The Way Around Finding My Mother And Myself Among The Yanomami:

The Way Around David Good, 2015-11-03 Rooted in two vastly different cultures a young man struggles to understand himself find his place in the world and reconnect with his mother and her remote tribe in the deepest jungles of the Amazon rainforest in this powerful memoir that combines adventure history and anthropology My Yanomami family called me by name Anyopo we What it means I soon learned is long way around I d taken the long way around obstacles to be here among my people back where I started A twenty year detour For much of his young life David Good was torn between two vastly different worlds The son of an American anthropologist and a tribeswoman from a distant part of the Amazon it took him twenty years to embrace his identity reunite with the mother who left him when he was six and claim his heritage The Way Around is Good s amazing chronicle of self discovery Moving from the wilds of the Amazonian jungle to the paved confines of suburban New Jersey and back it is the story of his parents his American scientist father and his mother who could not fully adapt to the Western lifestyle Good writes sympathetically about his mother s abandonment and the deleterious effect it had on his young self of his rebellious teenage years marked by depression and drinking and the near fatal car accident that transformed him and gave him purpose to find a way back to his mother A compelling tale of recovery and discovery The Way Around is a poignant fascinating exploration of what family really means and the way that the strongest bonds endure even across decades and worlds

Talking Book Topics ,2017 *Braille Book Review* ,2017 **Good** FLuX, 2024-05-14 This is the story of the incredible journey of David Good the son of an American anthropologist father and indigenous Yanomami mother who calls the Amazon rainforest her home Overlapping the story of what David s mother s early years were like being raised in the rainforest the book follows David from childhood to adulthood as he searches for identity love acceptance and the one thing truly missing from his life his mother Growing up in a predominantly white population of the US without a mother or a deeper connection to his South American roots David struggles with issues of identity and relationships His and his mother s stories intertwine in a heartbreakingly beautiful climax when they are reunited in the jungle Beautifully illustrated and co authored by award winning artist and storyteller FLuX Good is a vivid

and breathtaking visualization of a highly unusual life's journey Looking for Love in Strange Places: A Memoir for My Stepdaughters Diana Page, 2016-02-18 Back in 1968 Diana Page was going to graduate from the University of Michigan without much hope for marriage or a career. She didn't have a boyfriend so a prospective husband was unlikely to materialize before the semester ended and a bachelor's in political science wasn't going to make her easily employable. The solution: Join the Peace Corps where she could help change the world and possibly meet a guy who shared her values. Thus began Diana's adventures. Her travels as a journalist and diplomat took her down the dangerous roads of Latin American history from the 1960s into the twenty-first century. With excerpts from diaries, letters, and news articles, she weaves together a narrative of war and peace, presidents and peasants, but mostly of ordinary people who teach her about life. She also runs into a few extraordinary people along the way: Fidel Castro, Isabel Peron, Pelé, Jorge Luis Borges, and Hilary Clinton among others. Looking for Love in Strange Places: A Memoir for My Stepdaughters is a hopeful, humorous account of what happens when you seize the day without too many expectations for the future.

The Watcher Stephen Schwartz, 2023-11-20 Long ago I lived alone in my mountain shanty beside my lake in Maine. The lake provided fish. The forest provided small game and berries. I had my books. I had solitude. I avoided contact with the outside world in Bar Harbor except as I needed food, clothing, some few tools, and more books, all of which I borrowed from those in the town. Eventually each of the books was returned. I didn't dislike people; I just did not need or want their company. At eighteen I was a hermit and happy to be so. My life was simple and uncomplicated by the needs of others or of the outside world. I spent each day absorbed in the wonders of the wildlife and of nature around me and the world of my books. It was enough for me. I was in control as much as the forest and weather around me would allow. It all changed in a single day. I was caught borrowing food from the market. I had a possible sack with me that contained two books that I borrowed from the library. There was also a pair of boots that I borrowed from the general store. The constable and his deputy took me to the dock and placed me on the whaling ship that waited there. There was no discussion. There were no questions from the first mate. They locked me in the hold. I raged. I cried. I begged. No one cared. That was my life until the day the Watcher arrived on the ship. My life changed in ten seconds. I began the journey to become what I am now. This journal records that journey of 116 years. The journey has just begun. I am not now what I have been or what I have yet to become.

Transcendent Mystery in Man Andrew N.
