions and provides ways of recognizing the true things to which we can hold in the midst of hard times Howell proceeds simply and practically to consider personal understandings of God God s will for our lives and ways in which God s will is lived He reflects on what to do and believe when bad things happen why they happen and the quest for God in the midst of it all recognizing that God s will is for good *Hard Questions, Heart Answers* Bernice A. King, 1999-03-23 Bernice King the youngest daughter of Martin Luther King Jr and Coretta Scott King is an ordained minister an attorney and one of this country s most admired speakers As this remarkable collection of her sermons and speeches makes clear she shares with her father a rare gift for oratory and the wisdom and compassion to inspire others The collection begins with words designed to disturb the comfortable Tackling such controversial subjects as our disaffected youth gun control and the death penalty King paints a compelling picture of the spiritual decay and deep seated racism that infects our society In the second part of the book a selection of sermons focusing on comforting the disturbed King s belief in the power of faith to restore our communities morally and spiritually rings forth The church she asserts must return to its helping and healing mission and each of us looking into our hearts must put aside our differences and remember that each human life is precious

Hard Questions, Real Answers William Lane Craig, 2003-10-17 Why doesn t God answer my prayers If God is so powerful why does evil exist And if He is so good why do we suffer Nonbelievers and even Christians are often troubled by questions about suffering doubt failure and unanswered prayer Yet careful compassionate answers are hard to find in part because evangelicals have not taken the life of the mind seriously enough The intellectual currents of our day are just too strong for simplistic responses In *Hard Questions Real Answers* William Lane Craig doesn t offer trite phrases or pat answers he offers honest insights gained from a life of study and ministry Readers in the midst of doubt and confusion will find real answers to these perplexing questions and learn to stand on the only sure foundation for hope God Himself This expanded new edition includes chapters on abortion and homosexuality to help readers know how to think about these volatile social issues *God's Answers to Life's Difficult Questions* Rick Warren, 2008-09-09 When we have difficult questions the Bible has answers Join Rick Warren pastor and New York Times bestselling author as he invites us to take a closer look at key biblical figures and the ways in which they faced difficult questions and challenges in their daily lives In *God s Answers to Life s Difficult Questions* Warren uses stories from scripture to teach us that the Bible is filled with examples of real people who faced the same dilemmas we re facing today By demonstrating the ways in which God chooses to use ordinary people to accomplish his plans despite their weaknesses and failures Warren gives us hope as we take on life s countless challenges

Better yet Warren provides us with realistic solutions that we can start putting into practice today Taking us inside the lives of biblical characters including Moses Paul and Jesus himself Warren gives us a chance to see the up close and personal ways they navigated their own circumstances Although God s Answers to Life s Difficult Questions is anchored in timeless stories from scripture Warren also weaves in modern examples that address the twelve questions he s asked the most as a spiritual leader including How can I learn to handle discouragement How can I respond better in a crisis How do I become more resilient when I feel like a failure How can I fight my loneliness How is change possible for me How can I lead a more peaceful life The concrete practical insights that Warren shares in God s Answers to Life s Difficult Questions will give you the tools you need to build up your resilience strengthen your relationship with God and finally enjoy a life full of lasting purpose peace and significance
