Complete Works Plato, 1997-01-01 Gathers translations of Plato's works and includes guidance on approaching their reading and study

Interpreting Plato Socratically J. Angelo Corlett, 2018-04-17 J. Angelo Corlett's new book Interpreting Plato Socratically continues the critical discussion of the Platonic Question where Corlett's book Interpreting Plato's Dialogues concluded New arguments in favor of the Mouthpiece Interpretation of Plato's works are considered and shown to be fallacious as are new objections to some competing approaches to Plato's works The Platonic Question is the problem of how to approach and interpret Plato's writings most of which are dialogues How if at all can Plato's beliefs doctrines theories and such be extracted from dialogues where there is no direct indication from Plato that his own views are even to be found therein Most philosophers of Plato attempt to decipher from Plato's texts seemingly all manner of ideas expressed by Socrates which they then attribute to Plato They seek to ascribe to Plato particular views about justice art love virtue knowledge and the like because they believe Socrates is Plato's mouthpiece through the dialogues But is such an approach justified What are the arguments in favor of such an approach Is there a viable alternative approach to Plato's dialogues In this rigorous account of the dominant approach to Plato's dialogues there is no room left for reasonable doubt about the problematic reasons given for the notion that Plato's dialogues reveal either Plato's or Socrates beliefs doctrines or theories about substantive philosophical matters Corlett's approach to Plato's dialogues is applied to a variety of passages throughout Plato's works on a wide range of topics concerning justice In depth discussions of themes such as legal obligation punishment and compensatory justice are clarified and with some surprising results Plato's works serve as a rich source of philosophical thinking about such matters A central question in today's Platonic studies is whether Socrates or any other protagonist in the dialogues presents views that the author wanted to assert or defend Professor Corlett offers a detailed

defense of his view that the role of Socrates is to raise questions rather than to provide the author's answers to them This defense is timely as intellectual historians consider the part played by Academic scholars centuries after Plato in systematizing Platonism J J Mulhern University of Pennsylvania

All Angels Welcome Here Linda Copeland Annis, 2012-09-01 Successful and content in every way describes the 1950s world of Brad and Lydia Westbrook Until their firstborn child died in his sleep at only three days old the description fits Their ensuing darkness seems impenetrable Enter Gus blond intense brown eyes a constantly wagging tail and in need of a good home Laughter returns slowly and grows with each addition to the family coming from a variety of God's creatures in need of care Animal antics cause the shadows to diminish and become the unlikely catalyst for stability and happiness to once again become commonplace The journey to complete restoration of faith is not concluded until the Westbrook home welcomes a tiny infant an ill tempered mother in law a struggling family and a young woman burdened with a terrible secret All seek comfort here More surprises some would say miracles await the family now tested and thoroughly ready to meet whatever comes along All Angels Welcome Here is a story you will never forget

The Gospel of Matthew Matt Woodley, 2011-09-28 They say the Bible is true but does it ring true Does it resonate In this journey through the Gospel of Matthew Matt Woodley considers the audacious idea of a God with us confronting us in the midst of all we've invested ourselves in and dedicated ourselves to and encouraging us with the promise that the God who made us has a better life in mind for us The Resonate series recovers the ancient wisdom of Scripture for a complex world The stories and insights of each book of the Bible are brought into conversation with contemporary voices of hope and lament the cultural messages we interact with on a daily basis The Scriptures become a meeting ground where God is confronted with the pressing concerns of our day and we are confronted in turn with a fresh experience of God's truth
