The White Rose Lone City

Amy Ewing

The White Rose Lone City:

The White Rose Amy Ewing, 2015 Perfect for fans of The Hunger Games and Matched this is the second book in the Lone City trilogy following on from Amy Ewing's shocking and compelling debut novel The Jewel Violet Ash and Raven have escaped the palace of the Duchess of the Lake but Regimentals are hunting for them across the city Nowhere is safe and they are dependent on Lucien and his secret society for survival If they can reach the safety of the White Rose then Violet may be able to help Lucien in his plan to rescue more surrogates For one surrogate however it is already too late Violet's best friend Raven is pregnant And in the Jewel surrogates cannot survive giving birth **The White Rose** Amy Ewing, 2015-10-06 The compelling and gripping sequel to Amy Ewing's debut The Jewel which BCCB said Will have fans of Oliver's Delirium Cass's The Selection and DeStefano's Wither breathless Violet is on the run away from the Jewel away from a lifetime of servitude away from the Duchess of the Lake who bought her at auction With Ash and Raven traveling with her Violet will need all of her powers to get her friends and herself out of the Jewel alive But no matter how far Violet runs she can't escape the rebellion brewing just beneath the Jewel's glittering surface and her role in it Violet must decide if she is strong enough to rise against the Jewel and everything she has ever known The Black Key Amy Ewing, 2016-10-04 The thrilling conclusion

to the New York Times bestselling Lone City trilogy which began with The Jewel a book BCCB said will have fans of Oliver's Delirium Cass's The Selection and DeStefano's Wither breathless For too long Violet and the people of the outer circles of the Lone City have lived in service of the royalty of the Jewel But now the secret society known as the Black Key is preparing to seize power While Violet knows she is at the center of this rebellion she has a more personal stake in it for her sister Hazel has been taken by the Duchess of the Lake Now after fighting so hard to escape the Jewel Violet must do everything in her power to return not only to save Hazel but the future of the Lone City The American Shorthorn Herd Book, 1883

Populating the Future Britt Johanne Farstad, 2023-07-19 Speculative fiction opens doors for imagining beyond what is possible conventional or acceptable Speculative fiction has an acute ear for the social the scientific and for political developments and change all of which are prominent topics Reproduction and parenthood are pertinent social questions that are constantly renegotiated in various arenas By investigating representations of family making and reproduction in speculative fiction the research presented in Populating the Future Families and Reproduction in Speculative Fiction not only adds to the field of speculative fiction scholarship but also contributes to the more general discussion about reproduction and parenting Speculative fiction operates as thought laboratories that make connections between discourses visible It highlights power structures that can be difficult to detach and represents difficult and abstract issues more concretely As such speculative fiction demonstrates the complex entanglement of reproduction with issues of gender power and agency By facilitating thought experiments and illustrating alternatives speculative fiction also enables the representation of new family structures and reproductive technologies thus paving the way for discussions about various practices and their possible

consequences Due to its multidisciplinary approach this book will be of value to scholars and students of various disciplines such as literature studies philosophy ethics political science the social sciences and gender studies It will also be a useful resource in teacher training programmes as well as to a more general audience interested in speculative literature politics society gender and ethics

People Who Said No Laura Scandiffio, 2012-06-21 Sometimes it's okay to ignore the rules or break the law In fact it's essential This thought provoking book features people who did just that Sophie and Hans Scholl siblings who distributed antigovernment pamphlets in Nazi Germany and Andrei Sakharov who helped develop the nuclear bomb in Cold War Russia but then spoke out against its use Some like Rosa Parks were not originally in positions of political power but came out of the ranks of regular citizens to stand up for human rights Others like Oscar Romero archbishop of El Salvador used their power to change the status quo Also included are Helen Suzman a South African member of parliament who fought apartheid Aung San Suu Kyi who spent years under house arrest for protesting the dictatorship in Burma and the people of Egypt who recently brought down the repressive government of Hosni Mubarak These inspirational profiles of people who followed their moral compass make for riveting stories as well as excellent starting points for discussions about ethics and morality

Seven Social Movements That Changed America Linda Gordon,2025-03-04 A brilliantly conceived and provocative work from an award winning historian that examines how seven twentieth century social movements transformed America How do social movements arise wield power and bring about meaningful change Renowned scholar Linda Gordon investigates these and other salient questions in this visionary cautionary timely and utterly necessary book Nicole Eustace narrating how some of America s most influential twentieth century social movements transformed the nation Beginning with the turn of the century settlement house movement the book compares Chicago s celebrated Hull House begun by privileged women to a much less well known African American project Cleveland s Phillis Wheatley House begun by a former sharecropper Expanding her highly praised book *The Second Coming of the KKK* the second chapter shows how a northern Klan became a mass movement in the 1920s Contrary to what many Klan opponents thought this KKK was a middle class organization its members primarily urban and well educated In the 1930s the KKK gave birth to dozens of American fascist groups small but extremely violent Profiles of two other 1930s movements follow the Townsend campaign for old age insurance named for its charismatic leader Dr Francis Townsend It created the public pressure that brought us Social Security which was considered radical at the time as was the movement to bring about federal unemployment aid for millions Proceeding to the 1955 1956 Montgomery bus boycott which jump started the career of Martin Luther King Jr the narrative shows how the city s entire Black population refused to ride segregated buses initiated by Black women their years long hard fought victory inspired the civil rights movement Gordon then examines the 1970s farmworkers struggle led by Cesar Chavez and made possible by the work of tens of thousands of the primarily Mexican American farmworkers Together they built the United Farm Workers Union winning better wages and working conditions for some of the country s poorest workers The book concludes with the dramatic stories of two Boston socialist feminist groups Bread and Roses and the Combahee River Collective which influenced the whole women s liberation movement Throughout the work Gordon concentrates not on ideologies but on how millions of grassroots activists strategized and changed the United States Separately and together these seven narratives bring to life the creativity and hard work of social movements and in doing so reveal how they have been central to American history in stories that reverberate with today s political activism **The Chester White Swine Record** Chester White Swine Record Association,1916 **The Chester White Swine Record** ,1922
