The Use And Abuse Of History:

The Use and Abuse of History Friedrich Wilhelm Nietzsche, 2010-08-01 He is one of the most controversial thinkers of the 19th century Nietzsche and his works have been by turns vilified lauded and subjected to numerous contradictory interpretations and yet he remains a figure of profound importance and his works a necessary component of a well rounded education In this 1873 essay Nietzsche discusses the inevitably subjective lenses through which we see explore examine and lend meaning to the events and characters of the past As we find ourselves plunged into times that feel of urgent and historic significance Nietzsche's reflections and speculations are newly provocative whether we agree with them or not German psychologist and philosopher FRIEDRICH WILHELM NIETZSCHE 1844 1900 was appointed special professor of classical philology at the University of Basel at the precocious age of 24 but soon found himself dissatisfied with academic life and created an alternative intellectual society for himself among friends including composer Richard Wagner historian Jakob Burckhardt and theologian Franz Overbeck Among his philosophical works are Thus Spoke Zarathustra Beyond Good and Evil and Ecce Homo

The Use and Abuse of History Friedrich Nietzsche, 2019-11-13 In this essay the philosopher presents a complex many faceted argument that cautions against an uncritical devotion to the study of history and excessive devotion to any country's past greatness

Jakob Burckhardt and theologian Franz Overbeck Among his philosophical works are *Thus Spoke Zarathustra* *Beyond Good and Evil* and *Ecce Homo* **On the Use and Abuse of History for Life** Friedrich Wilhelm Nietzsche, 2007-03 I have tried to describe a feeling which has often enough tormented me I take my revenge on this feeling when I expose it to the general public Perhaps with such a description someone or other will have reason to point out to me that he also knows this particular sensation but that I have not felt it with sufficient purity and naturalness and definitely have not expressed myself with the appropriate certainty and mature experience Perhaps one or two will respond in this way However most people will tell me that this feeling is totally wrong unnatural abominable and absolutely forbidden that with it in fact I have shown myself unworthy of the powerful historical tendency of the times as it has been by common knowledge observed for the past two generations particularly among the Germans Whatever the reaction now that I dare to expose myself with this natural description of my feeling common decency will be fostered rather than shamed because I am providing many opportunities for a contemporary tendency like the reaction just mentioned to make polite pronouncements The Use and Abuse of History Marc Ferro, 2004-06-01 Use and Abuse of History has become a key text of current historiography this is a book that poses fundamental and disturbing questions about the use and abuse of history Engaging and challenging this book confronts the reader with the many histories that exist and have existed around the world from the Zulu kingdoms to Communist China This title has now been extensively revised by Marc Ferro a well respected historian and presents the different narratives that constitute the histories of countries as diverse as India Iran Trinidad and the United States makes for fascinating reading in their own right What makes this book so valuable though is what these narratives tell us about the societies which create them how much is history distorted in order to condition the minds of those who are taught it Use and Abuse of History appeals to anyone with a general interest in history The Use and Abuse of History Moses I. Finley, 1975 *The Use and Abuse of History* Marc Ferro, 2015-10-08 Use and Abuse of History has become a key text of current historiography this is a book that poses fundamental and disturbing questions about the use and abuse of history Engaging and challenging this book confronts the reader with the many histories that exist and have existed around the world from the Zulu kingdoms to Communist China This title has now been extensively revised by Marc Ferro a well respected historian and presents the different narratives that constitute the histories of countries as diverse as India Iran Trinidad and the United States makes for fascinating reading in their own right What makes this book so valuable though is what these narratives tell us about the societies which create them how much is history distorted in order to condition the minds of those who are taught it Use and Abuse of History appeals to anyone with a general interest in history *The Use and Abuse of History* Marc Ferro, 1981 History Out of Joint Sande Cohen, 2006 Publisher Description The Uses and Abuses of History Margaret MacMillan, 2010-12-09 The past is capricious enough to support every stance no matter how questionable In 2002 the Bush administration decided that dealing with Saddam Hussein was like appeasing Hitler or Mussolini and promptly invaded Iraq

Were they wrong to look to history for guidance No their mistake was to exaggerate one of its lessons while suppressing others of equal importance History is often hijacked through suppression manipulation and sometimes even outright deception MacMillan s book is packed full of examples of the abuses of history In response she urges us to treat the past with care and respect

Use and Abuse of History Pieter Geyl,1970 Historical knowledge this noted Dutch historian declares should be a result of free investigation and criticism Since it deals with facts not imagination it cannot be cast into a predetermined mold to fit a unified pattern of arbitrary principles The most we can hope for he states is a partial rendering an approximation of the real truth about the past In this succinct analysis of the philosophy and method of history Professor Geyl examines the prevailing concepts of history and the new awareness of distance from the past that was lacking in earlier historians History he points out provides an elucidation of the present and its problems by showing them in perspective This important study of the historical point of view is based on the author s Terry Lectures at Yale *The Use and Abuse of Church History* Arthur Whipple Jenks,1919 *The Use and Abuse of Literature* Marjorie Garber,2012-04-03 In this deep and engaging meditation on the usefulness and uselessness of reading in the digital age Harvard English professor Marjorie Garber aims to reclaim literature from the periphery of our personal educational and professional lives and restore it to the center as a radical way of thinking But what is literature anyway how has it been understood over time and what is its relevance for us today Who gets to decide what the word means Why has literature been on the defensive since Plato Does it have any use at all other than serving as bourgeois or aristocratic accoutrements attesting to one s worldly sophistication and refinement of spirit What are the boundaries that separate it from its commercial instance and from other more mundane kinds of writing Is it as most of us assume good to read much less study and what would that mean
