The Vision Thing Myth Politics And Psyche In The World:

The Vision Thing Thomas Singer, 2000 Contemporary politics goes on at a mythic level This is the provocative argument put forward in this unique book The first part focuses on leadership and vision while the second part deals with the one and many theme in politics

The Vision Thing Thomas Singer, 2014-01-14 Contemporary politics goes on at a mythic level This is the provocative argument put forward in this unique book which results from the collaboration of practising politicians organisational and political consultants scholars of mythology and culture and Jungian analysts from several countries The first part of the book focuses on leadership and vision and features a reflection on myth and leadership by former U S Senator Bill Bradley The second part deals with the way the theme of the one and the many works itself out in politics today From the perspective of the many there are chapters on factionalism ethnic strife genocide and multiculturalism From the perspective of the one there are chapters on the economic myth and gender politics showing how these bring coherence to today s confused political scene culminating in the suggestion that the modern political psyche is itself in the midst of a rite of passage The relevance of the book to the practice and study of politics mainstream and marginal cannot be overemphasised and the book will provide stimulating reading for practitioners and students in these areas as well as for those engaged in psychological work such as therapy counselling or analysis

Vision, Reality and Complex Thomas Singer, 2020-11-09 Vision Reality and Complex brings together a rich selection of Thomas Singer s scholarship on the development of the cultural complex theory and explores the relationship between vision reality and illusion in politics and psyche The chapters in this book discuss the basic principles of the cultural complex theory in various national and international contexts that span the Clinton Bush Obama and Trump eras Each chapter grounds this theory in practical examples such as race and healthcare in the United States or in specific historical and international conflicts between groups whether they be ethnic racial gender local national or global With chapters on topics including mythology leadership individuation revolution war and the soul Singer s work provides unique insights into contemporary culture activism and politics This collection of essays demonstrates how the cultural complex theory applies in specific contexts while simultaneously having cross cultural relevance through the reemergence of complexes throughout history It is essential reading for academics and students of Jungian and post Jungian ideas politics sociology and international studies as well as for practicing and trainee analysts alike

Vital Signs Mary-Jayne Rust, Nick Totton, 2018-03-22 This anthology illustrates the range and diversity of responses from the psychological world to the multiple ecological crises with which our society is faced Vital signs are the basic physiological measures of functioning which health practitioners use to assess how ill a patient is This book focuses not on our physical predicament with so many of the earth s systems severely stressed and beginning to fail but on our psychological predicament As news of this very serious situation slowly penetrates our defences we struggle as individuals and as a society to find an adequate response

Art Therapy and Political Violence Debra

Kalmanowitz, Bobby Lloyd, 2005 With accounts from Northern Ireland Kosovo Israel and South Africa this book vividly illustrates the therapeutic power of art making and art therapy in helping individuals families and communities cope with experiences of political violence

Filming the Nation Donatella Spinelli Coleman, 2012-12-06 Italian neo realism has inspired film audiences and fascinated critics and film scholars for decades This book offers an original analysis of the movement and its defining films from the perspective of the cultural unconscious Combining a Jungian reading with traditional theorizations of film and national identity *Filming the Nation* reinterprets familiar images of well known masterpieces by Roberto Rossellini Vittorio de Sica and Luchino Visconti and introduces some of their less renowned yet equally significant films Providing an illuminating analysis of film images across a particularly traumatic and complex historical period *Filming the Nation* revisits the concept of national identity and its construction from a perspective that combines cultural psychoanalytic and post Jungian theories As such this book will be essential reading for all students and scholars of film and psychoanalysis

A Depth Psychological Study of the Peace Symbol Michelle Rivera-Clonch, 2023-07-05 This engaging new book uncovers the cultural context behind the peace symbol s emergence its growing significance in the 1960s and its ongoing presence in today s worldwide grassroots and nonviolent social action protests Since its debut in 1958 the peace symbol has become a ubiquitous presence in broadcasted images of protest and resistance yet most citizens are unaware of the symbol s history or psychological evolution It is a unique modern symbol in that it is at once an omnipresent and yet entirely unknown entity This noteworthy text engages readers in fresh and thought provoking ways around the interdependent relationships of peace and war recognition and secrets symbol and chaos and action and inaction to name a few In this book Rivera Clonch brings a depth psychological analysis to Post World War II s escalating nuclear tensions and rhetoric and links it to today s increasing consciousness around social injustices and nonviolent activism This is a timely and relevant interdisciplinary case study exploring the peace symbol through the dimensions of cultural secrets and psychological shadow nuclearized storytelling and symbology and grassroots nonviolent social action *A Depth Psychological Study of the Peace Symbol* will be of interest to Jungian and depth psychologists as well as students and scholars of peace studies and psychology

Emily Dickinson Steven Herrmann, 2018-03-21 Among the 19th century poets Emily Dickinson is by far the most scientifically minded Science is the voice that summoned Dickinson at Mount Holyoke Female Seminary and gave her unique distinction as a poetess of botanical and entomological and astronomical classifications Like no other 19th century poet she forms an integration between science and spirituality She studied at Holyoke at the exact historical moment of the first Seneca Falls Women s Rights Convention in 1848 This therefore is a feminist book It speaks up for the Divine Feminine On the front cover purple white rosemary blossoms are exploding with color Emily Dickinson s garden was a place where butterflies bees and hummingbirds drank up the radiance of flowers Rosemary in particular was one of her favorite healing herbs C G Jung mentions the antitoxin of rosemary flowers as a synonym for the Self the total personality When Steven Herrmann refers to Emily Dickinson as a Medicine Woman he is speaking of an archetype of healing within all humans Her poems are enduring imprints of the Medicine Woman archetype It is by access to the Medicine Woman archetype that she s able to espouse a democracy of equality that the world needs right now She advises women to cherish Power and take heed from the Serpent We need a Medicine Woman to balance things out In a democratic sense she s a fierce and uncompromising spokeswoman for Liberty She is a dispenser of a new American myth for our times

Analysis and Activism Emilija Kiehl, Mark Saban, Andrew Samuels, 2016-05-05 Jungian psychology has taken a noticeable political turn in the recent years and analysts and academics whose work draws on Jung s ideas have made internationally recognised contributions in many humanitarian communal and political contexts This book brings together a multidisciplinary and international selection of contributors all of whom have track records as activists to discuss some of the most compelling issues in contemporary politics Analysis and Activism is presented in six parts Section One Interventions includes discussion of what working outside the consulting room means and descriptions of work with displaced children in Colombia projects for migrants in Italy and of an analyst s engagement in the struggles of indigenous Australians Section Two Equalities and Inequalities tackles topics ranging from the collapse of care systems in the UK to working with victims of torture Section Three Politics and Modernity looks at the struggles of native people in Guatemala and Canada and oral history interviews with members of the Chinese Vietnamese diaspora Section Four Culture and Identity studies issues of race and class in Brazil feminism and the gendered imagination and the introduction of Obamacare in the USA Section Five Cultural Phantoms examines the continuing trauma of the Cultural Revolution in China Jung s relationship with Jews and Judaism and German Jewish dynamics Finally Section Six Nature Truth and Reconciliation looks at our broken connection to nature town and country planning and relief work after the 2011 earthquake in Japan There remains throughout the book an acknowledgement that the project of thinking forward the political in Jungian psychology can be problematic given Jung s own questionable political history What emerges is a radical and progressive Jungian approach to politics informed by the

spirit of the times as well as by the spirit of the depths This cutting edge collection will be essential reading for Jungian and post Jungian academics and analysts psychotherapists counsellors and psychologists and academics and students of politics sociology psychosocial studies and cultural studies What is Paranormal? Del Loewenthal, 2021-11-17 A layman will no doubt find it hard to understand how pathological disorders of the body and mind can be eliminated by mere words He will feel that he is being asked to believe in magic And he will not be so very wrong for the words which we use in our everyday speech are nothing more than watered down magic Freud This book provides further developments of such ideas including Freud s uncanny Jung s synchronicity Daniels transpersonal Clarke s mindfulness and Sollod s anomalous experiences The paranormal could be seen as being fundamental to the psychological therapies Occasionally a writer brings this potential to our attention but questions of science evidence based practice etc continue to dominate Yet does this continue to lead to what s denied running even more wild Further might the lessening of the paranormal be primarily what is lost the aura through the increase in internet therapy The question of the paranormal and the psychological therapies continues to persist not only for psychoanalysis but the psychological therapies in general This book attempts to address that The chapters in this book apart from a new introduction and a new chapter were originally published in the European Journal of Psychotherapy and Counselling *Cape Town 2007* Pramila Bennett, 2009 The 17th Triannual Congress of the International Association for Analytical Psychology took place in Cape Town South Africa in August 2007 The plenary presentations are printed in this volume A CD with all the congress presentations and a selection of images is also included Listed here are just a few of the many presentations Journeys Encounters Clinical Communal Cultural by Joe Cambray How Does One Speak of Social Psychology in a Nation in Transition by Mamphela Ramphele Trauma Forgiveness and the Witnessing Dance Making Public Spaces Intimate by Pumla Gobodo Madikizela Shifting Shadows Shaping Dynamics in the Cultural Unconscious by Catherine Kaplinsky Journey to the Center Images of Wilderness and the Origins of the Southern African Association of Jungian Analysts by Graham S Saayman Panel Prehistoric Rock Art The Biped Surprised by Christian Gaillard and Harnessing the Brain Vision and Shamanism in Upper Paleolithic Western Europe by J D Lewis Williams *From Career to Calling* Suzanne Cremen, 2020-04-28 Finalist in the Australian Career Book Award 2020 supported by the Royal Society of Arts Oceania Finding and following an authentic calling challenges us to bridge both the intuitive soulful and the hard edged material dimensions of everyday life From Career to Calling A Depth Psychology Guide to Soul Making Work in Darkening Times opens new avenues for vocational exploration and career inquiry in an imaginative way This unique book draws on insights from the field of Jungian and archetypal psychology to reimagine our attitudes and approaches to work money vocational guidance and career development As people find themselves disillusioned with or disenfranchised from capitalist notions of work and career Suzanne Cremen s interdisciplinary approach illuminates how a creative meaningful and influential work life can emerge from attending to the archetypal basis of experience Interweaving elements of her own journey Cremen connects

individual experience with the collective in an original way spotlighting depression in the legal profession marginalization of the feminine principle in work environments and how understanding the roots of our cultural complexes can spark personal callings which facilitate collective transformation Blending compelling real life stories with robust scholarly analysis and reflective activities this book will help practitioners to support individuals to develop a sense of their soul's calling and offer guidance on creating an authentic vocational life within the constraints of the contemporary era Additionally it will be invaluable to those in career transition re-discovering their purpose at the end of a career or commencing work life

War as Reset Stefano Carpani, Ludmilla Ostermann, 2025-06-09 In an age continuously shaped and shocked by wars and societal crises this book serves as an antidote to superficial media frenzy Exploring the interplay between the insights from analytical psychology and global dynamics it unravels the meanings behind our shared fears and invites readers to confront challenging truths shaping our present and future Part I of this book explores the multifaceted aspect of war as Stefano Carpani interviews authoritative figures from the fields of Jungian psychoanalysis sociology history and religion Their insights shed light on the meaning of war the concept of fatherland the masculine nature of war and the potential for total conflict In Part II of the book Jungian therapists reflect on their experiences offering insights into the impact of war on the field of analysis presenting a comprehensive exploration of war from interdisciplinary perspectives The contributions touch upon themes like the Israeli Palestinian conflict healing through arts based research violence practiced by the state in Argentina sexual violence and the effect of the Irish Republican Army IRA on Irish society This book proposes that war can serve as a reset mechanism and that our era can be termed the one of hypocrisy It will be of interest to academics scholars and students within the fields of analytical psychology psychosocial studies psychoanalysis and sociology

Developing the Whole Student Clifford Mayes, 2019-12-31 This book proposes a new way of categorizing curricula in the holistic educational tradition This is an idea that goes back in the Western tradition at least as far as Plato and Lao Tzu in the Eastern tradition It is certainly present in Spinoza and Schopenhauer It is called a holarchy The idea of a holarchy gives rise to Integrative Curriculum Theory which with major modifications draws on Ken Wilber's in his evolutionary model of the development of consciousness at personal cultural and ontological realms Integrative Curriculum Theory will 1 Prove a useful addition to the holistic repertoire of systematic and above all humane terminologies and technologies for making and evaluating specific curricula as well as for theorizing the curriculum at a time when scientific technist and profit driven views of education have commandeered the podium policy and praxis and 2 address some areas of concern that with certain holistic models of education and 3 address some problems in Wilber's integral model of psychological cultural and spiritual evolution

Sacral Revolutions Gottfried Heuer, 2013-12-16 *Sacral Revolutions* is a unique project reflecting the contribution that Andrew Samuels has made to the general field of psychoanalysis and Jungian analysis in both clinical and academic contexts Gottfried Heuer has brought together an international array of authors friends and colleagues of Samuels to honour his 60th Birthday

As a result the collection provides a creative and cutting edge overview of a fragmented field The chapters demonstrate the profound sense of social responsibility of these analysts and academics whose concerns include the mysteries and hidden meanings in social and political life This open and engaging volume includes a previously unpublished interview with C G Jung adding to its usefulness as an essential companion for academics analysts therapists and students *Innovations in Psychoanalysis* Aner Govrin, Jon Mills, 2019-10-16 From its very inception psychoanalysis has been a discipline encompassing two contradictory tendencies This dualistic tendency tradition alongside disenchantment and the will to improve knowledge is likely responsible for psychoanalysis s powerful capacity to survive In *Innovations in Psychoanalysis* Originality Development Progress Aner Govrin and Jon Mills bring together the most eminent and diverse psychoanalysts to reflect upon the evolution vitality and richness of psychoanalysis today Psychoanalysis is undergoing significant transformations involving the entire spectrum of disciplinary differences This book illuminates these transformations importantly revealing the innovations in technique the evolving understanding of theory within existing schools of thought the need for empirical resurgence innovations in infant research neuropsychanalysis in the development of new interventions and methods of treatment and in philosophical and metatheoretical paradigms Uniquely bringing together psychoanalysts representing different fields of expertise the contributors answer two questions in this collection of ground breaking essays What are the most important developments in psychoanalysis today and What impact has your chosen perspective had on conducting psychoanalytic treatment Their thought provoking and challenging answers are essential for anyone who wants to fully understand the field of psychoanalysis in our changing current world *Innovations in Psychoanalysis* brings a whole array of differing schools of thought in dialogue with one another and will be of interest to psychoanalysts psychologists psychotherapists philosophers and historians of the behavioral sciences worldwide
