react to dogs in the way that we do The Grace of Dogs paints a vivid picture of how beyond sentimentality the dog human connection can legitimately be described as spiritual as existing not for the sake of gain but for the unselfish desire to be with and for the other and to remind us that we are persons worthy of love and able to share love In this book for any parent whose kids have asked if they ll see Fido in Heaven or who has looked their beloved dog in the face and wondered what s going on in there Dr Root delivers an illuminating and heartfelt read that will change how we understand man s best friend
