Heinke, 2014-05-14 *The New Vet's Handbook: Information and Advice for Veterinary Graduates* Clare Tapsfield-Wright, 2018-06-30 Entering the veterinary profession after leaving vet school is a challenging stage of the new vet's career Finding the right first placement fitting in with colleagues adapting to the practice environment and understanding

what is expected of you clinically professionally ethically and academically are all challenges that face the new graduate. Attrition rates and reports of dissatisfaction of new graduates are high and a matter of concern to the profession and it is recognised that extra support and guidance is needed. The New Vet's Handbook acts as a guidebook for newly qualified vets on personal and professional issues covering employment options interviews mentoring working with clients patients and colleagues consulting advice dealing with euthanasia record keeping veterinary standards training and CPD career options professional skills and avoiding pitfalls relating to social media drugs and ethical issues. The book also covers topics specific to vets in small animal and large animal practice. Written in a supportive and lighthearted way The New Vet's Handbook aims to provide advice based on long held experience and reduce stress at a challenging time. It will be an essential read for newly qualified vets and final year vet students.

Michael Balls review published in *Atla*. The strength of the book lies in the way Kevin Dolan brings his experience to bear blending information from various sources. Patrick Sinnett Smith review published in *RDS News*. Written by the leading expert in this field this is the only book providing practical guidance on the legal obligations of caring for laboratory animals. Up to date information on all relevant UK legislation and guidelines is given with the main emphasis being on the interpretation of the Animals Scientific Procedures Act 1986. New to this edition Emphasis throughout is now on the practical application of legal controls of the use of animals in research. Updated where relevant to keep in line with new welfare legislation. Coverage of current format of application for personal and project licences. Expanded coverage of Certificates of Designation. Impact of the Freedom of Information Act is discussed. A vital resource for all those involved with the use of animals in research and especially those studying for qualifications or licences in this field.
